Clarendon Jr. College Offers New Service

The administration of the Clarendon Jr. College has a sincere desire and aim to make the college a functional institution serving the needs of the people of the neighboring areas in their educational pursuits. To implement and fulfill this desire, President W. W. Pinkerton and Dean Oliver J. Abel are planning, organizing, and staffing a night school for Adult Education running concurrent with the regular school term.

Courses offered will include art, Bible, and English for adults who earnestly desire cultural and educational benefits for better living; typing, shorthand, business law, and accounting for employed people who need more thorough training to better serve the position they now hold or to prepare for promotional opportunities within their organizations; history, government, economics, mathematics, and science for those who aspire to complete college degree requirements, but due to circumstances beyond their control cannot leave their homes or jobs for matriculation in regular day school.

Dean Abel has been in a large number of school districts and cities of this area during the summer, and has contacted many people who heartily approve this new service offered to the citizens of the area. Any person in the area wishing more detailed information regarding the Clarendon Jr. College Adult Education Program for 1958-59, should contact Dean Abel or Pres. W. W. Pinkerton at the College.

Constitutional Amendments

In this issue of the Informer there appears the full text of two of the Constitutional Amendments to be voted on at the upcoming General Election Nov. 4. So you may be fully informed we urge that you read each proposed measure in its entirety, and study all of them carefully before you go to the polls to cast your vote.

A brief digest of the nine different amendments will appear in the Informer just before election time.

House Burns

The house on the old Hill place, northeast of town, owned by Mrs. Eva Hill Parker, was completely destroyed by fire last Friday morning. The local Civil Defense fire truck made the run, but a misunderstanding caused a delay of an hour or more before they were called, and the house was a total loss before the truck arrived. The house was unoccupied.

Mrs. W. Z. Hoggard

Funeral services for Mrs. W. Z. Hoggard of Dallas, who passed away there Tuesday, at the home of her daughter Mrs. Ruby Fason, were held Thursday from the First Christian Church at Arlington.

Mrs. Hoggard, 91, was born and raised at Saint Jo. She had 8 children, 3 of whom preceded her in death. She was a former Hedleyan, leaving here 28 years ago.

She was the mother of H. Hoggard of Hedley.

Hail Strikes Again

Hail early last Friday morning again struck a damaging blow at farmers of this area, wiping out a wide strip of cotton north and northeast of town. Besides crop damage, numerous windows were broken out, trees uprooted, and much other damage done. Crop damage was as much as 100% on the farms affected.

Card of Thanks

I wish to express my sincere thanks to the people of Donley County for the votes given me in Saturday's primary. I have appreciated very much the cooperation given me while I have served as your County and District Clerk.

County Judge R. E. Drennan, County Treasurer Mrs. A. G. Lane, County and District Clerk P. C. Messer and State Rep. Will Ehrle were reelected without opposition.

Joe Crawford

Funeral services for Joe Marshall Crawford, 57, who passed away last Wednesday in an Amarillo hospital, were held Friday morning in Blackburn-Shaw Memorial Chapel in Amarillo with the Rev. Taft Holloway of the Tascosa Baptist Church officiating. Interment was in Rowe Cemetery here with graveside services being held at 3:00 Friday afternoon.

Pallbearers were Grady Smith, Connie Pelely, Gus Brock, Gaston Willis, J. N. Morgan, and Winson Gray.

Mr. Crawford was born Feb. 24, 1901 at Grady, Okla. He was a resident of Hedley for a number of years, but had lived in Amarillo since 1945. He was a member of the Tascosa Baptist Church in Amarillo.

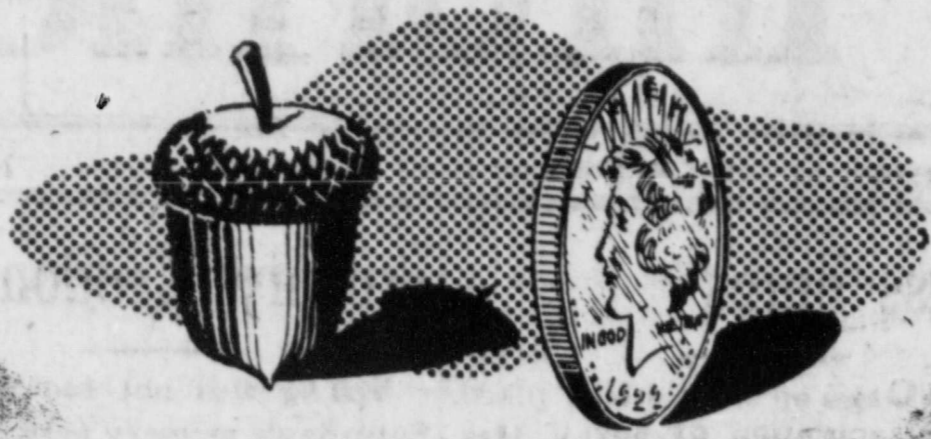

Survivors are his wife, Thava; four brothers, Bob and Jim of Amarillo, Will of Sweetwater, and Henry of Colorado Springs; and three sisters, Mrs. Tom Cooper, Mrs. Bill Pringle, and Mrs. Annie Sanford, all of Amarillo.

Bob Berggren of Amarillo will again be here for the Fire Dept. meeting next Monday night, Aug. 4, to demonstrate his dry powder fire extinguishers.

This makes an interesting demonstration, and the public is cordially invited to witness it.

News From Our County Agent

County Agent H. M. Breedlove is warning all farmers to keep a sharp watch on their cotton and feed for insects. The recent rains have set up perfect conditions for the hatching of insects. The best poisons to start using at this time on cotton are toxaphene and DDT in a two-one mix, or if you are dusting to use the same poisons in a dust. Breedlove added that cotton is now reaching the stage that leaf worms have begun to appear and some boll worm eggs have been found. These poisons will get best results on these insects and also give pretty good control of grasshoppers. A close check on the fields and starting poisoning before the insects get the jump on us will save heavier poisoning at a later date.

Card of Thanks

I want to express my deepest heartfelt thanks to my dear friends for each letter, card and visit. They have all meant so much and help to pass the time away. And so many thanks to Mr. Spicer for sending the ambulance after me. Mr. Randolph really made good time. So may God's richest blessings be upon each and every one is my prayer.

Baseball News

Hedley picked up their first league win of the season last Sunday, by romping over the Clarendon Dusters 9 to 2. The Lions took the lead to start, and it was their game all the way. Jameson, and Lesley filled the mound for Hedley, while Don Newman did Clarendon's pitching chore.

This Sunday, Hedley will play Nazareth, here at Hedley. This is the team that Hedley beat for seven and one half innings, only to lose. This should be a hard fought game from both sides. There is an attempt being made to play a little league game before the regular game, to spur attendance. Our ball club is way behind financially. A couple of good turnouts could really help out.

Card of Thanks

Mrs. R. E. Newman and family join Pete in thanking all his many Hedley and Amarillo friends for the many cards, gifts and visits he received while in the hospital.

Every kindness was appreciated very much. May God bless every one of you.

In order to prove where the boundary lines of our properties are it may be necessary to consult maps which the city or country has to look for section line markers or markers described in the deeds we have to the property. Some lands we own represent material wealth and most of us are quite interested in establishing the true boundary line. In these United States we have a standard measure of weight and to prove we are buying or selling a certain number of pounds of things the material is weighed on scales tested and approved by the government.

According to the Bible we are to take nothing for granted concerning spiritual things but rather, "Prove all things." Gods word written in the Bible is our standard in spiritual things. By His word we should be able to prove whether we are living according to his standards. A popular belief in the world today is that if you are a good person morally, give to the poor, etc., you are alright in God's sight. But can you read in the New Testament of any man or woman who was so good that nothing else was required for their souls salvation? Can we prove by the Bible we are living by and according to God's standard? A thorough study of God's word will furnish proof one way or the other.

Donley County Fair

County Agent H. M. Breedlove states that work on the Donley County Fair is now being started. It will be held on September 19 or 20, the week end preceding the opening of the Amarillo Tri-State Fair. Breedlove will show the county exhibit at the Amarillo Fair. Committees are now being contacted for the departments of the fair and the County Fair board will meet soon to make the final arrangements.

The County Fair barn now has an asphalt floor which the city of Clarendon put in at cost. Every one is asked to be thinking about fair exhibits for the fair. The catalog should be ready to distribute over the county around the later part of August.

Jean Sanders to Play At Clarendon

Jean Sanders of Hedley has accepted a scholarship contract to play National A A U Basketball with the Clarendon Junior College Comets during the 1958-59 season. Jean comes from a family of basketball players and proved her ability to step into national competition by playing several games with the Comets early last season. Her play at that time gained her a position on the team but interfered with her scholastic work as a senior in high school at Hedley, she wisely chose to postpone her college ball playing until she finished her high school work.

Dean Abel had nothing but praise for Jean as a student, as a lady, and a basketball player. He further states that the homefolks will be seeing a lot of basketball playing by Jean in the starting line-up this season.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #30—Number Three on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 30 proposing an amendment to the Constitution of Texas to require that vacancies in the office of County Judge and Justices of the Peace be filled by the Commissioners Court only until the next General Election.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 28 of Article 5 of the Constitution of the State of Texas is hereby amended so as hereafter to read as follows:

"Section 28. Vacancies in Offices of Judges of Superior Courts To Be Filled By The Governor.

"Vacancies in the office of judges of the Supreme Court, the Court of Criminal Appeals, the Court of Civil Appeals and the District Courts shall be filled by the Governor until the next succeeding General Election; and vacancies in the office of County Judge and Justices of the Peace shall be filled by the Commissioners Court until the next succeeding General Election."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon: "FOR the Constitutional Amendment providing that vacancies in the office of County Judge and Justices of the Peace shall be filled by the Commissioners Court only until the next General Election."

"AGAINST the Constitutional Amendment providing that vacancies in the office of County Judge and Justices of the Peace shall be filled by the Commissioners Court only until the next General Election."

If it appears from the returns of said election that a majority of the votes have been cast in favor of said amendment, same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election herein provided for and shall cause this proposed amendment to be published in the manner required by law and shall cause said election to be held as required by the Constitution and laws of this State.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #3—Number Nine on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 3 proposing an amendment to Article IX of the Constitution of the State of Texas, by adding thereto a new section to be known as Section 5, to provide that the Legislature may authorize the creation of a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas; authorizing the County of Potter to render financial aid to and participate in the operation of such Hospital District; authorizing the Commissioners Court of said county to assess and levy taxes on property outside the incorporated limits of such city; further authorizing a countywide Hospital District for Wichita County, Texas, and authorizing the creation of two districts in Jefferson County; and further providing that any enabling Acts shall not be invalid because of their anticipatory character.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be, and the same is hereby amended by adding thereto another section to be designated as Section 5, which shall read as follows:

"Section 5 (a) The Legislature may by law authorize the creation of two hospital districts, one to be coextensive with and have the same boundaries as the incorporated City of Amarillo, as such boundaries now exist or as they may hereafter be lawfully extended, and the other to be coextensive with Wichita County.

"If such district or districts are created, they may be authorized to levy a tax not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars (\$100.00) valuation of taxable property within the district; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property taxpaying voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed the maximum limit of Seventy-five Cents (75¢) per One Hundred Dollars (\$100.00) valuation, and no election shall be required by subsequent changes in the boundaries of the City of Amarillo.

"If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the district may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the district shall by resolu-

tion assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the district to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said Seventy-five Cents (75¢) tax. The Legislature shall provide for transfer of title to properties to the district.

(b) The Legislature may by law permit the County of Potter (in which the City of Amarillo is partially located) to render financial aid to that district by paying a part of the expenses of operating and maintaining the system and paying a part of the debts of the district (whether assumed or created by the district) and may authorize the levy of a tax not to exceed Ten Cents (10¢) per One Hundred Dollars (\$100.00) valuation (in addition to other taxes permitted by this Constitution) upon all property within the county but without the City of Amarillo at the time such levy is made for such purposes. If such tax is authorized, the district shall by resolution assume the responsibilities, obligations, and liabilities of the county in the manner and to the extent hereinabove provided for political subdivisions having boundaries coextensive with the district, and the county shall not thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the county.

(c) The Legislature may by law authorize the creation of a hospital district within Jefferson County, the boundaries of which shall include only the area comprising the Jefferson County Drainage District No. 7 and the Port Arthur Independent School District, as such boundaries existed on the first day of January, 1957, with the power to issue bonds for the sole purpose of purchasing a site for, and the construction and initial equipping of, a hospital system, and with the power to levy a tax of not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars (\$100.00) valuation of property therein for the purpose of paying the principal and interest on such bonds.

"The creation of such hospital district shall not be final until approved at an election by a majority of the resident property taxpaying voters voting at said election who have duly rendered their property for taxation upon the tax rolls of either said Drainage or said School District, nor shall

such bonds be issued or such tax be levied until so approved by such voters.

"The district shall not have the power to levy any tax for maintenance or operation of the hospital or facilities, but shall contract with other political subdivisions of the state or private individuals, associations, or corporations for such purposes.

"If the district hereinabove authorized is finally created, no other hospital district may be created embracing any part of the territory within its boundaries, but the Legislature by law may authorize the creation of a hospital district incorporating therein the remainder of Jefferson County, having the powers and duties and with the limitations presently provided by Article IX, Section 4, of the Constitution of Texas, except that such district shall be confirmed at an election wherein the resident qualified property taxpaying voters who have duly rendered their property within such proposed district for taxation on the county rolls, shall be authorized to vote. A majority of those participating in the election voting in favor of the district shall be necessary for its confirmation and for bonds to be issued.

"(d) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at the general election to be held the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the constitutional amendment authorizing the Legislature to create a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas, and authorizing Potter County to lend financial aid to and participate in the operation of said Hospital District, and further authorizing the Legislature to create a countywide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas."
