## Nazarene Giving Sets New Record

The Church of the Nazarene increased its per capita giving to \$144 in 1961, a denominational record. The increase was nearly \$2 a person over the preceding year when the denomination ranked first in the nation in per capita giving among Protestant churches with 100,000 or more members.

Giving for all purposes in 1961 climbed to a record \$47,122,000, an increase of \$1,772,000.

The annual statistical report by Dr. S. T. Ludwig, Kansas City, Mo., general secretary, showed the membership increased to 326,870. This was a net gain of 8,732, a gain of 2.6 per cent which was some higher than the preceding year.

Dr. Ludwig said that another 55,000 Nazarenes in foreign lands gave the church a total world membership of 382,000.

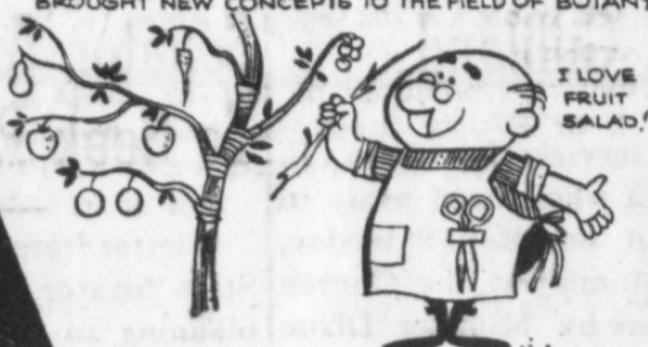

Special offerings for world missions at Thanksgiving and Easter each exceeded \$1,000,000. The Easter offering of \$1,195,000 was a denominational record.

### A. S. C. News

According to Mr. Cooke, Chairman of the County ASC Committee, the 1961 Feed Grain Program did what it was intended to do. Some of the accomplishments are:

1 Farm income is up 1 billion dollars; and

2 It brought about the first cut in over supplies in 9 years. A drop in the carryover is certain, maybe about 5½ million tons.

3 A 500 million dollar savings, over several years, in storage and handling costs, compared with what those costs would have been without the program. Largest costs to the Government are the storing, shipping, handling, etc., of grain the Government takes over. So the grain not taken over this year will result in a saving.

4. At the same time, the feed grain program held down a build-up of supplies.

Enjoying a big Christmas dinner with Mr and Mrs. O. F. Messer for the first time in over 12 years were Mr. and Mrs. Jim Hudson, Maxie and Krista of Amarillo, and Mr. and Mrs. Doyle Messer, Angela, Lyndon and Stuart of Hedley.

Spending the holidays in the J L Cheaser home were Mr and Mrs Floyd Noble and children of Shiprock, N Mex, Mr and Mrs Don Cope and children of Littlefield, Mr and Mrs Allan Cope of Memphis and Mr and Mrs Frank Griffith of Muleshoe.

Jim Moore and family of Orange spent Christmas in the Oscar Moore home.

THROUGHOUT 1961

WTU HAS SAID...

"The Center of the Southwest  
faces Growth Unlimited"

We believe this to be a fact because the Southwest is growing 25% faster than the Nation, and our service area is the heart of the region.

What's more, we are convinced this growth will continue, because expansion of commercial, industrial and agricultural activities all point that way.

On our part we are backing up this belief in coming growth with a multi-million-dollar expansion program. Our service facilities are being increased today, to serve more people, more businesses, more industries tomorrow.

Yes, for all of us, there's GROWTH UNLIMITED ahead.
