VOL. 50

HEDLEY, DONLEY COUNTY, TEXAS, SEPT. 2, 1960

NO. 45

Explanation For Right-of-way Warrants

About a year ago the Texas Highway Department told the Commissioners' Court that they were planning a divided highway from Clarendon to the Armstrong County line to connect with the present divided highway in Armstrong County. The Highway Department officially requested that Donley County make preparation for the furnishing of the right-of-way.

After deliberations for about a year the Commissioners' Court has decided to enter into the program for the new highway as planned by the Highway Department.

The County must purchase the entire right of way on the State appraised valuations of approximately \$60,000.00. After the acquisition of the entire right-of-way the Highway Department will then reimburse the County for one-half of the total acquisition cost, which will leave the County owing approximately \$30,000.00. The warrants in the total amount of \$60,000.00 has to be originally issued however, since the County is out the entire first acquisition cost prior to its being reimbursed the one-half such amount. The reimbursement from the Highway Department to the County for its one half share of about \$30,000.00 will take between four and six weeks.

The balance of the amount which the County will finally owe of about \$30,000.00 is to be paid at the rate of \$3,000.00 per year beginning on May 15, 1961, out of the Road and Bridge Fund of the County, which comes from annual license plate fees and registration of automobiles, and it is not contemplated that any other taxes will ever be necessary to discharge this obligation. The two banks in Clarendon and the bank here in Hedley have agreed to loan the County the \$30,000.00 at a rate of five per cent.

If any person has any questions that they would like to ask about this matter, the Commissioners' Court would appreciate hearing from you. This is the first step in a divided highway through the entire County. The next step will be from Clarendon to the Hall County line.

NOTICE OF INTENTION TO ISSUE WARRANTS FOR RIGHTS-OF-WAY TO THE RESIDENT PROPERTY TAXPAYING VOTERS OF DONLEY COUNTY, TEXAS

TAKE NOTICE that on the 12th day of September, 1960, the Commissioners' Court of Donley County, Texas, will pass an order authorizing the incurrence of claims and accounts against the Road and Bridge Fund of the County for the purpose of acquiring and purchasing lands necessary for the rights of way in respect of U. S. Highways and Texas State Highways in said County, and to defray all expenses incidental thereto, and which said proposed indebtedness will not exceed the principal sum of Sixty Thousand and no-100 Dollars (\$60,000.00).

FURTHER TAKE NOTICE that by the same order the said Commissioners' Court will authorize the issuance of time warrants, bearing interest at the rate not exceeding 5% per annum for the purpose of paying and cancelling the indebtedness evidenced by such claims and accounts against the Road and Bridge Fund of the County and which said time warrants will mature serially over a period of years, the maximum maturity date to be the 15th day of May, 1981, and the said Court will levy a continuing direct annual ad valorem tax out of the Road and Bridge Fund Tax authorized by Section 9, Article 8 of the Constitution, for the purpose of paying the principal of and interest on the indebtedness hereby proposed to be created, and which said indebtedness will be in due course represented by such time warrants when and as the same are issued and delivered.

THIS NOTICE is issued pursuant to that certain order passed by the Commissioners' Court of Donley County, Texas, on the 20th day of August, 1960, which order is recorded in Volume 8, page 78, et seq., of the Minutes of said Court, and such order is hereby adopted by reference and shall be considered as much a part of this notice as if incorporated herein in full detail.

WITNESS MY OFFICIAL SIGNATURE this the 20th day of August, 1960.

County Judge,

Cotton Festival

The first meeting on Cotton Festival activities was held last Friday night. Only a small number showed up, but full discussion was held on all items, and the planning has started. The first promotion was started by ordering the window cards, and auto bumper strips for advertising. It was decided to charge 25¢ each for the strips, which is quite a reduction from the \$1.00 charged at the first Festival. They will be available within the next few days at the Security State Bank. Be sure to buy one for both front and back bumpers.

The next organization meeting will be held tonight, Thursday the 1st, at 7 p. m. Again we note this is in conflict with other activities, but the meeting must be held. We only have about a month to have everything in shape, and we're already behind. Lion President H. L. White urges everyone to be present. Please don't fail to attend, then proclaim to the public that the festival isn't carried out properly.

Boys Ranch Rodeo

Two hundred sixty-one boys at Cal Farley's famous Boys Ranch are working hard every day to complete plans, preparations and practice for the biggest Labor Day event in the Golden Spread, the 16th Annual Boys Ranch Rodeo, September 4th and 5th.

All indications are that this nationally-known rodeo will be the fastest, most competitive and thrilling the boys have ever had and in anticipation of a record-breaking attendance at the two-day show, 1000 more seats are being installed.

Only Boys Ranchers will participate in the riding and special events and through a series of elimination contests, the top eighty riders will be selected to compete for points and prizes to be awarded under R. C. A. rules.

Boys from eight to eighteen will ride in calf, steer, Junior and Senior bull and bronc busting competition; the clowns and special attraction participants will be Boys Ranchers and hundreds of behind-the-scenes activities will be handled by the boys themselves.

Featured at both performances will be the military band from Amarillo Air Force Base, representatives from various riding clubs throughout the Panhandle and surprise attractions.

Both performances will be held on Sunday and Monday, September 4th and 5th, beginning at 2:30 each afternoon. Admission will be 75¢ for children, \$1.50 for adults and \$2.00 reserved section. Proceeds from the rodeo will go to help the Boys Ranch expansion program.
