Driving Tests

Students of Hedley High School will have an opportunity at 2:00 p. m. Tuesday, Sept. 15, to see for themselves how the false impression and sense of security that a driver of a modern automobile gets, can and does, often lead into the danger zone and trouble, when they participate in a series of driving tests. Mr. Hinds superintendent, announced today.

The tests, which will be in two parts will be given under the direction of Vernon Gayle Director of Safety of the Texas Farm Bureau Safety Department.

The first section will be a lecture while the second will be a demonstration from the Baptist Church east toward the school.

High point of the demonstration will come when driving tests are made with various students and faculty members in the specially equipped car. An electric detonator which is mounted on the front bumper of the car will fire yellow paint bullets to indicate the distance required to stop the car in an emergency.

The driver being tested will be signalled to stop by the report of the first shell. The second will be fired automatically when the brake is applied and the third when the car halts. Distance between the spots of paint will then be measured to determine the reaction and braking distances.

Tests will be limited to 20, 30 and 40 mile per hour speeds because of the danger in making emergency stops at higher speeds. Police officers will be used as drivers in the high speed tests.

As part of a program for safety on the highway, the Texas Farm Bureau Safety Dept. is presenting this driving demonstration and test before the high schools of this state. The program is being brought to Hedley under the sponsorship of Donley County Farm Bureau. The public is invited to attend the lecture as well as the demonstration.

Cotton Festival

The first Cotton Festival meeting was held last Thursday night in the Bank Directors Room with nine present. The ground work was laid, and all committees were appointed. All members are reminded that the chairman of each committee should get their members together, and make plans for their part of the festival, then everyone will have to help put it over.

It was decided to barbecue beef this year, for meals on both days. Also, the prizes for the Bands, Floats, and Old Fiddlers Contest were set at \$15.00 first prize, \$10.00 second prize, and \$5.00 third prize in each event.

The Queen Contest will get started this Thursday night, when all contestants meet with the Lions Club to draw their sponsors, and pick up their tickets on the bale of cotton. The cotton given away will be the first bale ginned at Hedley, weighing over 450 lbs. The Hedley Booster Club will give 40¢ a pound for the bale.

There will be another open meeting for the festival next Thursday night the 17th in the Directors Room at 8 p. m. All interested are urged to be present. We only have three weeks left.

Sodalitas Club

The Sodalitas Club began a new year with a delicious chicken dinner last Thursday at the Owl Cafe. After dinner president Mildred Clendennen gave her message on "Working Together." Everyone really enjoyed our first meeting of the year.

Members present were Mildred Clendennen, Mildred Shaw, Evelyn Messer, Mary White, Mary Haskins, Dorothy Tate, Dorothy Brinson, Geraldine Wiggins, Rexie Word, Arlene Thompson, Betty Morgan, Joy Stewart, Sue Weatherly, Mahdeene DeBord, Ida Lou Dickson and Maureen Doherty. Guests were Frances Cherry, Opal Evans and Margaret Saunders.

Our next meeting will be at Dorothy Tate's.

Garden Club

The Garden Club met for a picnic at the City Park on Tuesday, Sept. 1, at 7 p. m.

The tables were well laden with a variety of choice and well prepared dishes. It was a picnic meal long to be remembered of lovely salads, meats and fried chicken with all the trimmings, iced tea and punch with several kinds of cake and pies.

The occasion was well attended this year with fifteen couples present and a sprinkling of TV and baseball widows.

A wonderful time was enjoyed and all look forward to more enjoyable events in the Garden Club.
