The Junior Class would like to see everyone come out for our play. We think you will have a very good time. Come out and support the Juniors.

County TSTA Meeting

The Hedley teachers attended the County TSTA meeting at Clarendon last Thursday night. President Doyle Messer was in charge of the meeting.

All enjoyed a delicious banquet supper. A trio of girls gave several vocal numbers and Dr. C. L. Kay of Lubbock Christian College was the speaker for the evening.

New officers were elected for the coming year. They are:

Weldon Day, president
Mrs. Sue Shields, vice president
Mrs. Brandon, secretary
Sam Lowry, treasurer

Mrs. T. D. Rozzell

Mrs. T. D. Rozzell, 65, of Clovis, N. Mex., passed away Sunday night in a hospital there after a lengthy illness.

Mrs. Rozzell was the former Maggie Moffitt. She was born March 20, 1899 at Corsicana. The family moved to Rowe in 1903. She was married to T. D. Rozzell in October, 1920. They moved to Clovis then and had lived there ever since.

She is survived by her husband, T. D. Rozzell of Clovis; two sons, Dr. Orville Rozzell and Jim Rozzell, both of Clovis; two brothers, Hobart Moffitt of Hedley and Robert Moffitt of Skellytown; one sister, Mrs. Ruby Bessler of Atlanta, Ga.; her stepmother, Mrs. W. L. Moffitt of Hedley; and three grandchildren. One sister and one brother preceded her in death.

Funeral services were held Wednesday afternoon at 2:30 in a Clovis Church of Christ. Burial was in a Clovis cemetery.

Attending from Hedley were Mr. and Mrs. Hobart Moffitt, Mr. and Mrs. Harold Moffitt and Mrs. Loyce Moffitt and Sandra.

LIONS ROAR

Next week will be the Lions 22nd Anniversary ladies night banquet. Charter members and 20 year members will be honored.

Lions Sam Owens and Harold White have secured a group of young entertainers from Lela for the program. This is a very colorful group and we are certainly pleased to get them. Eating time is 7:30 p. m.

New Baptist Pastor

The First Baptist Church of Hedley has called a new pastor, Rev. Bob Estes of Eagle Butte, South Dakota. Bro. Estes was reared at Roaring Springs, Texas. He has a wife and three children, a son 3 years old, a daughter 2 years old and a son 3 months old.

They expect to move to Hedley about May 1st.

Visiting in the Winfield Mosley home last week end were Mrs. Montye Smith and children of Hobbs, N. Mex., and Mr. and Mrs. Rusty Mosley of Memphis.

Road Bond Election

The road bond election carried by a large margin Saturday. In the county the reported vote was 596 for and 105 against. In the Hedley box 201 votes were cast, 187 for and 14 against.

This means that \$100,000 worth of road bonds will be issued, and will be primarily used to make Highway 287 a four lane highway from Clarendon to the Hall County line, a distance of some 25 miles.

Applications Wanted For Night Watchman

Due to ill health, Frank Jones has submitted his resignation as city night watchman to the City Council and the council is ready to accept applications from persons interested in the job.

Please make your applications at once as the council will meet within the next few days to consider any applications received.

Jerome D. Stobking

Jerome D. Stobking, 73, owner of one of the oldest drug stores in the Panhandle, died Friday of a heart attack in Covington, La., where he and his wife Beatrice were visiting relatives. Funeral services and burial were at Covington Saturday.

Mr. Stobking was the son of the late Dr. and Mrs. J. D. Stobking, who established the Stobking Drug Store in Clarendon in 1885.

He was born in Clarendon and attended Clarendon schools, Clarendon College and the University of Texas.

Storm Warning

With the approach of the storm season it is time to again remind our citizens that three blasts of the fire siren indicates a storm.

This does not necessarily mean that a tornado is near, but is to warn the public to be on the lookout.

C. A. Waddell visited here over the week end from Devine.

Jess Mann returned Saturday from a visit to California.

J. S. Hinds visited here last week end from Silveston.

Seniors to Serve Dinner April 19

The Senior Class of Hedley High School will serve dinner in the school lunch room on Sunday, April 19. The proceeds will go toward financing the Senior trip. The class is short of funds for the trip and hopes to have a big crowd out for a good meal.

The menu will include a choice of baked ham or fried chicken, potatoes, green peas, salad, fruit cobbler, hot rolls, iced tea or coffee. The price will be \$1.00 for adult plates and 75¢ for children under 12 years of age. Serving will begin at 12 o'clock.

Men, give your wives a vacation for the day and bring the family out to eat with the Seniors. The class needs the money and you will enjoy a good meal.

Bake Sale

The Hedley MYF will have a bake sale at the Cherry Drug Store on Saturday, April 18, starting at 9:00 a. m. Let us know ahead of time if you would like a special request. All donations will be appreciated.

LEGION NEWS

James Evans and Clifford Johnson attended the district convention of the American Legion at Childress last week end. The local post received a plaque for exceeding their quota before Nov. 11th, and a citation for exceeding last year's membership. Present membership is 97.

H. P. Wilson has returned from Cooper, where he visited his brother.

The home on the Doneghy place occupied by Mr. and Mrs. Elmer Howell was completely destroyed by fire last week. We understand the loss was partly covered by insurance.

Burk DeBord of Ashvola and C. H. Reid made a fishing trip to Zapata last week.

Lynn Cherry and family of Amarillo visited here last week end.

Never before have so many brides registered for a new fine china pattern in such a short period of time! And no wonder. Brookdale, one of the loveliest Lenox patterns, is very "today". JIM LANGDON—A WINNER!

Railroad Commissioner Jim Langdon is a 49-year-old native Texan with a winning record in public office. When John Connally appointed him to the Railroad Commission, the Governor said:

"I have for several weeks been attempting to find a man I consider to have outstanding ability, integrity and honor... I am happy we have found that man — Judge Jim C. Langdon."

Jim Langdon has fully lived up to Governor Connally's expectations. He has conducted his office in the spirit of Governor Jim Hogg, who had the Commission set up in 1891 to look after the public interest in railroad and freight rates. It now regulates also truck and bus rates and the production of oil and gas. Judge Langdon will continue to keep transportation rates in line and see to it that our oil reserves are protected against waste and greed. This will help keep down Texas gasoline prices, already among the lowest in the nation.

Jim Langdon was elected District Judge twice and re-elected Chief Justice of the El Paso Court of Civil Appeals.

ON THE OTHER HAND—

Jim Langdon's Opponent Is a 10-Time Loser!

Jesse Owens, 69-year-old attorney, is still running for office after 38 years and TEN DEFEATS. He has lost the following races:

- 1926—Defeated for Sheriff of Foard County by L. D. Campbell.
- 1930—Defeated for District Attorney by John Meyers.
- 1932—Defeated for District Attorney by Ed Gossett.
- 1940—Defeated for District Attorney by T. Gene Rogers.
- 1946—Defeated for Court of Criminal Appeals by Tom L. Beauchamp.
- 1952—Defeated for Court of Criminal Appeals by K. K. Woodley.
- 1956—Defeated for Court of Criminal Appeals by W. A. Morrison.
- 1958—Defeated for District Judge by Tom Davis.
- 1960—Defeated for Court of Civil Appeals by James Denton.
- 1962—Defeated for Texas Supreme Court by Meade F. Griffin.

A Winner All the Way—

Jim C. Langdon

Unreported Wheat And Barley

There are some producers in this county who do not have a wheat allotment but who may have wheat for harvest in 1964. If you do have wheat seeded and it has not been measured, it may be to your advantage to report that acreage to the county office, as we have no way of knowing about such acreage unless it is reported to us.

Also, if you are participating in the feed grain program and have barley seeded, it must be reported. Barley is a part of the feed grain base and it is eligible for the price support payment.

Premeasurement Service For Feed Grains

We now have approval from the State Office to offer the premeasurement service for feed grains and diverted acres. The cost of the service will be the same as for cotton and the last day to make application at the Donley ASCS County Office will be April 30.

Diverted Acres

The initial designated acres to be diverted under the 1964 Feed Grain Program must be regular in shape with not more than four sides unless it is a whole field or subdivision or if a terrace, road, or ditch forms the perimeter of the acreage. Each plot must contain at least 1 acre. Less than four normal rows in a skip-row planting pattern will not qualify for diverted acre.

**News From Our
 County Agent**

County Agent Flip Breedlove says that the time fast approaches to be on the look out for screw worms. We had a wonderful year last year with very few cases reported in Donley County. Breedlove says that this was due a great deal to the cooperation of all livestock owners in spraying of cattle and when they did find a case of screw worms, the sample of worms was sent to the Mission, Texas laboratory at once.

Containers for shipping in samples of worms when they are found are available in the office of the county agent. All livestock owners who do not have a container should drop by the county agent's office and get some before the screw worm time arrives.

Breedlove also asked that all livestock owners who find worms in livestock wounds let him know when the samples are mailed out. It is understood that sterile flies will be dropped in infested areas again this year.

Need More Time?

The housewife of the *Young Married Set* is involved with so many activities, she needs all the time she can lay her hands on. A Gold Medallion Home is the answer! It provides so many time-saving conveniences, it's just like adding more days to the ordinary 7-day week. For instance, the electric clothes dryer alone saves 3 hours weekly and even the electric dishwasher saves 7 hours a week... why, that's 10 hours already! Not to mention that the electric range is so automatic, it's like having a hired cook to do all the watching. And the electric water heater provides hot water instantly upon demand. Heating and cooling systems are automatic too... the thermostat is set at the start of the season and forgotten until the season changes.

This is just a smattering of the many ways the total electric Gold Medallion Home saves time for the *Young Married Set*. Oh yes, with a *flameless* total electric Gold Medallion Home, there's one less bill to pay each month.
