## Greenbelt Dam News

Last week the City Council of Childress voted unanimously not to call a \$648,000 water improvement bond election for that city. They agreed to wait until they received a copy of the Greenbelt Water Authority report from Freese, Nichols, and Engress, engineers for that authority.

The coring of the river at the Greenbelt dam site was completed, and the data turned over to the engineers some six weeks ago. They are preparing a report on the cost of the proposed dam, amount of land the lake will cover, the approximate cost of that land, the cost of a filter plant, cost of pipe lines, and the cost of right-of-way for the pipe lines. They will also compute the amount of water each city in the authority has been using in the past, the probable amount of water that would be sold to these towns, and the cost of filtered water to each town, per 1000 gallons.

After the report is received, there will be two more elections necessary. One will be necessary to contract to purchase water from the Greenbelt Water Authority, and another to vote the bonds. Both elections could be held at the same time.

Herbert C. Petry Jr., Chairman of the Texas Highway Commission stated in a recent letter, that the proposed Hedley McLean highway which would cross the river just below the dam site, will have full consideration of the Highway Commission.

## Lelia Lake-Hedley PTA

The Hedley-Lelia Lake PTA will have its first meeting of the year Monday evening, Aug. 22, at 7:30 in the Hedley City Park with a watermelon feast. Everyone is urged to be present for this "get acquainted" meeting. Members of the membership committee will be there to enroll members for this year.

## School Opening

Supt Mack Bush has announced that the local schools will open the 1960-61 term on Monday, Aug. 22. Busses will run on the usual routes. Parents not living on one of these scheduled routes should notify the superintendent if they desire their child to ride the bus.

There will be an assembly Monday morning after which students will be issued books, make out their schedule and attend classes. School will be dismissed at 3:00 P. M. Beginning first graders are reminded to bring their birth certificates or photostatic copies.

There will be a general faculty meeting Saturday afternoon at 2 P. M. Assignments will be discussed at this time. Textbooks will be issued to teachers and there will be a short discussion about a group plan of insurance.

Besides Supt Bush, the present faculty for the Hedley schools includes Billy White, principal and coach, Mrs. G. E. Lacy, J. M. Baker, Connie DeBord, Doyle Messer, Mrs. Messer, Mrs. Shields, Miss Hazel Coursey, Mrs. Lee Shaller and Mrs. Ed Boliver.

The faculty for the Lelia Lake school includes Dale Ayers, principal, Mrs. Anita Thurman, Mrs. Rachel Butler, Mrs. Roy Young and Mrs. C. H. Moss.

These special teachers will also be available in both schools on a part time basis, Miss Mary Foreman and Mrs. Faye Pinkerton.

The following schedule will be recommended for Hedley High School students:

Freshmen: English I, World History, General Math or Algebra I, Vocational Ag or Home Economics, P. E., Study Hall,

Sophomores: English II, Algebra I or II, Vocational Ag. or Home Economics, Biology, P. E., Study Hall or Commercial Work.

Juniors: English III, American History, P. E., Vocational Ag or Home Ec., Physics or Chemistry, Algebra II or Geometry, Commercial Work, Study Hall.

Seniors: English IV, Texas History and Government, P. E., Physics or Chemistry, Commercial Work, Algebra II or Geometry, Study Hall.

Seniors are reminded that they must have 17 credits for graduation. These credits must include 4 of English, 3 of math, 3 of History, 2 of Science, 2 of P. E., and 2 Vocational.

## Insurance Credits

Hedley will receive a 3% insurance credit on the town's Key Rate, which will amount to 2¢ per hundred on all insurance in the next few days. This credit was granted after the fire chief attended, and passed an advanced fire fighting course at College Station recently. This reduction will be noticed as your insurance policies become due, and are renewed.

Coupled with the 10¢ credit the State Insurance Department has already given our Fire Department for its efforts, this will reduce the Key Rate from 80¢ to 68¢. A credit will also be due soon for cleaning, greasing, and painting the fire plugs, and a 2¢ credit for having 65% noncombustible roofs in the residential area. This could be reduced another 2¢ if we had only 10% less wooden roof buildings. Outbuildings count as well as dwellings. You could help the rate by tearing down any useless wooden roofed outbuildings.

The town only needs two more blocks of paving to have its commercial district covered, which would give another 2¢ credit. It is hoped that these two blocks can be paved soon. Hedley's Key Rate can't be cut 39¢ at a time or even 10¢ at a time. It must be done penny by penny, with everyone cooperating to help decrease the fire risk in our community. Every cent taken off the Key Rate today will save you money for years to come.

## Board Meeting

There will be a school board meeting on Friday, August 19, to discuss and approve the budget for 1960-61. Interested patrons and taxpayers are invited to attend. The meeting will be in the high school library at 8:00 P. M.

## Card of Thanks

To our many friends and neighbors, who so faithfully and prayerfully helped and comforted us through the illness and death of our wife and mother, we wish to express our heartfelt thanks. To all those who helped in any way your loving deeds and tender sympathy will always be remembered.
