VOL. 54

HEDLEY, DONLEY COUNTY, TEXAS, DEC. 13, 1963

NO. 8

## Bond Election

A countywide bond election to determine whether or not the people of Donley County desire to authorize their governing body to issue bonds to purchase the county's fifty per cent of the right of way necessary to construct a four lane highway from the Donley County Line near Memphis to Clarendon is scheduled for Dec. 21, 1963. The election was called recently after the required number of qualified voters signed and presented to the county judge and commissioners court asking that such election be called.

The people will be voting on whether or not to authorize the issuance of a maximum of \$100,000 in bonds to pay for the right of ways, and if passed a tax of fourteen cents (14¢) per hundred dollar valuation for a period of twenty years will be necessary to pay the bonds. This means fourteen cents per one hundred dollar valuation, one dollar and forty cents for one thousand dollar valuation, and fourteen dollars for ten thousand dollar valuation. No raise in valuation will be necessary but the fourteen cents tax per hundred dollar valuation will be necessary and will be for a period of twenty years.

The state requires the county to furnish one half of the cost of the right of way, and the result of the vote in the bond election will determine whether or not Donley County is able to go ahead with the four lane construction through the remainder of the county.

## A. G. Alexander Announces Candidacy For County Commissioner

In making my announcement as a candidate for the office of County Commissioner (Prec 3) of Donley County, subject to the first Democratic Primary in 1964, I feel with the experience I have had, I am fully qualified to handle this position. I will sincerely appreciate your consideration, influence and vote.

I will make an effort to see each and every voter before election time.

Sincerely,  
A. G. Alexander
