Battle to Carlsbad

A recent issue of a Carlsbad, N. Mex. newspaper reveals that D. Jack Battle has assumed his duties as manager of the Sears, Roebuck & Co. store there. He went to Carlsbad from Dallas, where he had served the past year on the staff of the Southwest regional manager for the organization.

A native of Hedley, Mr. Battle graduated from New Mexico Military Institute at Roswell and spent four years in the U. S. Air Force. He has been associated with Sears Roebuck stores at Albuquerque, Fort Smith, Ark., Beaumont, Port Arthur and Marshall.

Methodist Church

Attendance was fairly good this past Sunday. Both Richard Stotts and Don Reeves, fresh home from military service, were present. Others who had been out with illness were there.

We will hold no evening service this coming Sunday, giving us an opportunity to attend the church dedication at Lakeview, where Bishop William C. Martin will be present.

Let us keep in mind our special services the evenings of April 6, 10, when Rev. David W. Binkley of Memphis will preach for us.

1919 Study Club

The members of the 1919 Study Club held their regular meeting Feb. 25 in the home of Mrs. Herlie Moreman, with Mrs. Wiggins assisting with hostess duties. The president, Mrs. Jewell, presided over a short business session.

Mrs. Moffitt, chairman of the nominating committee, submitted their report.

The following officers were elected by acclamation:

President, Mrs. Jewell
Vice Pres., Mrs. Mary Harris
Recording Sec., Mrs. Kinslow
Treas., Mrs. Oscar Moore
Parliamentarian, Mrs. Miller
Reporter, Mrs. Hinds

After the business was disposed of, the president in a few chosen words introduced the guest speaker for the afternoon, Minister Tipton. He gave a very interesting talk using as his subject Old Testament questions with New Testament answers. The club collect was given by the members.

Hedley Wins Regional Basketball Tournament

Well, the miracle has happened. Or perhaps it would be better to just say that Coach Don Haskins and a fine bunch of basketball planned it that way and carried out their plans. Anyway, the Hedley Owls have won the regional tournament, and left Wednesday for the state tournament at Austin. They were scheduled to play their first game Thursday.

In the regional meet, Hedley first met Bovina, winning over them 35 to 32. Lesley made 15 points, Wiggins 8, Roland 5, Maddox 5 and Hargrove 2. They then overcame Meadow 39 to 35, with Lesley making 13 points, Wiggins 9, Roland 8, Maddox 6 and Hargrove 3. In the final game the Owls played Turkey, who had become the favorite to win the tourney after they had defeated McAdoo and Adrian. But the Owls won by a larger margin than in their other two games, 47 to 35. Lesley led the scoring with 22 points, Wiggins made 12, Maddox 5, Roland 4 and Hargrove 4.

A large delegation from Hedley attended the regional tourney, and a good number are expected to accompany the Owls to Austin this week.

City Election

Please note that all candidates for the city election must be filed with the City Secretary 30 days before the election date. The city election this year will be on Tuesday, April 7, so the final date for filing will be March 7.

Candidates to be elected this year will include three aldermen, two to be elected for two years and one for one year.

Mrs. Kinslow with her original composition and humorous manner gave a poem, which created much laughter.

A delicious refreshment plate was served, which consisted of chicken salad, olives, potato chips, Cherry tarts and coffee to 16 members and two guests, Mrs. Taylor and Bro. Tipton.

Owlets Win District

The Hedley girls reminded local citizens that Hedley has not just one, but two good teams this year when they overcame Samnorwood Wednesday night in the Quail gym 58 to 54. T. Sanders made 32 points, B. Sanders 19 and Alexander 7. Samnorwood had a 14 point lead at the half, but the Owlets came back in the second half in a big way and pulled the game out of the fire. So Hedley can really celebrate, with both the boys and girls winning the district championship. The girls were to play Wheeler Tuesday night for the bi-district crown.

Lelia Lake School

The Junior Class and the lunch room ladies wish to thank the people of Hedley for their support of activities at the Lelia Lake school the evening of Feb. 27. The profits made from the turkey supper will help considerably toward paying for the new deep freeze already in use in the lunch room. The money taken in on the novelty basketball game will aid the Juniors in putting on a nice Junior-Senior banquet on April 17.

Again, thanks for your help and interest.

Inspection Station

Hedleyans can now get their cars inspected without having to make a trip out of town. Saunders Garage is now an official motor vehicle inspection station, and Mr. Saunders invites the motoring public to call on him at once for inspection, without waiting for the deadline, which is April 15.

Bargain Rates

We now have a bargain rate on the Fort Worth Star-Telegram, eight months, daily and Sunday, for \$10.50. See the Informer today if you are interested in this good daily paper.

Lion Hunter is one of the 312 District Governors who supervise the activities of the 13,771 Lions Clubs located in 91 countries and geographical locations of the world.

Injured In Wreck

D. B. Leach was seriously injured Tuesday afternoon when his car collided with a large van truck on highway 287 near the east city limits of town. He was carried to a Memphis hospital, where his left leg was amputated, and Wednesday morning he was reported doing as well as could be expected.

Basketball News

Fortune frowned on the Hedley Owlets Tuesday night in their bi-district game against Wheeler, played in the Wellington gym. The girls lost 46 to 53, with T. Sanders making 24 points, Alexander 12, B. Sanders 4, Cox 4 and Wood 2.

Regardless of this game, we think the Owlets have done a wonderful job this year in winning the district title, and we are mighty proud of a fine bunch of girls.

Palestine's Two Seas

The Jordan River of Palestine was well named the word Jordan meaning "the descender" for its course runs almost at a 45 degree angle from the mountain where it heads, down to its ultimate goal, the Dead Sea. Along the course of this river in the land of Palestine there are two seas. The first one the river empties into is the Sea of Galilee. Its waters are blue and fresh, green grass and trees grow around it, and in Bible times six or eight flourishing cities were built around it. The waters of Galilee were abundant with fish. Farther south lies another sea, spoken of in the Bible as the Salt Sea and later called the Dead Sea. This sea also receives the fresh, sparkling water of the Jordan, amounting to an average six million tons every twenty four hours. Also a number of smaller streams empty into it, and despite the fact that it has no outlet, the lake rises very little even in time of flood, due to the extreme heat and dryness of the air. No fish live in its waters for strange to say the water is 4 times saltier than ocean water. No trees grow around it, no one lives near it for even the air around it is foul and heavy. The Sea of Galilee gives out as much water as it receives and stays fresh and pure, the Dead Sea gives nothing but hoards all that it receives and is obnoxious to man and beast. This is true also in the lives of people today for a willingness to give and do good to all men is certainly required of children of God.

Don Cox is back at home from Oklahoma City, and is reported doing nicely after his knee operation.

Mrs. H. Mobley is still seriously ill in an Amarillo hospital.

Mr. and Mrs. Frank Lindsey announce the arrival on Sunday, March 1, of a fine little son, weight 4 lbs. 12 oz., who has been named Bobby Frank.
