NO. 26

## Mrs. Helen Williams

Mrs. Helen Kinslow Williams, about 40, former resident of Hedley and Memphis, passed away last Friday night in Bay City after an illness of 18 months. Funeral services were held in Bay City with burial in a Bay City cemetery.

She is survived by her husband, R. D. Williams; her mother, Mrs. C. W. Kinslow Sr. of Memphis; a brother, Bill Kinslow of Eldorado, Ark.; and an aunt, Mrs. Ed Dishman of Clarendon.

She will be remembered here as the former Mary Helen Kinslow.

## Seniors Honored

The ladies of the First Baptist Church entertained the Hedley Senior Class, their room mothers and fathers and the faculty with a banquet last Friday evening in the Fellowship Hall of the church.

"The Wonders of Nature," being represented by the four seasons, was the theme for the evening. The tables were arranged in the shape of an H with each of the 4 legs of the H decorated to represent a separate season. Ceramic figures were cleverly used to compose scenes suggestive of each season with candles, flowers and place favors all appropriate to the season represented.

Mrs. Alva Simmons was toastmistress who graciously introduced the numbers on the program with clever and entertaining comments appropriate to the theme. After the singing of the Doxology, the invocation was given by J. S. Hinds. Mrs. Miller, president of the W M U, gave the welcome, which was responded to by Jimmie Youree, president of the Senior Class.

The toastmistress led the guests in a sing song which included Springtime in the Rockies, The Good Old Summertime, School Days and Winter Wonderland. Pattie Patton was pianist. Mrs. J. S. Tipton read a poem, "I Wish You Joy." Rev. J. S. Tipton, speaker for the evening, gave some timely advice to the Senior Class on conducting themselves through the different seasons of life. J. M. Baker pronounced the benediction.

A delicious meal of tomato juice, baked ham, new potatoes, English peas, spiced apples, pickles, hot rolls, strawberry chiffon pie and iced tea was served by the ladies of the church.

Firestone's race tire program - leads the way to a superior tire for your everyday driving...

Firestone's engineers at trackside carefully record every phase of race tire performance... as these tires are slowly destroyed by rifle-shot acceleration, top-speed turns, panic braking and trip-hammer impacts. All of this exacting data goes to the laboratory. There scientists analyze and evaluate the information. As new designs and materials prove their worth, the improvements go to the factory for incorporation in Firestone's regular automobile tires. That's how Firestone maintains world-wide leadership in tire safety and tire performance.
