Notice

To the Voters of Donley County:
I want to take this means to tell all the voters of Donley County that I have made an effort to see every one of you, but perhaps I have failed to catch some of you at home.

If I have missed you, I assure you that it was unintentional, and I will deeply appreciate your vote and support.

Mrs Ruby Hutton

Mrs. J. B. Chessir and children of Sunray visited here Sunday.

Carter Huffman and family of Burkburnett and Truell Huffman and family of Oil Center, N Mex, visited in the W. H. Huffman home last week end.

Seniors Honored

The Baptist ladies honored the Hedley Senior class with their annual banquet last Thursday evening in the Fellowship Hall of the church. The very attractive decorations carried out the space theme. They included stars and moons on every table, and in the centers a world topped with a mortar board, stars hanging from the ceiling, paper rockets, candles, blue spotlights, and a background of blue paper covered with stars.

Mrs Sue Weatherly was toast-mistress. The group sang the Doxology, then C. R. DeBord gave the invocation. Mrs. Gene Grace gave the welcome, responded to by Loyd Messer. Vocal music was given by Marie Butler, Jon Leggitt and Jimmy Boliver. Rev. Gene Grace was speaker for the evening. He was followed by a group sing-song, then the benediction by Mack Bush.

All enjoyed a delicious meal, which included fruit juice, ham, pineapple rings, green beans, new potatoes, hot rolls, iced tea and strawberry shortcake.

The guests appreciated all who spent so much time and effort in making the decorations and preparing the meal.

Card of Thanks

As the Lord deemed it best to call our loved one home He also provided a comfort through many friends. Each of your prayers helped through the darkest hours. Words cannot describe our gratitude and heartfelt thanks to those who brought food, helped in the house, and came by to let us know they shared our sorrow. The floral tributes were beautiful and so very thoughtful.

May God walk with each of you through the coming days

Defensive Driving

The following is suggested by the Dept. of Public Safety:

Defensive driving is the ability to recognize an accident producing situation far enough in advance to compensate for it by your own driving. In other words, drive ahead of yourself and be prepared for the other man's actions.

One of the greatest faults of the American driver today is hiding behind the false security of having the right of way. Give the right of way, don't take it, and you will greatly assist in the reduction of traffic accidents.

Epitaph:

Here lies the remains of John O. Day

Who died defending his right of way,

Now John was right as he sped along

But he's just as dead as if he'd been wrong.

Mrs J. M. Tate has been in a Memphis hospital for treatment.

Fire Calls

The coming of the dial telephone system in Hedley is very nice, but it has created difficulties in reporting fires which have not yet been solved, due to the fact that there is no place in Hedley where there is someone on duty 24 hours a day.

The number for reporting a fire is 856 3221. If you get no answer from this number, it is suggested that you try one of the following: Luther O Thompson is Fire Chief and his day number is 856 2181

and night number 856 2761. R. M. Saunders is Asst. Chief, day number is 856 2501, night number 856 2801. M. O. Weatherly is Fire Marshal, day number 856-2241, night number 856-2881.

LET'S RE-ELECT **BILL HEATLY**

DEMOCRAT FOR
STATE REPRESENTATIVE

82nd District

As a senior member of the Legislature Heatly has served as chairman of the State Affairs Committee and the Appropriations Committee, probably the two most important committees in the Legislature. He has also represented Texas many times at the meetings of the Southern Regional Education Board. Bill Heatly's experience and effective service will stand him in good stead in representing the people of the 82nd district.

Bill Heatly is the recognized ardent foe of Legalized Gambling. He succeeded in his fight to curb this unwholesome growth during the last Legislature.

Bill Heatly is the leader in the struggle to equalize the tax on beer with cigarettes and gasoline.

Cigarettes pay 27½% sales tax
Gasoline pays 18% sales tax
BEER PAYS ONLY 3% sales tax

Bill Heatly's untiring efforts in this matter is gaining the support and recognition of Texans from all walks of life.

Bill Heatly is one of the authors of the Farm to Market road bill that was passed during the last Special Session, and has maintained an outspoken record of voting for ALL constructive legislation affecting the farmer, cattleman and merchant.

Bill Heatly has at all times voted to maintain the operation of Rural Electrification.

Because it would have been less expensive to administer, fewer loopholes and more convenient for the merchant to collect, Bill Heatly supported a 1% across-the-board sales tax.

Bill Heatly states that there are inequities in the insurance rating system and after a report from the study committee corrective legislation should be introduced.

Bill Heatly states that 85% of every tax dollar spent by the Legislature goes to EDUCATION (both public and higher levels), HIGHWAYS, MENTAL INSTITUTIONS, WELFARE, PENAL AND REFORM SCHOOLS. Bill Heatly has supported all constructive measures which have aided in elevating the standards of both the Public Schools and colleges and will continue to support such measures.

Bill Heatly points with pride to his work on our hospitals and special schools in elevating them, thereby helping many of our unfortunate citizens who have become afflicted. He is particularly proud of his support of the M. D. Anderson Hospital in Houston which is responsible for the care, treatment and research of cancer.
