

The Hedley Informer

VOL. 54

HEDELEY, DONLEY COUNTY, TEXAS, MAY 29, 1964

NO. 32

Mrs. W. B. Morgan

Funeral services for Mrs. W. B. Morgan, 83, who passed away Saturday at Lockney, were held Sunday in the First Baptist Church here by Rev. Robert Estes and Minister Bright Newhouse. Burial was in Rowe cemetery under direction of Spicer Funeral Home. Mrs. Morgan became ill while visiting a daughter at Lockney.

Pallbearers were Alfred Johnson, Otis Owens, J. B. Yates, Roy Hunter, Robert Gill and Gerald Nobles.

Miss Hattie Beatrice Jones was born Dec. 25, 1880 at Richland Springs San Saba County, Texas. She was united in marriage to William Burrell Morgan on June 25, 1899 at Sunset. The family moved to Hedley and Donley County in 1929. Mr. Morgan preceded her in death in 1941.

She is survived by four sons, Oscar of Mountain View, Calif., Loyd of Texas City, Wilson of Hobbs, N. Mex., and Homer Lee of Hedley; six daughters, Mrs. Stella Tarver of Thalia, Mrs. Viola Castle of Levelland, Mrs. Vada Hastings of Muleshoe, Mrs. Veta Tims of Lockney, Mrs. Jewell Simmons of Deming, N. Mex., and Mrs. Flora Belle Madlock of Odessa; five sisters Mrs. Betty Holland and Mrs. Oma Teague of Brownwood, Mrs. Ruth Winkler and Mrs. Pearl Cummings of Brady and Mrs. Mittie Warren of Houston; 28 grandchildren, 53 great-grandchildren and 4 great-great-grandchildren.

Mrs. Morgan was a member of the Church of Christ.

LIONS ROAR

Mr and Mrs Dick Raymond of Claude will be our guests for this Thursday night meeting. Mrs. Raymond will be the speaker. She is the lady who thrilled everyone with her talk at the Borger district convention. She was totally blind before she had eye transfusion. We are indebted to Lions V. T. McPherson and W. L. Mosley for this program.

New officers and directors will be elected. They will be installed in June and take office July 1st. Lion Gene Allison, local West Texas Utilities manager, is the candidate for club president. A good attendance is expected. Meeting time is 7:30 p. m.

Giles Picnic

If you have missed the Giles Picnic for the past eight years now is your chance to have the time of your life when the crowd gathers on the banks of old Buck Creek Saturday, May 30.

Besides the usual barbecue feast with red beans, onions and pickles, there are added attractions this year. For one thing, there will be a Fiddlers Contest beginning at 2 o'clock, according to the Sheriff of Giles, Walter Johnson, in charge of the music for the celebration. Anyone can enter without an entrance fee. There will be capable, fair judges and three money prizes for the winners. Come one, come all, with your fiddle and your bow and plenty of rosin.

Moreover, there will be a race for mayor of Giles this year. For the past eight years Lowell Houston has reigned unopposed but now things will be different. Blakie Johnson has come out against Houston. Gerald Knight will be manager of Johnson's campaign and Mrs. Knight will be Houston's manager. While Johnson is younger and more energetic than Houston, the incumbent, the latter is well known and respected by the Aberdeen Angus people of this area. Knight is building a strong platform for his candidate and Mrs. Knight is beating the bushes and delving into the past trying to find out something commendable about her candidate. It promises to be one of the hottest campaigns since Grant took Richmond. The runoff will be a featured event of the picnic festivities.

Fiddle music, visiting, fine food and foolishness will make this year's celebration the best yet. Among the prominent citizens invited to share our good times are General and Mrs. Montieth of Amarillo Air Force Base, Lawrence Hagy of Amarillo and several other notables. Cotton John will be invited as always and can maybe come this time. So, for just plain old country fare and fellowship, y'all come to the Giles Picnic!

Bids Wanted

Bids will be received at the Superintendent's office until 7:00 p. m. June 8, 1964 on a 1958 Chevy school bus. This bus may be seen at the Hedley High School.

Tates To Observe 50th Anniversary

Honoring the 50th wedding anniversary of Mr. and Mrs. Tom Tate, a reception will be held in the bank committee room on Sunday, June 7, from 2 to 5 p. m.

All friends and neighbors of the Tates are invited to call.

Vacation Bible School

A Vacation Bible School will be held at the Hedley Church of Christ from June 1st through June 5th from 9 to 11 a. m.

The school will be for ages 4 to 12 years. Everyone within this age group is cordially invited.

Receives Degree

Doyle Messer, Hedley Vocational Agriculture teacher, received his Master of Education degree from West Texas University Sunday afternoon, May 24.

Since completing the work on his degree, Mr. Messer meets the requirements for a counselor's certificate.

Mr and Mrs. O. F. Messer, Mrs. Doyle Messer, Angela, Lyndon and Stuart went to Canyon for the convocation.

To The Voters

I want the good people of Precinct 3 to realize that I am still in the race for County Commissioner, and I again want to thank everyone for the good support given me in the first primary.

I urgently ask every one to vote again on June 6th.

Sincerely yours,
Junior Hill

Mr. and Mrs. Clifford Johnson left last Sunday for a week's visit in Corpus Christi. They will attend the graduation of their grandson, Tony Johnson, who graduates from Ray high school there.

Mr. and Mrs. Ben Lesley of Silverton announce the arrival on May 23 of a fine little son, weight 7 lbs. 13 oz., who has been named Bruce Darrell.

Mrs. Juanell Carson and children of Borger visited in Tom Tate home last week end.

F. S. Blackwell

Another long time resident of Hedley, Fount Street Blackwell, 76, passed away Sunday in a Memphis hospital. Funeral services were held Tuesday in the First Baptist Church here by Rev. Robert Estes and Rev. Douglas Dubose. Burial was in Rowe cemetery under direction of Spicer Funeral Home.

Pallbearers were Alfred Johnson, Frank Murray, Delbert Koontz, Vergil McPherson, Dalton Malone and Vernie Wade.

Mr. Blackwell was born Aug. 24, 1887 at Boles, Scott County, Ark. He was united in marriage to Miss Annie Roxie Green on July 3, 1905 at Boles. The family moved to Hedley in 1925. Two sons and one daughter have preceded him in death.

He is survived by his wife, Mrs. F. S. Blackwell of Hedley; two sons, Lowell of Amarillo and H. E. of Dallas; three daughters, Mrs. C. C. Clark and Mrs. H. A. Malone of Anaheim, Calif., and Mrs. C. A. Johnson of Hedley; two sisters, Mrs. Riller Alley of Okemah, Okla., and Mrs. Doshie Presley of Garden Grove, Calif.; 14 grandchildren and 25 great-grandchildren.

Mr. Blackwell was a member of the First Baptist Church of Hedley.

Johnson Honored

The Matador Tribune reveals that this year's Matador school annual, La Arena, was dedicated to Coach Charlie Johnson, high school principal and faculty member for the past eight years. The dedication reads:

"The 1964 La Arena is dedicated to Mr. Charles Neil Johnson in grateful appreciation for his patience and understanding in his work as high school principal and football coach and in his desire to do his best for our school."

Coach Johnson, son of Mr. and Mrs. Clifford Johnson, was born in Hedley Oct. 26, 1928. He graduated from Texas Tech and received his Masters degree from West Texas State. He began his teaching career at Sunray in 1952.

He is one of the outstanding coaches of this area. Under his guidance the Matadors have won five district championships, four bi-district and three regional championships.

It's a Conservation merry-go-round all right. Because nature goes round and round in the process of creating, destroying and rebuilding natural resources.

Throughout the state and nation, 4-H Club members are lining up to get on the conservation merry-go-round. They are eager to do their share of protecting and replacing the forests, wildlife, grasslands, water and soil that are either used up or destroyed. They deplore senseless misuse of nature's gifts.

A new 4-H Conservation program, recently announced by the National 4-H Service Committee, offers young people incentive awards. They are county conservation medals, a free trip for the state winner to the National 4-H Club Congress in Chicago, and \$500 college scholarships to the six top members chosen from all state winners.

The sponsor is John Deere, a long-time backer of 4-H Club work. The program is carried out under the supervision of the Cooperative Extension Service, county extension agents and local club leaders.

Winners in all categories will be announced at the close of the 1964 club year.

News From Our County Agent

This time of year farm people and town people are asking, "What can I use for red spiders and flies in the evergreen shrubbery?" This will also apply to ants around the house and other insects.

County Agent Flip Breedlove says that two of the best sprays to use around the house for the above purpose are Malathion and Isotox. These two sprays should be mixed exactly as the directions call for on the containers, and always remember that all sprays are considered poisonous. Always keep the wind blowing away from you, and when you get some on your skin, then use soap and water to remove.

Malathion is a good spray for the control of aphids on plants. This is especially true on alfalfa, says the county agent. If you need any information on the use of these sprays call Breedlove's office.
