Donkey Ball Game

If you have ever seen a donkey basketball game you know how much fun it is. And if you have never seen one, then here is your opportunity to have what will probably be the funniest evening of your life.

No kidding! When members of the high school seniors challenge Mack Bush, Billy White, and other teachers and school board members, then you are in for the time of your life. Because this imposing array of donkey talent composed of such stars of the court as Ben Casey, Liberace, Elvis, Mae West, Twister, Miss Kitty, Olive Oyl, Zsa Zsa, Molly Bee and Daisy Mae, do not always cooperate with the riders in their efforts to score points, or to let them stay aboard long enough to qualify as a player. All in all you'll get a tremendous kick from the antics of these far from dumb animals.

The half time show will feature a race between a boy and a girl, and a coverall race that is a scream, when two boys and two men, each two in one suit of coveralls, race the length of the court.

Get set for this big fun event, buy your tickets early from a member of the basketball teams, who are sponsoring the game to help buy basketball jackets. If they don't ask you, ask them. You'll be glad you did. And be sure to get tickets for every member of the family, they'll enjoy every minute of it.

Remember the place, Hedley Gym, and the date, 7:30 p m Monday, March 11. In advance prices are adults 75¢, high school 50¢, and grade school 35¢. At the gate prices will be adults \$1.00, high school 75¢ and grade school 35¢.

Hedley P.-T. A.

The Hedley PTA will meet next Monday night, Feb. 25. Rev. Robert Gill will give the invocation and Ed Boliver will be program chairman. A film will be shown and the eighth grade will be in charge of entertainment.

HI,
NEIGHBOR!

The neighborhood pharmacy has always been a focal point in the community. It's a grand old American institution.

Here, friends meet informally. They talk about the weather, how things are going in the sports world, discuss politics, grumble a bit about taxes.

When we fill a prescription for you, it is not just a business transaction. It's an opportunity to be of helpful service to a neighbor and his family.
