Clean-Up Time

The rains came and they were nice. Crops, gardens, flowers, and grass are growing, which is also nice.

However weeds are growing also which isn't so good. Weeds mean more flies and mosquitoes, both of which carry germs. Germs thrive on filth. If we cut our weeds and clean up our premises there would be very little danger of an epidemic in Hedley.

Hedley needs a general clean up starting with the business district, City Hall, School, Lions, Masons, Legion and other organizations as well as our homes. Something needs to be done to vacant lots. The City will cooperate to the full extent of their time and funds. Let's clean up before the health department tells us to.

Clifford Johnson, Mayor

Top o' Texas Rodeo

An official American Quarter Horse Show will be held this year on Thursday and Friday, August 4 and 5, beginning daily at 1:00 p. m. in the main arena at the rodeo grounds. Fifteen Halter Classes will be judged, as well as four performance classes, with appropriate awards in all divisions.

A giant street parade on Tuesday afternoon, August 2 will be held in downtown Pampa to officially get the world's finest amateur show underway.

The Buck Birdwell family of Odessa visited in the Roy Alexander home last week.

Notice

The Informer for July 22 is being printed a week early so that the editor can attend the firemen's training school at Texas A & M College.

This will cause some news items to be delayed, of course. We will try to pick all these up for the July 29 issue.

New Stock Law

The Texas Department of Pub-
lic Safety has reminded Texas cat-
tle owners that a new law went in-
to effect July 1 aimed at controll-
ing livestock on designated US
and state highways.

The new law makes it illegal for
a person knowingly to permit his
domestic livestock to roam at large
and unattended on state and federal
highways. It applies regardless
of whether or not the highway
right-of-way is fenced. Maximum
fine for such violation is \$200, and
each day the violation occurs may
be considered a separate offense.

Farm to market roads are ex-
cepted from the law. The new
law also gives law enforcement of-
ficers the authority to have such
livestock picked up, when unable
to locate the owner, and turned
over to the sheriff or constable in
the county.

The law does not prohibit the
driving or herding of livestock
across or along highways. It gives
peace officers the authority to en-
force provisions of the act with-
out a warrant.

Col. Homer Garrison, Jr., direc-
tor of the Texas Department of
Public Safety, said state patrol-
men will enforce provisions of the
law in an effort to reduce the traf-
fic hazard caused by animals on
designated state and US high-
ways. He said that during the
year 1959 a total of 1406 rural
traffic accidents occurred in Texas
involving animals of all types. In
these accidents 216 persons were
injured and 4 persons were killed.
