New First Baptist Church Dedicated

A large number of former members and out-of-town friends of the church were present Sunday for the dedication services held for the new sanctuary of the First Baptist Church. The theme for the day was In His Name. The morning message, Salvation In His Name, was brought by the pastor, Rev. J. S. Tipton.

At the noon hour a bountiful dinner was spread in the fellowship hall. In the afternoon services the singing was led by Bro. J. Howell Smith of Memphis. Three messages were given: Building In His Name by Rev. L. F. Campbell of Memphis; Progress In His Name by Rev. Fern Miller of Memphis; and the dedication sermon, Presented In His Name by Rev. Russell Pogue of Wellington. The dedicatory prayer was led by W. T. Hightower of Memphis. Special music during the day included a solo by Nancy Hunsucker and a duet by Mesdames J. S. Tipton and Alva Simmons.

The First Baptist Church was organized in 1909 with 27 charter members, who rented a one room building until 1912. In 1912 they built the original wooden building that was destroyed by fire May 19, 1957.

Of the original charter members, are left Mr. and Mrs. John Blankenship who have been members here ever since the church was organized. Another charter member was present for the dedication, Mrs. G. A. Blankenship of Goodnight.

The new sanctuary, built of tile and brick with laminated beams, has a central heating and cooling system and built in public address system. The finished building is a structure of which not only the Baptists but also all of Hedley can justly be proud.

Out of town guests for the dedication services who signed the register were Mesdames M. E. Wells, Jo Hy Smith, and Hope Rose of Pampa, Mrs. R. L. Pinnell and Linda of Adrian, Mrs. P. T. Boston of Shamrock, Paul Boston of Colorado City, Mrs. Helen Adcock of Childress, Mr. and Mrs. A. J. Shaw of Borger, Mr. and Mrs. Neil Tibbets of Gainesville, Mr. and Mrs. D. C. To the Citizens of the 30th Senatorial District

ANDY ROGERS

Although I announced my intention of becoming a candidate for re election as your State Senator several weeks ago, I wish to take this opportunity to make the customary full statement in your newspaper.

Naturally, it is not possible to relate here all that I would prefer that you know about myself and my record. I will hit some of the major points, and urge you to contact me or those in a position to know about any questions you might have. It is my desire that my personal and political record be an open book to you.

I have served four years (two terms) as State Representative and six years (one and one half terms) as your State Senator. I am 33 years of age, a farmer, cattleman and businessman. I am a native of the South Plains-Panhandle area, as are my wife, two daughters and son. I served in the uniform of the United States Army for three years during World War II, and have a college education.

At different times during the past four years, I have been threatened and warned not to seek re-election. Some of you who know me best have been threatened with embarrassment if you did not persuade me not to make this race. The story behind this is a long one, and touches on many things that have happened in Texas politics. Some of them are covered below—others I will discuss later.

I made my first race for the Texas Senate in 1952. There was a great hue and cry to "clean up

The Rambler Rambles

Rev. and Mrs. J. S. Tipton, having been given a month's leave of absence by the Baptist Church, left Sunday evening on a trip to Fairbanks, Alaska. They will visit there with their daughter's family, the Carl Elders. Rev. Elder is the pastor of a Baptist Church in Fairbanks. While they are gone Rev. Tipton plans to write a weekly news letter to the folks at home which will be published in the Informer. The first of these letters follows:

By the time you read this letter we will be several hundred miles away headed for Alaska. I hope to keep you informed as to our whereabouts and what is going on up on the rim of the world. We are not the first to travel through Canada, or make the trip up the Alcan. I find there are a few thousands have already made the trip and that the future will find thousands still making the trip. But to me it is the thrill of a lifetime. I can already sense that.

I am writing this before anything exciting has happened, like hooking a big fish that would break my line and get away. I guess things like that only happen in the story books.

Next week I hope to have some news that will be of interest to all of you. In the mean time may I request your prayers.

Riley-Holland

Miss Reta Holland and Dewey Wayne (Jiggs) Riley were united in marriage at the Friendship Baptist Church in Amarillo at 10 p. m., June 20th. The single ring ceremony was performed by Brother Harold Ellis, childhood friend of the bridegroom.

The bridesmaid was Miss Jessie White of Lelia Lake. Billy Hill, cousin of the bridegroom, served as best man.

The bride is the daughter of Mr. and Mrs. Obe Holland of Lelia Lake. The bridegroom is the son of Mr. and Mrs. R. R. Riley of Clarendon.

Guests attending were Bob Clifford and Rodney Youree of Clarendon and Gaye Salmon of Amarillo.

After a short wedding trip the couple will make their home in Clarendon. The bridegroom is employed by the Household Supply.

To the Citizens of the 30th Senatorial District

[Continued from page 1]

the mess in Washington." I was an oddity among candidates THEN. I charged then that "Austin is as rotten as Washington" and that "moral integrity is needed most." I demanded a law requiring state officials and legislators to file, for public record, a statement showing their income and its source. I was quite unpopular in some circles.

In 1954 I, and a few others, urged investigations into several state matters including the Insurance Commission, certain land transactions in which the State was involved, and State contracts. For my efforts I was slandered. A few months later the lid blew off.

NOW, no candidate would dare

run for high office without a pledge "that honesty and integrity must be restored to our State government."

Andy Rogers is the only candidate in this race who has supported and voted for lobbyist control, lobbyist registration, and a code of ethics for legislators; for anti-loan shark legislation and compulsory financial statements of State officials' incomes.

Andy Rogers has authored more strict laws on the sale and distribution of narcotics and filthy literature and bootleggers than any other candidate in this race.

I have made many good friends among those who work for the interests of our district. I have made good enemies of those minority blocs whose interests conflict with the interests of our district. Some of these minority blocs have done well for themselves in Austin. But their position is now threatened. They are desperate to con-

tinue feathering their nests at your expense, to protect their "darlings", and to gain new ones.

I am on their list for extermination. They will stop at nothing and stoop to anything. Their methods of political slander, deceit and Legislative control have been perfected to an art. And, as has been said, "the perfection of art is to conceal art."

It is well known in Austin and Dallas that the Top brass of the loan sharks, electric utility monopolies, gas pipelines, the liquor lobby and others are licking their chops over the slick tricks and schemes they have cooked up to deceive you about your Senator.

Actually, theirs is an old tune with a few new verses—only a little face lifting to bring their show up to date. I have suffered economically, socially and politically at their hands. But I have not run from them in the past, and I will not do so now or in the future.

TAXES AND ECONOMY

There is no need for either a sales or income tax for Texas.

No other state has ever abused its citizens on tax matters as has Texas. A few examples: Nearly 55% of present taxes collected in Texas are consumer (or "hidden") sales taxes. The consumer gasoline tax take is more than that paid on all crude oil. The consumer cigarette tax is larger than the total natural gas tax. Other states, even communists, can buy our gasoline tax free, but you pay 5¢ per gallon. Other states tax OUR natural gas up to ten times as much as we do. Roughly, 70% of both of these Texas products are consumed outside of Texas. Few of the really big industries in Texas pay more than a proportional TOKEN of taxes, compared with the average businessman, farmer and worker.

Last year two (2) groups had their taxes reduced—natural gas producers and part of the Texas electric utility monopoly. Two (2) groups had their taxes raised—10% increase on YOUR car and truck licenses and a doubling of tuition on students of State Colleges.

CONCLUSION: Stating such facts is often political suicide in Texas, but we merely need legislators who will see that these out-of-state corporations pay their share of the load while exploiting our resources. I have fought for this.

LABOR

I will continue to fight to maintain a strong and workable RIGHT-TO-WORK law in Texas. This should be supplemented by a little Taft Hartley law for Texas, as our present labor laws are a hodge-podge and leave loopholes unfair to business, labor and the

public. APPOINTMENTS REPRESENTATION

Baseball News

The Hedley Lions again went down in bitter defeat last Sunday before the smallest crowd of the season. Pinkney's of Amarillo outscored Hedley 18 to 15, after the bottom fell out in the top of the ninth. We again outthit the opponents 17 to 8, but didn't have the pitching to come through.

This Sunday is supposed to be an open date, but Hedley will play Pinkney's a practice game here at Hedley. The two teams will be splitting the gate, and they both need the money. Let's all go out and support the boys. It's hard to play your best when your fans consist of a dozen people, six of them from out of town.

Hedley's two kid baseball teams will play Lakeview here at Hedley Saturday at 4 p. m. The first game will be Little League with only those under twelve playing. The second game will be over twelve. Both of these games promise to be good ones.

Those present included Mr. and Mrs. Monty Smith and Sarah Ann of Lubbock, Mr. and Mrs. Winfield Mosley and Rusty of Hedley, Mrs. Vestal Mosley of Pampa, Mrs. Bill Bromley of Clarendon, Mrs. Bill Garrett and Linda Gail of Pampa, Mrs. J.
