THE BOVINA BLADE

VOLUME 2, NUMBER 34

## Whittlin'

By Dolph Moten

Tell me quick: Who's the temporary senator from Texas? And that goes double for political debaters. 'Tis surprising how many folks don't know the fill-in's name. A fellow called me from Bovina Schools a few days ago and ask me who said senator was. How many people he asked at school, including teachers, I don't know. Possibly he didn't ask any.

I thought at first it was a joke. Then I realized the question was one of a serious nature. Since that time I've found there's several people in the dark concerning the name of one of the men representing Texas in the U. S. Senate.

And don't laugh. I daresay the odds are good that you don't know who he is either.

Don't read on to find out his name. I'm not going to tell you. If you don't know by now, you probably don't want to clutter your brain with such an incidental part of Texas history.

Something else I bet you don't know. That is who's going to replace the man after the special April 2 election. But don't worry about not knowing that—alot of people would like to know the answer to that one.

On the local scene, it seems that everyone has a candidate. To start with I favor Yarborough. W. H. Graham Jr., fellow Parmer County newspaperman, has announced he favors the present congressman-at-large, Martin Dies. And a news story in this issue of The Blade announces that Penny Anderson, local elevator man, has been named Parmer County campaign manager for Searcy Bracewell.

From here, it looks like a "pay your money and take your choice" sort of race.

One individual who hasn't jumped on anyone's side as of yet is my mixed-up, split-ticket, political-talking, friend, Hubert Ellison. He says its too early in the race for him to have a choice.

He did mention that he had already mentally marked off one of the entries in the race. I didn't bother or take the time to ask him who that one was. When and if Hubert and I agree on a political question, I'll buy the coffee. Provided... the Republican party isn't in office so long I don't have or can't get the money to pay for it.

And speaking of Republicans, Dollar And A Half Maize, here we come.

I thought we tried that once and didn't like it.

Was fortunate enough to be on hand at the Texas Tech-SMU basketball game, which Tech came from behind to win by one point, Saturday night at Lubbock.

It was a thriller throughout and as climaxed by near-riot by SMU players at the game's end.

Having been married past the honeymoon stage, I seldom think my wife's remarks are especially witty. However, I couldn't hold back a grin when she kept referring, in after-game conversation, to SMU's six foot, eight inch center, Krebs, as "that giant."

Now would possibly be a good time to make predictions concerning the outcome of the District 3-B tournament. However, I'm saved by the fact that the event will already be underway by the time you're reading this.

Though it's sorta against my principle to write against Bovina and for another town, I'll tell this one story. It was told me by Mrs. June Rhodes, local third grade teacher.

Mrs. Rhodes has a new girl in her room, who, according to the story, just recently moved here from Plainview. Also, the girl, as youngsters sometimes do, talks fast.

One day on the playground she approached her teacher with, "Mrs. Rhodes I wish we'd move back to Plainview. I just don't like this town. Mrs. Rhodes, do you know what's wrong with Bovina?"

"No, what is wrong with Bovina?"

"It's just too short!"

Willie keeps reminding us that this—1957—is the year the big drought is to be broken. He also observes that this Spring-like weather we've been having is just a teaser and there's more winter yet to come. As a matter of fact, he makes both these statements in his ad this week.

Be the warm weather a teaser or no, it's started baseball talk among local fans of the game. And the (Continued on Last Page)

# District 3-B Tourney Underway

## \$40 Given Away At BB Drawing

A total of \$40 in two awards was given away Saturday afternoon at Boost Bovina Drawing in downtown Bovina.

Margaret Minter was the "big" winner. She was the recipient of the \$30 prize. Charley Ramirez won \$10.

Mable Ellison's name was called for the \$5 award. However, she was not present.

The drawing, which is sponsored by Bovina Jaycees and local merchants, will be held again this week at 4:30 p. m. It will be for \$10, \$10 and \$15.

## Grand Jury To Convene Monday

A special session of the Parmer County Grand Jury has been announced for Monday, February 18. The meeting of the jurors has been called for investigating 15 criminal cases, according to Chas. Lovelace, county sheriff.

Too, a petit jury list has been announced for the district court session which begins Monday. District Judge E. A. Bills will be on hand to try several civil cases and quite likely some of the individuals indicted by the grand jury. Both the grand and petit jurors convene at 10 a. m.

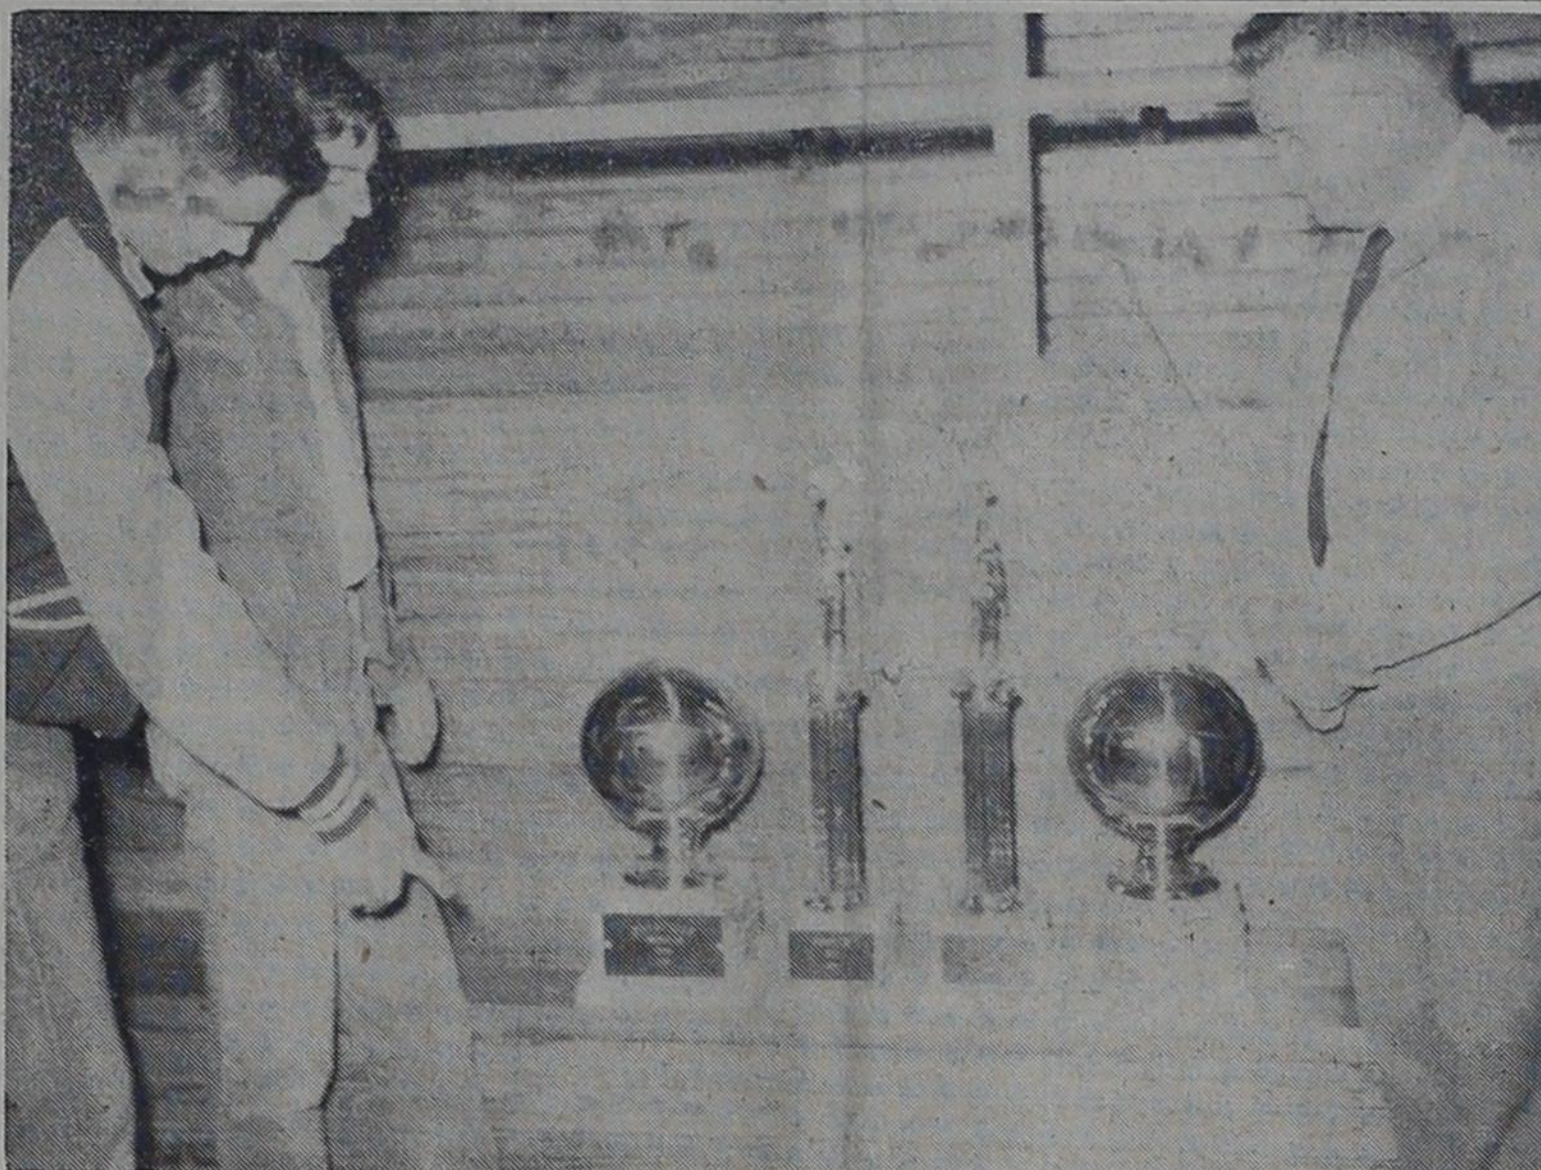

Several persons, charged with various offenses in the county, are now in custody at Farwell and their cases are to come up for grand jury action. The large number of cases pending is the reason for the summoning of the grand jury, Lovelace says.

Regular meetings of the grand jury are scheduled only in October and March, however, the jurors are subject to call at any time.

The grand jurors summoned are:

Dalton Caffey, Tom Atkins, H. T. Edwards, W. L. Edelman, T. E. Rhodes, E. M. Ware, Lee Jones, Clyde Goodwine, Clyde Magness, Clyde Hays, Virgil Woodson and Jack Smith.

The 60 petit jurors are: Mrs. Don H. Williams, Jack D. Patterson, E. R. Coffman, Claude (Continued on Last Page)

TOURNAMENT TROPHIES — Looking over District 3-B trophies which will be awarded after the current tournament ends are Tom Ware, Mustang forward; Duane Rea, manager; and Coach Bob Willis. The basketball-type trophies on the extremes will be awarded to boys and girls first place teams. Those in the center will go to runners-up. Also, awards will be made individually to members of the All-Tournament team.

## By School Board—

# New Tax Assessor Is Hired Thursday

Bovina School trustees named Mrs. Roy B. Dodson to succeed Mrs. Letha Turner as tax assessor-collector of Bovina Independent School District at a meeting at the school Thursday night.

Mrs. Dodson, who with her husband and 15-year-old son, who is a freshman in high school, recently moved here from Spade. Dodson is engaged in farming.

A spokesman for the school board says Mrs. Dodson was selected from a field of 14 candidates because of her experience. She has a total of more than eight years in tax business. She served five years with school tax office in Olton and three years

with county tax office in Olton. For the past seven months she was employed at county tax office in Littlefield.

Mrs. Dodson will assume her duties in the school tax office in First National Bank building March 1.

Mrs. Turner, who resigned because she was moving out of the school district, has worked in the position for two years.

Also at the Thursday night meeting, the trustees re-appointed members of the equalization board. They are Charlie Calaway, Carl Schlenker, I. W. Quickel, Walt Verner, Carl Rea, and Gene Ezell, alternate.

The equalization board will meet formally sometime this summer.

# Mustangs Win, Fillies Lose

Basketball fans attending the first two sessions of the annual District 3-B Tournament last (Tuesday) night at Williford Gym got their money's worth. Both sessions were highlighted by a game that was decided by a two point margin.

Bovina's Mustangs knocked off favored Lazbuddie in the opening boys game, 34-32. Lazbuddie girls squeaked past a determined group of Nazareth Swifties in a double overtime, 71-69.

The Bovina Fillies lost to the Happy Cowgirls 56-33 in the tournament's opening game. In the evening's final, Adrian boys, district round robin winners and tournament favorites, shoved Happy into the "also ran" column with an easy 65-34 victory.

Fillies 33-Happy 56 The Cowgirls from Happy, girls co-favorite with Lazbuddie, had

## BVFD Snuffs Out 3 Bovina Fires

Bovina Volunteer firemen answered calls to three Bovina fires Friday and Saturday and were successful in extinguishing all with little damage done.

The series of fires started about 11:30 a. m. Friday when the ceiling of Claude Lyles' trailer house on Avenue D caught fire from the house's heating unit. Firemen arrived at the scene before the fire could get "a good start" and put it out quickly. Little damage was done.

Before the truck could be put back in the fire house after the trailer house fire, a flame in a pile of debris on the south side of Cicero Smith lumber yard was discovered. This fire, too was quickly extinguished.

Saturday afternoon at 1:30, the department again went into action. This time to a cotton burr fire just north of town at Suddrith feed lots. For the third time in two days, the firemen were successful in putting the fire out before a considerable amount of damage could be done.

to come from behind to down Coach R. E. Everett's Fillies. The locals led 12-11 at the end of the first quarter.

However, the winners pulled to a safe lead in the second period and held it the remainder of the game. At the half, the score was 25-16 and at the three-quarter mark, it was 43-22.

The Fillies played without the services of Joanie Ezell and Sue Moody, both forwards. They were out with injuries.

Janice Richards led Bovina scoring with 18 points. Nancy Cumpston had seven, Ellen Berry, six, and Joyce Lorenz, two.

Sluder led the winners with 22 points.

Mustangs 34-Lazbuddie 32 Coach Bob Willis' Mustangs, who have lost more than their share of close games during regular district play, finally saw their luck change.

The Longhorns, runners-up in district play, led during the two middle quarters, but they allowed the host to tie the score late in the final period and Neil Smith, star Mustang marksman, laid in a crisp shot just as the final buzzer sounded to give Bovina its first win against district competition.

The Ponies led at the end of the first quarter, 9-6. They were trailing 21-16 at the half-way rest stop and 27-24 at the end of the third period.

Two minutes deep in the fourth quarter, Bovina crept to within two points of the Longhorns. The score was 28-26. The score was tied at 30-30 with four minutes remaining. Then, the Mustangs went ahead 32-30. It was tied 32-32 with two minutes left until Smith made his game-winning shot.

Smith was the game's leading scorer with 17 points. Phil Caldwell had six, Dick Horn five, and Marvin Young, Ramey Brandon, and Billy Burnam had two each. Gilmore and Jones led Lazbuddie with nine each. Watkins had (Continued on Last Page)

## Mayor Proclaims—

# February 16-23 Is FFA Week

### MAYOR'S PROCLAMATION

WHEREAS, Bovina Chapter of Future Farmers of America, under the advisorship of Roy M. Crawford, is active here and is extremely beneficial to our youth and to the future of our community and,

WHEREAS, the week of February 16-23 has been designated as National FFA week, now,

THEREFORE, I, J. E. Sherrill, Jr., mayor of the City of Bovina, do hereby proclaim the week of February 16-23 as FFA week in Bovina and urge my fellow citizens to join me in observing said week.

(signed)

J. E. Sherrill, Jr.  
Mayor  
City of Bovina

February 16-23, national FFA week, has been proclaimed as such in Bovina by J. E. Sherrill, Jr., mayor.

The local chapter, under the advisorship of Roy M. Crawford, will observe the week by presenting an assembly program at the school during the week. Also, plans call for the program, which is titled "Building the Emblem," to be presented at a Lions Club meeting.

Too, plans are being made for the chapter to erect a marker on Robert Read's property one mile west of town on Highway 60. The marker, to be constructed of concrete blocks, will be 16 inches thick and 40 inches wide.

A sign on the marker will display the FFA emblem and will have the word "Bovina" above the emblem and the word "Welcome" below. The marker will be constructed sometime during FFA week.

Long range plans call for similar markers to built east of town on Highway 86 and east on Highway 60. Approximate cost of each marker will be \$50, Crawford says.

James Stevens is president of the local chapter. Other officers are Kent Glasscock, first vice-president; Ferman Kelso, second vice-president; James Lawlis, third vice-president; Duane Rea, secretary; Mike Barraza, reporter; Dickie Steelman, sentinel; Donald Jones, historian; and Don Bandy, parliamentarian.

FFA WEEK — J. E. Sherrill, Jr., center, mayor of Bovina, is pictured signing a proclamation that February 16-23 will be FFA week in Bovina. James Stevens, Bovina chapter president, is on the right and at the left is Roy M. Crawford, advisor.

## In County—

# MOD Over \$3000 Goal

Parmer County's 1957 March of Dimes contributions total \$3,102.34. This exceeds slightly the \$3,000 dollar goal, according to Raymond Euler, campaign director, who says he is well pleased, and wishes to express appreciation to all who directed community drives, as well as others who contributed.

Here is the report by communities, partially broken down:

Rhea—Jack Patterson, chairman, \$77, direct solicitations; Black—Mrs. Woodrow Whitaker, chairman, \$391.01, mostly from the supper and auction, balance from

coin collectors in business places. Lazbuddie—Mrs. Joe Jesko, chairman, grade school, \$53.48, high school, \$8.30, basketball game and "42" party, \$55.12, coin collectors, \$14.85, total, \$131.75.

Bovina—A. J. Ellison, chairman, Women's Study Club mother's march, \$143.21, Lady Gaines cake and coffee sale, \$126, Bovina JC's (telethon) \$556, Bovina Schools \$112.07, and coin collectors \$119.17, total \$1056.45.

Friona—Mrs. Leonard Coffey, chairman, elementary school \$137. (Continued on Last Page)

# More Money Needed For County FM Roads

With the ever-increasing cost of acquiring the right-of-way for Farm-to-Market roads staring them in the face, along with the fact that Parmer County has received a considerable amount of black-topping in the past two years, the county commissioners are presently faced with a problem.

More money is needed in the right-of-way fund if the county is to continue to accept the farm roads which are included in the state highway department program, county officials say.

There are several ways which the county can raise the money and they have presented the road situation to the citizens of Parmer County. The problem which they are facing has been explained in an advertisement elsewhere in this issue and the commissioners ask that all county citizens take time to read it.

The road problem came up at the regular meeting of the commissioners court Monday. It was emphasized that something would

have to be done about getting more money for accepting farm-to-market roads. Also, the possibility of sometime constructing four-lane highways on 70-84 and 60 was discussed.

However, the highway expansion was secondary and the commissioners were of the opinion that farm-to-market roads would be more beneficial to the county as a whole than would the four-lane highways.

For the past two years this county has received an average of 16 miles annually. While there is no assurance that Parmer will continue to receive this much, it seems likely that each year there will be a comparable number of miles included in the program.

Since the road program got underway 10 years ago, the right-of-way fund has been adequate for accepting roads received, but recently \$15,000 has had to be borrowed to replenish the depleted fund. This money has to be paid back, along with obtaining right-

of-way for roads already approved for future years.

The commissioners have proposed a 30-cent hike in the tax rate, which is now 95 cents per \$100 valuation. The revenue from the 30-cent increase would put more money in the right-of-way fund. To do this, a vote of the people will be required and the commissioners are contemplating an election.

Another way of raising the money would be an increase in the property valuation. This could be done without the vote of the people, but if it were, the tax rate would remain the same and the increase would also boost the revenue in other funds.

Under the present structure the tax rate reads: jury fund, 5 cents; road and bridge fund, 20 cents; general fund, 55 cents; right-of-way fund, 10 cents; and permanent improvement fund, 5 cents.

All of the funds other than the right-of-way are currently satisfied. (Continued on Last Page)

**THE BOVINA BLADE**

DOLPH MOTEN, EDITOR & PUBLISHER

Second-Class Privileges Authorized at Bovina, Texas  
Published at Bovina, Texas, Every Wednesday

**WILL WE MISS IT?**

Are we going to let the enthusiasm for paving a part of Bovina's rough, bumpy streets get away?

Talk concerning paving was revived a few weeks ago when Bovina city commissioners agreed to pass a paving law. But with no further announced developments, the talk, as well as enthusiasm, is slowly dying away.

And to aid in the pavement idea's death is the fact that two of the three city commissioners' terms will expire in just a few more weeks. New men, coming onto the board, will understandably be handicapped because of the newness of their duties. We estimate that our paving program, if we were going to have one, will be "set back" by some six months.

This handicap could, of course, be overcome if enough citizens and property owners were interested in getting a paving program underway. However, it seems doubtful that such will happen. If the people were going to lead the way for paving they would have already done so.

But Bovina needs paving. It needs it in the worst way. And there's no reason, except for the ever-present procrastination, for not having it.

It will, we fear, take a tremendous amount of time, work, worry, and salesmanship to promote a paving plan. But it must be done if we're going to stay even nearly abreast of the times.

The quicker the job is started, the prouder we will all be of ourselves and of our town.

**WMU Has Royal Service Program**

Members of Women's Missionary Union of First Baptist Church met Tuesday afternoon of last week in the church annex for a Royal Service Program. The opening song by the group was "From Greenland's Icy Mountains." Mrs. Virgil Goodwin led the members in the opening prayer.

Program was under the direction of Mrs. Ovid Lawlis, who spoke on YWA, or Young Women's Auxiliary of the Baptist Churches: its duties, responsibilities and rewards to a young woman belonging. The program honored the YWA which is celebrating its 50th anniversary this year.

Mrs. R. N. Williford gave the devotional in the form of scripture readings and was followed by a prayer by Mrs. J. O. Combs. Others taking part on the program, in the form of a playlet emphasizing the history, present and future of YWA, were Mrs. Arnold Hromas, Mrs. Wayne Garth, Mrs. Leslie McCain, and Mrs. Roy Fuller. The closing prayer was given by Mrs. P. A. Adams.

Hostesses for the afternoon were Mrs. Alva Hudson and Mrs. J. D. Kirkpatrick. They served refreshments of cake, coffee and soft drinks. Others present were Mrs. Don Murphy, Mrs. W. W. Wilcox, Mrs. R. G. Sparks, Mrs. Jack Morris, Mrs. Eddie Hutto, Mrs. J. A. Taylor and Mrs. Henry Minter.

**Baptist Pastor Is Host Monday**

Rev. and Mrs. Virgil Goodwin were host to a Preachers Fellowship, held in the First Baptist Church, Monday, February 4. The social was in the form of a noon meal which featured turkey and dressing.

Rev. and Mrs. Goodwin furnished the staples and the guests each brought a covered dish.

The fellowship guests included the preachers and wives and music and education directors and wives from about 20 churches of this district. There were 32 guests for the day.

A popular male quartet, "The Internationals," from Wayland Baptist College International A Cappella Choir, will appear Tuesday night at the First Baptist Church as part of the program for the Junior-Senior Banquet. This ensemble has traveled widely including more than 3,000 miles last fall, which took them on a tour through the midwest with concerts as far north as Kenosha, Wisconsin, and in Chicago, St. Louis and Kansas City. The group is made up of (back) Earl Nance, Denver City; Larry Horrell, Vega; (front) Harlon Reece, Plainview; and Darel Walsler, Lytle.

**Junior-Senior Banquet Planned For Feb. 19**

The annual banquet honoring members of the Junior and Senior classes of Bovina High School will be held Tuesday evening, February 19, in the fellowship hall of the First Baptist Church. The formal banquet will be given by the members of the Woman's Missionary Union of the church.

Speaker for the evening is Bryan Robinson, dean of Wayland Baptist College at Plainview, and the program will also feature vocal selections by "The Internationals," also from Wayland College, and members of the A Cappella Choir there.

**Attend Funeral In Lubbock**

Mrs. C. E. Stevens received word Wednesday evening of the death of her sister's husband, John Boyd of Lubbock. Boyd died suddenly Wednesday afternoon. Funeral services were held Friday afternoon in the First Baptist Church of Lubbock. Mrs. Stevens, accompanied by her son and wife, Mr. and Mrs. J. D. Stevens, attended the services.

**Marzie Lynn Circle Plans Valentine Party**

As an outgrowth of study now in progress, members of Marzie Lynn Circle of Bovina Methodist Church made further plans for a Sweet-heart party and Valentine supper for members of Methodist MYF at a regular meeting last week. The formal dinner is to be held in the church fellowship hall Wednesday evening at 7.

Mrs. Billie Sudderth was in charge of the program for the day and continued the study and discussion of the book, "Youth in a Responsible Society—A Christian Concern." This was the third in a series of meetings devoted to this

**Young People Go Skating Thursday**

Members of the Junior League of the Methodist young people were hosts Thursday evening for a skating party. The group, with their many friends, met at the church early in the evening and drove to Friona for an evening of skating. Afterwards, they came back to Bovina and ate supper at Bovina Restaurant.

Adults who sponsored the evening were Mrs. W. R. Beard, Mrs. G. D. Anderson, Jr., Mrs. Amos Shockley, Mrs. Bob Wilson, Mrs. Thomas Beauchamp, and Mrs. Eddie Redden.

Among the youngsters present were Dickie Clayton, Gary Stevenson, E. L. McCutchan, Gary Beauchamp, Wyndol Davies, Tally Kelso, Joyce Marshall, Kay Embree, Linda Estes, Myrtice Shockley, Larry Loflin, Dixie Hartzog, Virginia Rea, Donna Sudderth, Ann Lynn Wilson, Jimmy Wright and Ronnie Sudderth.

Others were Harold Stanberry, Kristina McLean, Sandra Patterson, Mary Ann McKenny, Ken Horn, Delbert Morris, Carol Jean Hastings, Kenneth Connelly, Jimmy Redden, June Gay Douglas, Lynn Looney, Gregg Wilson, Candy Wilson, David Anderson and Dean Mayhew.

Mr. and Mrs. F. M. Kersey and son, Larry, visited Saturday and Sunday with his parents, Rev. and Mrs. A. T. Kersey. The visiting couple make their home in Hobbs, New Mexico.

**Baptist Youngsters Go Skating Tuesday**

Members of Junior group of the Training Union of the First Baptist Church met Tuesday evening at the church and went from there to Clovis for an evening of skating. Afterwards, they returned to Bovina and had refreshments at ABC Drug.

Adults sponsoring the evening of fun were Mrs. A. M. Martin, Mrs. Herman Estes, Mrs. Ovid Lawlis, Mrs. Alvin Glasscock, Roy Fuller and Rev. Virgil Goodwin.

Among the youngsters attending the skating party were Ronnie and Jerry Williams, Ronnie Gene Taylor, Freddie Taylor, John and Lou Ann Goodwin, Billy Minter, Patsy

Lloyd, Paula Kay Kerby, Elaine Fuller, Frances and Margie Fuller, Lynda Johnston, Jerry Rigdon, Jeanie and Tonya V. Ivy, Ken Horn, Nellie Bea and Patricia Crook, Sue Estes, Verna Marie Estes, Ronnie Lynn Glasscock, David Lawlis, Butch Woltmon, Bonnie Cochran and Bonnie and Delbert Morris.

**From Lubbock**

Visiting over the weekend here with their parents, were Mr. and Mrs. Donald Ray Barron of Lubbock. They were guests in the homes of his parents, Mr. and Mrs. Rouel Barron and her parents, Mr. and Mrs. F. O. Turner.

"My ELECTRIC clothes dryer saves money because we need fewer clothes for my growing children!"

SAYS Mrs. W. J. MESSICK 119 TEXAS HEREFORD, TEXAS

Mrs. MESSICK says, "The dryer saves ironing and even those things which do need ironing can be dried to correct dampness for proper ironing." No need for extra sprinkling.

Mrs. Messick stresses the savings with her electric appliances saying, "Savings in time and money are the foremost benefits we receive from our electric appliances." She finds that by the fast drying time an electric clothes dryer gives, she needs fewer clothes for the children. "Since children 'grow out' of clothes so quickly these savings become important," she adds.

Why don't you start "sitting pretty" with your own electric clothes dryer. You, too, will find the same advantages which Mrs. Messick likes.

Lions Invite Public To Thursday Program

Carl D. Moorehead, chaplain at Amarillo Air Force Base, will show slides made while he was stationed in Alaska at Bovina Lions Club meeting Thursday night in the American Legion Hall.

The public is invited to attend the program, says Henry Minter, Lion president. The program will begin "about 8:30," following a regular Lions Club meeting and meal in Bovina Restaurant.

Members of Farwell Lions Club have been invited to the meeting, Minter says.

Warren Embree, a member of the program committee, is in charge of the program.

BAPTIST CHURCH NEWS Rev. Virgil Goodwin, Pastor

Sunday School, 9:45 a. m.; morning worship, 10:50 a. m.; training union, 6:30 p. m.; and evening worship, 7:30 p. m.

Three members of the church attended the Associational Workers Conference last week in Lazbuddie. They were Rev. and Mrs. Goodwin and Charles Hawkins. "The Revival Meeting" was the theme of the program for the day.

The week of February 18-22, the teachers and officers of the Sunday School will engage in a week of study in Sunday School Work in the Oklahoma Lane Baptist Church. Sunday School officers and teachers from the Baptist Churches of Friona, Lazbuddie, Farwell, Bovina and Oklahoma Lane will unite for the study.

Last Sunday, there were 213 in Sunday School and 114 in the Training Union Classes.

PENTECOSTAL HOLINESS CHURCH

Rev. A. T. Kersey, Pastor

Sunday School, 10 a. m.; morning sermon, 11 a. m.; PHYS, 7 p. m.; Wednesday prayer meeting, 7:30 p. m.; and Woman's Auxiliary, 2 p. m., Thursday.

Mr. and Mrs. C. W. Haddock of Canyon were guests for the church services last Sunday. Mrs. Haddock, pastor of a Canyon Pentecostal Holiness Church, conducted the services in the local church both Sunday morning and evening.

CHURCH OF CHRIST J. C. Hartsell, Minister

Bible Classes, 10 a. m.; morning preaching, 11 a. m.; evening preaching, 7 p. m.; Wednesday night Bible Classes, 7:30 p. m.; and Ladies Bible Class, Tuesday, 2:30 p. m.

Meeting time for the Wednesday evening Bible Classes were changed this last week from 7 p. m. to 7:30 p. m. This time change is expected to be permanent.

The Ladies Bible Class, held each Tuesday afternoon, is now studying the book of Revelations. R. A. Hartsell, now of the Lazbuddie Church of Christ and former minister of the local church, is conducting the study. He, his son, J. C., the present minister, and the congregation, cordially invite anyone interested to attend this series of studies.

The subject of J. C. Hartsell's sermon for next Sunday evening will be "An Account of Modern Science in the Genesis Record."

There were 105 people present for the sermon Sunday morning.

CARD OF THANKS

We wish to extend a sincere "Thank You" to all our friends and neighbors for their expressions of sympathy at the time of our recent bereavement. We are truly grateful. The Malcom family 34-1tc

## Membership Drive Mapped By Bureau

Parmer County Farm Bureau will stage its sixth annual membership drive the week of March 11. This is the date set by directors in their February meeting for the worker's banquet. Workers and guests will be invited to the banquet to hear speakers and map plans for contacting new farmers of the county who have not yet become affiliated with Farm Bureau.

The tentative goal set for this year is 700 members, according

regarding claims made in the papers were welcomed to call at the office for such information.

Patterson, President Gilbert Kaltwasser, and one or two others were in Ft. Worth attending a membership chairman's rally Tuesday of this week. Plans were presented for all counties wishing to use them in soliciting membership in an effort to wind up 1957 with 75,000 members in Texas Farm Bureau, and leading the southern states in membership. Present TFB membership is 70,000, a record number for Texas.

Governor Price Daniel designated February 17-23 as Farm Bureau Membership Week, during which state facilities will be utilized to publicize the drive. Parmer County's drive will be after this date, but the educational activities will not have been forgotten by then, believes Patterson.

Other action of the directors included election of John Henderson of the Summerfield area to replace Roy Grace as director. Grace has moved to Spade. Roy Miller reported on the last FB and government agency meeting.

Gilbert Kaltwasser reported on the January 10 drought relief meeting in Lamesa. Current legislative activity was discussed, including the new egg bill, feed bill, variable insurance rate bill, and several others. Kaltwasser, Donald Christian and Jack Patterson reported on the president's and membership chairman's rally in Lubbock January 16.

Membership drive captains selected were Franklin Bauer, Dennis Williams, J. T. Jones, M. T. Glascock, T. E. Lovett, Roy Miller, Claude Osborn, Bruce Parr, Harry Hamilton, J. D. White and Spencer Hough.

## GRAIN SORGHUM

Is Parmer County's Principal Unallotted Money Crop

Why Do Grain Sorghum Producers Support Farm Bureau?

1955—USDA announced intention of reducing grain sorghum supports to 60% of parity. Your Farm Bureau "Watchdogs", stationed in Washington were informed of this intention 24 hours in advance and protested in the name of Farm Bureau, asking 75% supports.

RESULT—70% supports were announced.

1956—Farm Bureau again asked for 75% of parity. Some Eastern and Northern Congressmen opposed. Texas Farm Bureau Representatives met with other state Farm Bureau leaders and presented the problem.

RESULT—In a few days Congressmen from other states, changed from opposition to support and authorized 76% supports with no acreage controls.

Your Membership Makes Such Things Possible, Farm Bureau Is Supported By Over 1 1/2 Million Farmers—Voluntarily.

"Right on the Corner Right on the Price"

## THE H. D. AGENT'S CORNER

Jimmie Lou Wainscott

I just received this article from College Station on allowances for children, and thought that it would be good information to pass on to you.

When children beg and tease for nickels, dimes and quarters, parents may be using the wrong approach to the problem. Money management has to be learned as does reading, writing or arithmetic, according to extension home management specialists. Learning this job, one step at a time, is part of a child's education.

Parents who have tried allowances for children report that usually less money is required than by the unplanned "hand-out" method. Even more important, the child gets valuable training and satisfaction from learning how to get the most for his money. A personal allowance increases a child's pride and interest in co-operating with the family group.

A child needs opportunities to weigh wants and needs in terms of what he has to spend. This helps him to develop self-control and respect for the value of money.

He needs to learn the value of savings. The practice of saving a part of his allowance for his larger wants and needs will help him in the future to save for a home, car, furniture, education and emergencies. A plan achieved is encouragement for other plans.

Early training in record-keeping will be helpful throughout life. A simple record of expenditures can be kept by the older child, who earns some of his money or has a larger allowance.

Have you made any different breads lately? It is one way of varying your menus. You might like to try this recipe for Orange Nut Bread.

- 2 cups flour
- 1/2 cup sugar
- 1 teaspoon salt
- 2 teaspoons baking powder
- 5 tablespoons fat
- 2 eggs
- 1 cup milk
- 1/4 cup orange juice
- 2 tablespoons grated orange rind
- 1/2 cup chopped nuts

Sift the dry ingredients together in a mixing bowl. Cut in the fat. Add the nuts and orange rind. Beat the eggs, add the milk and orange juice and combine with the dry ingredients, stirring until well mixed, but leaving the mixture rather lumpy. Pour into an oiled loaf pan and bake at 350 degrees F. from 50 to 60 minutes.

## 4-H Council Holds Officer Election

Margaret Mabry of Friona was elected chairman of the Parmer County 4-H Girls Council at a meeting in Farwell Saturday morning. The meeting was held in the office of Parmer County Home Demonstration Agent, Miss Jimmie Lou Wainscott. Others elected were Katherine Smith, Lazbuddie, vice-chairman; Sharon Thorn, Lazbuddie, district council delegate; Janie Parker, secretary; and Barbara

Rea, Bovina, reporter. Tentative plans were also made by the group for activities to be held during National 4-H Week, which is from Saturday, March 2-9. More plans will be made for 4-H Week this month. The group also discussed and made plans to sell concessions at the annual fair in Friona in April. The money derived from the sales will be used to send delegates to the 4-H Roundup held annually at College Station. There were 10 members and three leaders present.

## SAFE - SOUND - SECURE

There are good reasons why more people insure with Farm Bureau than with any other Parmer County Agency.

## The Parmer County Implement Co. News

"The Place Where Most People Trade" Friona, Texas—Wednesday, February 13, 1957

A revival is in progress at the Methodist Church. It will close this Sunday. Dr. Ray Johnson is the evangelist and Rev. David Binkley of Memphis, Texas, who is a former pastor of the Friona Methodist Church, is song leader and director of youth work.

Why not put a fertilizer attachment on your lister and do two jobs at once? We have 'em—you need 'em. Come by and let us show you how it works.

Dempsey Watkins and several of the senior boys from Friona High School went to Sherman this weekend and visited Austin College. These boys made the trip with Mr. Watkins: Don Reeve, Wesley Barnett, Phillip Weatherley and Don McMahan.

This is one of our favorite poems. It's called "True Vision" and was written by M. M. Parrish. "We got Miss Meade," said our second grader, "Gee, but she's pretty! Us guys wouldn't trade her for all the others." How soon they begin to exercise their masculine discrimination. I thought, amused—with deeper merits ignored, refused. I met Miss Meade; her face was one of the plainest I'd ever looked upon, and a bit severe; but when she smiled I saw with the gaze of a trusting child; there was nothing stern, nothing commanding, but only the love and understanding for little children she might have had. Oh, the x-ray eyes of a tiny lad.

Goodyear tires have proven their dependability. It costs no more to buy the best. More people ride on Goodyear tires than any other kind.

We were in Steve Messenger's office the other day and the odor of Ammonia was so strong

we had to mention it. Steve just laughed and said he had to keep it for reviving some of his income tax customers.

Now is the time to get your planter ready for spring. Get your parts at the Parmer County Implement Company now and avoid a rush when planting season gets here.

We have a number of good used four row tractors with equipment. Come by and take a look.

If you are out of town, just call 2091 for any parts you need and we will be glad to send them out by mail.

Several men have been working in the J. B. Douglas' backyard—just across the street from our house. John Bill reported they were making an H-Bomb shelter, but our mother, not even looking at what was going on, said, "Oh! I guess they are just digging a hole to plant some trees." To which John Bill replied, "Must be the biggest tree in the world then." Turned out he was almost right. The big hole was for a storm cellar that will make the best bomb shelter in town.

If you are in the market for a used pickup you should visit our lot. We have about any model you want and about any price you want to pay.

Our shop is busy; it's always busy. But, Ben Woody, our shop foreman, says bring 'em in and yours will be next.

Fred White is building a shop next door—to the west—to his home. Fred will open a battery and electric shop there before long.

Parmer County Implement

Company is headquarters for all kinds of irrigation supplies—tubes, tarps, ditches, levers, anything you need. Call 2091 or 2201 for all of your irrigation supplies.

Mr. and Mrs. Frank Spring, Dr. and Mrs. Paul Spring were in Dallas last weekend. Mrs. Melba Miller drove as far as Bowie with them where she visited her granddaughter and her parents—Leslie and the Glenn Cunninghams.

Have you driven a '57 Oldsmobile? We will be glad to take you for a demonstration ride in the dream car of '57. It costs no more in the long run to own an Olds.

Texans take something that you can't feel, hear, taste, see or smell and convert it into gasoline, vinegar, alcohol, carbon black, diesel oil, ammonia, nylons, electricity, plastics, synthetic rubber components, etc. etc. That something is Texas natural gas. Anything detected by the five senses in gas is not the gas, but some impurity or foreign element. As a safety measure, natural gas is "perfumed" before it is piped into your house.

It will pay you to come by and get our price before you buy any used equipment. We have some real good buys in used four row tractors and equipment.

Indians used oil for medical purposes, and the white man's first commercial promotion of oil was as a cure-all. Today oil lets Texans make money to buy their health in other ways, and, converted into gasoline, often hurriedly puts an end to all a careless auto driver's ailments.

Smile and the world smiles with you. Snore and you sleep alone.

# March 15 Deadline For Reserve Sign-Up

Parmer County farmers are advised that contracts for starting in the conservation reserve program this year must be signed on or before March 15, according to Joe Magness, chairman of the Parmer County Agricultural Stabilization and Conservation Committee. After that date, no more contracts involving annual payments for 1957 will be accepted.

Magness explains that Congress has authorized payments to producers under the conservation reserve program which will not exceed \$450 million in any calendar year. Money for payments has been allocated to states and counties and funds not used by the county by the March 15 closing date will be reapportioned to other counties which have a "waiting" list.

Unused funds in a state may go to other states with "waiting" lists. As more farmers sign contracts, the increasing number of farmers who will receive annual payments in the succeeding years will reduce the funds available for new farmers to enter the program.

Bringing the situation closer to home, Magness points out that the initial allocation of Parmer County for the 1957 program is \$100,000. Part of this figure will be used for annual payments to the relatively few farmers who signed contracts last fall, he says.

The balance is available for those who sign contracts before March 15. Assuming a "full" sign-up this year, a greater part of the funds available to the county for next year will be used for making annual payments.

To that extent there will be reduced funds for initial payments for those who wait until next year to sign up, Magness says.

He also points out that Form MQ-31 is now available in the

county office. About 50 percent of the farmers in the county have already signed one of these forms and every farmer in the county should sign one. The purpose of the form is to preserve history acres on allotted crops regardless of the number of acres a farmer plants. This can help to hold the base on a farm and it also helps acreage history for the county and state. "All farmers who have not yet signed this form are urged to do so at their earliest convenience," Magness concludes.

## Lazbuddie FU To Have Barbecue

Lazbuddie Farmer's Union will sponsor a barbecue supper at the Lazbuddie School cafeteria on Thursday evening, February 21, starting at 6:30 o'clock.

Admission to the supper will be \$1.25 for adults and 75 cents for children. Everyone is cordially invited.

Reports of the Washington Bus Trip, a recent project of the Farmer's Union groups over the state, will be heard. Representing the local organization were Mr. and Mrs. James Welch of the Lazbuddie community.

## Next Thursday Deadline For New Cotton Allotments

Thursday, February 21, is the deadline for filing an application for a 1957 new grower cotton allotment, according to an announcement from the Parmer County ASC office this week.

Also, farmers were reminded that March 1 is the final date for accepting acreage reserve soil-bank agreements for 1957 cotton.

## NEWS FROM THE FARM BUREAU

By RAYMOND EULER

Jack Patterson, vice-president and membership chairman, is busy getting things in order for the annual membership drive, which is set to begin on March 12. Of course, he has several fellows helping him in this work, but he has the responsibility involved. He wants us to tell you that it will save your local treasury some money if you will promptly respond to your statement by mail. It will save some other farmer and his friend some money and time too, because they will have to come to see you if you have not remitted by mail. He said that if you should happen to not want to renew, it would be helpful if you would use the return envelope to state that fact, and if you don't mind, even telling why. That way, the organization may receive some helpful suggestions to better serve members and non-members alike. Farm Bureau is, after all, he says, a service organization that intends to be of service to all farmers and citizens, whether they are members or not; and he believes that if your wishes are known, and put to use, you would then want to give your support as a member. If your wishes are not known, or are ignored, your support could not be expected, he says.

Mr. Hoffman, Congressman from Michigan, recently asked this question on the floor in Washington: "Why should I make the people of my district mad at me (voting for economy measures in government) if the administration and the Congress are to pour their dollars down rat holes across the seas?" Mr. Multer, Congressman from New York, had this to say regarding claims by Federal Department heads that they could find no way to cut their budgets: "Tell them that you are going to cut 10 percent of their salaries if they cannot show you how they can cut their own budget." We hope the number of statesmen seriously considering positive measures toward a more business like administration is increasing substantially. And you ought to read on page 1368 of the February 5 Congressional Record the list of clubs listed in the United Nations Phone Directory. It was read in the record by Mr. Gross, Congressman from Iowa. His point was that the United States furnishes fully one THIRD of the running expenses of what he calls "this Modern Tower of Babel." He listed 24 such clubs, which he says maintain, at your expense, offices and private telephones; and then he read one to be called if your particular club had been omitted from the list, "Clubs-general information." Congressman Gross suggested this as a good place to cut appropriations. What do you think?

He also called attention to a "Delegates Bar-South," and "Delegates Bar-North," located in the celebrated United Nations Building. We believe that if every State Farm Bureau had a few of these facts presented in their conventions, they would withdraw any statement they may have in support of United Nations, just as Texas Delegates did in November.

Farm Bureau members are opposed to such elaborate and stupid spending of the citizens' tax dollars while there are so many places in America that the money could be put to good, productive use.

Remember that you are living in a country that still permits you to write your congressman or other representative about this and other matters important to your present and future economic security. Use that opportunity often.

Consider this: He, that being often reproved hardeneth his neck, shall suddenly be destroyed, and that without remedy. Proverbs 29:1.

A 1,500-acre tent city will house the Fourth National Scout Jamboree at Valley Forge, Pennsylvania, next July 12-18.

## Feed Price Props Back To '55 Levels

Price supports on grain sorghums produced in this area are back to roughly the same level they were in 1955. Sunday, the USDA announced substantial cuts in level of supports on many commodities, including cotton, corn, and feed grains, all important to this area.

The supported price (net to the farmer) is being estimated locally at \$1.59 this year, compared with \$1.53 in 1955. The props are 16 cents per hundred lower than they were a year ago.

## THE HAPPY HOMEMAKER

If you are one of those homemakers who regularly fill out your income tax forms, you should have it done by Friday of this week. Like just about any other job, this one is made much easier by careful planning and preparation. If you have kept good records all year, the final preparation really isn't such a hard job. If you haven't, by all means get started right this year and save yourself endless time and worry next February.

Many of our homemakers are

## PLANNING IS WORTHWHILE

"Information Without Obligation"

- Life Insurance
- Annuities
- Hospitalization

**JOHN GETZ**  
Agent For  
Parmer County

making a concentrated effort to learn to do their work easier in connection with their home demonstration club work this winter. Most of us get into a habit of doing things a certain way and just keep doing them that way without thinking. Maybe there is a quicker and easier way of doing ordinary tasks. If there is, some of the women at the club meetings are almost sure to come up with the idea.

In a conversation with Inez Sherry one afternoon last week, this question was asked, "Can you tell me the new methods of doing things save time?" Her answer was, "They may not save any time, but they do save you." If there is any way of doing things in a way that will conserve a homemaker's energy, all of us should be anxious to learn about it.

Those of you who are having parties in the near future, are in luck. There is no end to the pretty decorations and refreshments you can use with the Valentine theme that make a pretty and enjoyable party.

Another party theme that most children enjoy is the George Washington theme. This can be used in an educational way as well as an entertaining way. A word scramble game makes an ideal way to teach our smaller children some American history that they will long remember.

Those of us who have daughters in homemaking classes in school are missing a good opportunity to improve our cooking and sewing skills if we do not take advantage of the things they learn at school. Besides the benefits we will receive

from what we learn, our daughters will benefit from sharing their experiences with us.

Just because we have never done a given task a certain way shouldn't be offered as a reason for the way of doing it not being sound. We are never too old to learn, and, who knows, we may have been doing it wrong all these years.

When Missus Tike was asked if Ez would ever chase another woman she said, "Lands, no—he's much too fine and decent for that—besides he's too old."

## Are You Just Crowing About Your Problems?

Why Not Join Your Neighbors in Farm Bureau and Do Something About It?

**Dorcas Circle Meets In Grissom Home**

The home of Mrs. L. M. Grissom was the site Wednesday of last week of the monthly meeting of the Dorcas Circle of the Methodist

Church. Mrs. Jimmie Charles was a guest for the day and she asked the blessing for the covered dish luncheon.

Mrs. Earl Richards, circle chairman, called the meeting to order and Mrs. Grissom gave the opening prayer. Mrs. Richards gave the

devotional, "Fellowship Without Barriers." The group sang two songs, "Jesus Calls Us" and "Have Thine Own Way."

Mrs. L. H. Pesch was in charge of the program and she continued the study of "Paul's Letters to the Churches."

Mrs. Charles, as guest, spoke of her pleasure of meeting with the circle and invited them to meet with her in the near future. She is president of the Women's Society of Christian Service, a joint organization of all the circles of the Methodist Church.

Those present for the meeting were Mrs. G. A. Bandy, Mrs. Lloyd C. Batten, Mrs. Frank Wilson, Mrs. Richards, Mrs. L. C. Moore, Mrs. Mabel Newberry, Mrs. Earl Derrick, Mrs. T. J. Hopingardner, Mrs. Charles and the hostesses, Mrs. Grissom and her daughter, Lola.

The next meeting will be Wednesday, March 6, in the home of Mrs. Pat Kunselman. Mrs. L. M. Grissom will be in charge of the program, which will be a continuation of the study of Paul's letters.

**Patricia Crook Has Birthday Party**

Patricia Crook, ten-year-old daughter of Mr. and Mrs. F. M. Crook, was honored with a birthday party in her home Friday afternoon. Several of her friends accompanied her home from school for an evening of games and refreshments. The honoree's mother served refreshments of homemade ice cream, chocolate cake and grape punch to Tonya V. Ivy, Linda Estes, Billy Minter, David Anderson, Jimmy Redden, Ronnie Glasscock, Nellie Bea Crook and Patricia.

tian home for her and her husband. The bride and her mother, Mrs. W. W. Wilcox, were presented with corsages of white carnations, with green ribbons.

Hostesses for the shower were Mrs. Lawlis, Mrs. P. A. Adams, Mrs. Virgil Goodwin, Mrs. Eddie Ray Hutto, Mrs. Arnold Hromas, Mrs. John Baca, Mrs. Henry Minter, and Mrs. R. N. Williford. They gave individual gifts.

Mr. and Mrs. Walters were married December 22 and are now making their home in Amarillo, where he is stationed with the air force.

The fact that our irrigated farms must be fertilized to continue their bumper crops has long been established.

However, the question of 'how' and 'what kind' of fertilizer to use arises.

We recommend, as the best fertilizer available,

**MANURE**

- ★ It's Inexpensive
- ★ One Application Lasts Five Years
- ★ It's Easily Obtained
- ★ It Can't be BEAT!

**With Harrells**

Mr. and Mrs. Paul Lloyd, Sr. and Mr. and Mrs. Henry Minter and Ann visited in the home of Mr. and Mrs. D. S. Harrell Monday night. The Harrells showed their guests pictures of Anchorage, Alaska, which their son, Virgil, who is stationed there, had sent home. The families also saw other pictures.

**Youngsters Gather In Hromas Home**

Several young people met Sunday afternoon in the home of Mr. and Mrs. Arnold Hromas and were guests of their daughter, Charlotte. Mrs. Hromas served soft drinks and homemade cookies while they played ping pong and other games.

Among those present were Eileen Williams, Brenda Jones, Darlene Hromas, Penny Lloyd, Marilyn Turner, Jackie Turner, O. W. Adams, Jerry Wright, Fernan Kelso, Donnie Jones, and Don Caldwell.

**Shower Honors Mrs. Carl Walters**

Mrs. Carl Walters of Amarillo, the former Willa Mae Wilcox, was honored Saturday afternoon with a wedding shower, combined with a White Bible Service at the First Baptist Church annex.

As guests arrived, they were served refreshments of punch and lemon bisque by Mrs. John Baca and Mrs. Ovid Lawlis. Miss Millie Holden registered the guests.

The table was decorated with a white styrofoam heart centerpiece circled with white net and ribbons and flanked by two tall white tapors. Before the heart stood a miniature bride and groom.

The ceremony for a gift Bible presentation was held in the annex of the church following the serving of refreshments. As Mrs. Walters was a Young Women's Auxiliary member, she was presented with a white Bible, a gift from members of the First Baptist Women's Missionary Union.

Mrs. Lawlis, past counselor of the YWA, was in charge of the ceremony. It was opened with an inspirational welcome, given by Miss Millie Holden, and followed by a song, "Bless this House", by Charlotte Hromas, accompanied on the piano by Mrs. Doris Wilson.

Rev. Virgil Goodwin, pastor of the local Baptist Church, presented the honoree with the white Bible. Members of the YWA taking part on the ceremony were Mary Sue Moody, Avis Williams, Sandra Martin and Sondra Rhinehart.

The Bible presentation, the first to be given by the local WMU, was to inspire the recipient to the building of a dedicated Chris-

**OUR NEW PAVING COSTS MONEY**

As the commissioners of Parmer County we feel that the citizens we serve should know what the Commissioners Court is up against. It has to do with the construction of more farm-to-market roads in Parmer County.

In the last few years we have been receiving about an average of 16 miles of farm-to-market roads each year, the cost to the county being acquiring the right-of-way. In the past we have had funds available to accept the roads which were given to us in the state program.

As the cost of obtaining these easements has increased, the right-of-way fund has been depleted. In fact, money has had to be borrowed for this fund.

If we are to continue to accept farm-to-market roads for Parmer County, there will have to be more money available for the purpose of acquiring these rights-of-way. Too, the highway department has plans to build four-lane highways on 70-84, and 60. The acquisition of farm-to-market roads is foremost on our minds, but the four-lane highways can be acquired in future years if there are necessary funds.

There are three ways which the Commissioners Court can secure these funds:

1. A bond issue
2. Raise in the property valuations
3. A 30-cent increase in the tax rate.

In regard to No. 2, we do not feel that raising the property valuation would be a good business practice. We are getting enough money in all other funds to carry on our county government and to raise the valuation would put excess money in these other funds.

The Commissioners Court has the authority to carry out this plan, but if it were done, each time the county received 95 cents it would have to send the state 65 cents.

We believe that No. 3 would be the most feasible plan. This plan would increase our tax rate from 95 cents on each one hundred dollar valuation to \$1.25. This extra 30 cents would go into the right-of-way fund.

At present, the right-of-way fund receives 10 cents of this 95 cents, which produces approximately \$9,000 per year in taxes. The 30 cents extra added to the 10 cents would yield approximately \$36,000 per year, which we think would be sufficient to obtain all the Farm-to-Market roads that are offered over a period of a few years.

To put this plan into effect, it would have to be left up to the voters of Parmer County. As your commissioners, we feel that a matter as important as this should be brought to your attention.

Signed:

- A. D. Smith, County Judge
- E. G. Phipps, Commissioner, Precinct No. 1
- C. H. Jefferson, Commissioner, Precinct No. 2
- J. H. McDonald, Commissioner, Precinct No. 3
- H. L. Ivy, Commissioner, Precinct No. 4.

eight and Daniels six.

Lazbuddie 71-Nazareth 69 (girls)  
Possibly the biggest crowd thriller of the first day's games was Lazbuddie's double overtime victory over Nazareth. It was a rough-and-tumble game all the way with five girls — three for Lazbuddie and two for Nazareth — fouling out.

Lazbuddie led 38-30 at the half, but Nazareth trimmed the lead to 51-50 at the third quarter's end. At the end of regular playing time, the score was knotted at 63-63.

And at the close of the first overtime, it was 69-63. The second overtime was sudden death — the first team to score being the winner and the girls from Lazbuddie were able to turn the trick.

Lazbuddie's Joy Smith was the game's leading scorer with 44. Janice Oliver made 20 and Sharon Thorn hit for seven. Gerber was high for Nazareth with 37. Huseman made 21 and Drerup 11.

**Adrian 65-Happy 34**  
After the first quarter, it was no contest as Adrian rolled roughshod over Happy.

The first quarter score was 13-10. Adrian had increased the margin to 28-14 at the half and 49-22 at the

end of the third quarter. P. Pinnell was high man for Adrian with 14. Gene Poage with 13 was high for the losers.

Tournament play resumes Thursday at 3:30 as Lazbuddie and Vega girls play. Adrian and Nazareth boys follow at 4:45.

In the night session, Happy and Adrian girls meet and the Mustangs take on Vega. Finals will be Friday with the first game beginning at 7.

Adrian boys and Happy girls are winners of regular season play. Tournament winners, if they are different teams, will meet the season's winners in playoff games to determine which teams will represent 3-B in bi-district play.

**March of Dimes Over \$3000 Goal**

(Continued from Page 1)

19, grade school \$63.15, high school \$42.82, coffee-day, \$68.84, Fire Department contribution \$100, American Legion Dance and game night \$125, Modern Study Club mother's march \$195.50, Individual Deposits \$38.85, and coin collectors, \$176.72, total \$944.07.

Farwell—John Getz, chairman, ESA mother's march, \$195.11, Nell Walling coffee \$15, containers \$141.77, School, \$150.18, total \$502.06. (Texico MOD receipts, not included in the Parmer County figures, were almost \$500.)

The 1956 total was \$3316.16. Friona's portion this year was somewhat below that of last year, but Bovina's was up, primarily due to the JC's activities, said Euler, so the totals of the two years were almost unchanged.

Hugh Moseley, chapter chairman, and Euler join in urging those who haven't had their children inoculated to do so. The serum is a direct result of research made possible by MOD contributions.

Yet to be added to the total is an amount which has been received from letters sent to county box-holders.

**IS RELEASED**

Mrs. Melvin Terry and son, Malcolm Leon, were released Thursday afternoon of last week from Clovis Air Force hospital. Pvt. Terry, who has been home on furlough, will report back to Glen Park Station, in Gary, Indiana, Thursday of this week.

**County Needs More Money For FM Roads**

(Continued from Page 1)

factory for meeting the county operating expenses and a raise in the valuation would hardly seem feasible, say the commissioners.

However, some indicated that they would be willing to do this if there was no other alternative. Too, the county collects 95 cents on the \$100 valuation the state receives 65 cents. If the revenue the county receives increases, the state tax will also go up proportionately.
