

The Hedley Informer

VOL. 49

HEDLEY, DONLEY COUNTY, TEXAS, SEPT. 25, 1959

NO. 48

Paul V. Wood

Funeral services were held Tuesday morning in Amarillo for Paul V. (Tommy) Wood, 46, who passed away Saturday at his home in Amarillo. Graveside services were held at the Memphis cemetery Tuesday afternoon by Rev. O B Herring.

Mr. Wood was born Sept. 23, 1912, at Memphis, and had worked on the Memphis Democrat and the Amarillo Globe-News. He was a veteran of World War II.

He was a brother in law of Mrs V. C. Wood of San Diego, Calif., the former Pauline Pickett of Hedley.

Tilson To Be Here

Tilson, the Magician, will be here and perform both days of the Festival. Mr. Tilson comes from Matador and most recently performed before the Magicians convention at the Statler Hilton Hotel.

He presents a show of mystery, comedy and illusions with a repertoire of over 50 acts, clean, colorful and spectacular. Also he is one of the few magicians who can present his acts out of doors in broad daylight without a background.

Mr. and Mrs. Tilson will be the house guests of Mr. and Mrs. Henry Moore while here. Be sure and attend the Festival and see this fine magician perform.

LIONS ROAR

The club meets this week at 8 p. m. Our guest speaker is Jeff Henderson, manager of the Childress Chamber of Commerce.

Mr. Henderson makes a very interesting talk, and we also have some Cotton Festival business to discuss, so 100% attendance is needed.

County Fair

We note that G. C. Brinson of Hedley won several places with his poultry at the Donley County Fair in Clarendon last week end. He took first places with best Dark Cornish cock, best Dark Cornish hen, best old pen of three, Black Frizzle, and best young pen of three, Black Rose Combs.

Lelia Lake won first with their community exhibit.

First Cotton Ginned

The first bale of cotton for the season came in last week end to the West Texas Gin. It was brought in by Ronald Castner of Lelia Lake. He brought in 1750 lbs. of seed cotton which made a 460 lb bale with 780 lbs of seed.

The bale was bought by the Hedley Booster Club for 40¢ per lb

Florence Reynolds and Karo Kid Coming

Mrs. Florence (Grandma) Reynolds and her trained horse, Karo Kid, will be here both days of the Cotton Festival.

Mrs. Reynolds of Fritch, an outstanding horsewoman of the Panhandle area, has been riding and training horses since 1920, at which time she was riding with the 101 Ranch Wild West Show.

She and Karo Kid have appeared in many shows in the Golden Spread and recently appeared to a very enthusiastic audience at the Boys Ranch Rodeo.

Be sure and attend the Festival and see Grandma Reynolds and Karo Kid perform.

M. Y. F.

The new year is starting and we want and need every boy and girl in the Methodist Church to work with us on Sunday evening from 6:30 to 7:30. We had nine present Sunday and a very lively program on Being a Christian At School. A skit was put on for our pleasure by Nancy Shaw, Brenda Winn, Sandra Moffitt and Marsha Snelson. Don Cox, president, followed the skit with some thought-provoking questions. We were served Cokes and cookies.

Next Sunday night we will have our monthly outdoor meeting at 6 o'clock in Don Cox's yard. This will be based on We're All On The Team. Be There. Do you have faith and confidence that we can succeed? You will if you plan prayerfully and with determination to be present every time we meet and to make your M Y F a redeeming fellowship and a source of power to the youth of your community.

Mr. and Mrs. L. S. Hardage of Canadian spent Monday night with Mrs. R. B. Ranson.

Khiva Temple Drum & Bugle Corps to Attend Festival

Khiva Temple of Amarillo will send their Drum and Bugle Corps to the Festival this year. They will perform on the street Saturday and be in the Grand Parade at 1 p. m. Saturday.

Furnishing good music with comedy acts and going through their many maneuvers, this was one of the Festival's greatest attractions two years ago and will be among the best this year. Our entertainment committee should be commended on obtaining these fine performers.

Boy's Ranch Beef Club

Murl McCasland, who calls himself The Cattle Rustler, called at the Informer office last week end and issued an invitation to every farmer and rancher in this area to join the Boys Ranch Beef Club.

Every member of the club has agreed to brand a calf each year and raise it for the the boys to eat. The club is an organization of cowmen who have pledged to support the great cause of 'making a good man out of a mixed up boy.'

Boy's Ranch of course needs no introduction to the people of this area, who are well aware of the good work being done there. Any farmer or rancher who would like to join in this good work is invited to contact Mr. McCasland at 2416 Ong in Amarillo.

To Wed Oct. 10

Mr and Mrs. Ross Adamson of Ropesville announce the engagement and approaching marriage of their daughter, Tula Jean, to Moody Dale Hughes. The wedding will take place on Saturday, Oct. 10, at the First Methodist Church at Wolfforth.

Memphis Band Coming

The 58 piece Memphis High School band under the direction of Donald Swain will again be at the Festival. They will march in the grand parade at 1 p. m. Saturday and perform after the parade. Winners of first place in the seven previous Festivals, they will be trying for the eighth win.

Old Settlers Day

Old timers are reminded that Friday, Oct 9, will be Old Settlers Day at the Cotton Festival. Their headquarters will be between the Johnson Dry Goods and the Hedley Variety, and there will be a register for them to sign, as well as cake and coffee for them.

A good program is being planned for the old timers. Among others, State Senator Andy Rogers will speak to them.

Cake Walk

The Hedley Fire Dept. will again sponsor the cake walk at the Cotton Festival. Any lady who will donate a cake for this purpose is asked to contact a member of the Fire Dept so that proper arrangements can be made. Cakes may be left at the Cherry Drug.

Your help will be appreciated very much.

Hedley P.-T. A.

The Hedley P T A will meet in regular session next Monday night, Sept. 28, with a good program. We understand that Miss Mary Foreman will be speaker and Mrs. Roy Young is expected to bring a tumbling act by her 6th and 7th grade students.

All parents and interested patrons of both Hedley and Lelia Lake are cordially invited to attend this meeting.

Notice

Old pictures and clippings are wanted to put up for Old Settlers Day at the Cotton Festival Oct 9.

Bring them to Mrs. S. G. Adamson if you have anything that can be used.

Thanks to several good friends, the Informer family has been enjoying some mighty good corn, tomatoes, watermelons, pumpkins, kershaws, etc. Anyone wishing to donate more of the same is welcome to do so.

Mr. and Mrs. Geary Reckling of Plainview announce the arrival on Thursday, Sept 17 of a fine little son, weight 8 lbs. 14 oz. Mrs. Reckling is the former Anna Belle Bailey.

James Reid and family were here from Amarillo last week end.

Announcement

Citizens of this area again have an opportunity to contribute to a very worthy cause, the Hedley Civil Defense unit. Please see any member of the Civil Defense unit or the Fire Dept. for details.

It should be pointed out that this community now has by far the best equipment it has ever had for fighting fires, particularly rural fires. Perhaps the best feature of the enterprise is that the unit is paying for all its equipment through voluntary contributions, and no cost whatever has been charged to the taxpayers. The unit also pays for its own gasoline, none of which has been charged to the City.

This is a unit of which the community may be proud, and everyone who would like to help in a financial way is hereby invited to do so. As stated above, any member of the Civil Defense unit or the Fire Dept. can give information as to details.
