Piano Recital

Mrs. Mack Bush will present her students in piano recital Friday evening, May 7, at 8:00 p. m. at the Methodist Church. Those performing and their numbers will be:

Rhonda Morgan, Air, Flow Gently Sweet Afton and Betty and Bill.

Robert McDaniels, Love Somebody, Yes I Do, March of the Space Patrol and Covered Wagone

Renee White, Waltz for a Puppet, Prancing Horse and Mary Had a Little Lamb

Tanya White, On the Levee, Short'nin' Bread and The Spider Dance.

Angela Messer, Fingal's Cave, Mexican Hat Dance and Spring Song.

Connie DeBord, Redwood Forest, First Sonata and Moon Mist.

Gail Holland, Tap Dance, Aragonaise and Trapeze.

Debbie Stephens, The Train, My Bonnie and Billy Boy.

Nancy Saunders, Marching Marionettes, Soldiers on Parade and South of Border.

Mary Gene Lynn, Airy Fairies, La Raspa and When Irish Eyes Are Smiling.

The public is cordially invited to attend

TSTA Meeting

About 75 teachers and their wives or husbands attended the meeting of the Donley County unit of the TSTA in the Lions Den last Friday evening.

Connie DeBord gave the invocation, then everyone enjoyed the delicious meal prepared and served by the Hedley senior class and class parents. The Clarendon College quartet of Beth and Lynn Bourland, Maudena Self and T'Rose Stepp sang three numbers, followed by two saxophone numbers by Jim Andrews. Weldon Day then introduced the speaker, John H Lovelady, who spoke on the teacher retirement law. Rev. Paul Hancock sang a special number.

In the business session, new officers were elected for the coming year. They were R. K. Sams president, Stina Cain 1st vice president, J. M. Baker 2nd vice president, Velma Bourland secretary and Ida Lou Dickson treasurer.

Paul G. Kirkpatrick

Funeral services for Paul Glyn Kirkpatrick, 66, of Borger, who passed away Wednesday of last week there after an apparent heart attack, were held Saturday in the First Methodist Church at Borger by Rev. Weldon Butler. Burial was in Westlawn Memorial Park.

Mr. Kirkpatrick was born in Oklahoma and had been a resident of Borger for 20 years.

He is survived by his wife, Ruth; two sons, Don of Huntington Beach, Calif, and Billy of Germany; a daughter, Mrs. Doris Jean Middleton of Clovis, N. Mex; a brother, Herman Kirkpatrick of Hedley; three sisters, Mrs. Minnie Jennings of Denver, Colo., Miss Ella Kirkpatrick of Amarillo and Mrs. W. M. Moore of Houston; and seven grandchildren.

To Receive Degrees

Canyon, April 30—Two Hedley students are among 423 degree candidates recently named by Dr. Walter H. Juniper, dean of West Texas State University. Degrees will be awarded at spring convocation May 23.

Burton Ayers, a business major, is seeking the Bachelor of Science degree. A secondary education major, Almeda Boehning is also seeking the Bachelor of Science degree.

Ayers is the son of Mr and Mrs. C. C. Ayers, Route 1. Mrs. Boehning is the daughter of Mr. and Mrs. J. M. Tidwell of Hedley.

Greenbelt Dam

Construction has started on the 2 million gallon above ground steel water tower on Mrs. J. S. Hinds' place about ½ mile southeast of town. The pipe line has been completed from the tower to Quanah.

Work on the pump station has been delayed some on account of the large flow of water on Lake Creek. However the gathering basin in the creek has been completed and the 24 inch pipe line from the tower to the basin lacks only a few feet of being complete.

The next meeting of the directors of the Authority will be held in Childress May 13th.

J. C. Hickerson and family of Sunray visited here last week end.

FHA Bake Sale

Take a coffee break with the FHA. The FHA girls will conduct a bake sale May 8, in the Lions Den. Whole pies and cakes will be sold as well as by the piece. Iced tea and coffee will be served.

The FHA Chapter is working toward a trip to Red River. The finances of the chapter are low and we must have more money in order to make this trip. Approximately 16 delegates and 3 sponsors plan to make the trip and stay two nights and one day in Red River. Buy your cakes and pies for the week end.

Later in the month, prior to Memorial Day week end, the chapter will sponsor a slave day. The girls will work for \$5.00 a day. They will clean house, baby sit, work in your business, or at any suitable job. The girls will work either the 27th or 28th or both days. Contact any FHA member or Mrs. Shields.

LIONS ROAR

Out of town guests at the club's 23rd anniversary banquet included J. W. Noel of Memphis, a charter member, Deputy District Governor George Setliff and wife of Turkey, Joe Tooley and wife of Pampa and his mother, Mrs. Tooley of Dallas, Mr. and Mrs. George Thompson, Mr. and Mrs. L. L. Wallace, R. E. Drennan, Loyd Shelton and Mrs. Ruby Bromley, all of Clarendon.

Mrs. Margaret Nivens and her helpers served an excellent meal to the 75 present. Appearing on the program were Nancy Saunders, Connie Lee DeBord, Gail Holland, Angela Messer and Lion Eye Bank Chairman Joe Tooley of Pampa.

The Hedley High School girls basketball team will be the guests of the club at their next meeting Thursday night, May 13th.

Mr. and Mrs. Edwin Regal and daughter Linda of Amarillo visited Mr. Regal's aunt, Mrs. W. D. Franklin, Saturday.

Mrs. Nan Jones of Clarendon and Mr. and Mrs. Roy McKee visited with Mrs. T. T. Waggoner at Claude Sunday.

Mrs. Mattie Barnett and Adell Myers of Pampa were Hedley visitors Sunday.

Moreman Grocery and Locker Sold

In a deal closed Monday, W. C. Metcalf of Amarillo became the owner of the Moreman Grocery and Locker. Mr. and Mrs. Metcalf have moved here into one of the Clifford Johnson homes in the north part of town. Mr. Metcalf formerly operated a locker plant in Amarillo, and has also had experience in the grocery business. He invites the entire community to call on him in the store.

The Moreman Grocery and Locker is a continuation of one of the oldest businesses in Hedley. It was begun in 1910 or 1911 as Moreman and Battle Hardware by the late T. R. Moreman and the late C. B. Battle. Mr. Moreman later bought the Battle interest. Ray Moreman, the retiring owner, has been employed in the store for some 45 years, actively managing it since the death of his father, T. R. Moreman. He added a line of groceries to the hardware stock in about 1942, and moved into the present grocery and locker in 1945.

Mr. Moreman stated Monday that he appreciated very much the good business and the friendship he has received while in the store here, and solicits the continued patronage of the community for the new owner.

Mr and Mrs Moreman plan to continue living in Hedley.

FHA News

On Monday night, April 26, the Hedley FHA Chapter presented the program for PTA. The program was in the form of a style show, displaying the garments that have been made as school and home projects this year.

Approximately 40 garments were modeled by the girls. The styles ranged from short sets to party dresses. Ricki Rowell gave an interesting report of the history of spices and their role in making history.

The FHA Style Show is an annual event presented to the public at some time during the school year.

TB: the Problem that Won't Go Away

610,000 Americans still have active tuberculosis or are classified as "high risk" individuals.

- A. 110,000 are known to have active tuberculosis.
- B. 250,000 are recently recovered TB patients, many of whom are subject to relapse.
- C. 250,000 are known to have had contact with new active TB cases recently reported.

610,000 persons, all told, are now in the TB picture—either as actively ill patients or in the "high risk" category. Christmas Seal funds help provide the hope and the means of achieving ultimate control and eradication of tuberculosis in the U. S.

Valedictorian of the graduating class of Clarendon College in the Spring of 1965 is Mrs. Jeannine Hermesmeier of Clarendon. Jeannine has a 2.757 grade point average for two years of work at Clarendon College. James Boliver of Hedley is salutatorian with a grade point average of 2.729. Third ranking graduate is Larry Hight of Clarendon, with a grade point average of 2.540, and the fourth is Mrs. Eureda Mays of Clarendon with a 2.50 average.

Baseball News

Hedley defeated Estelline in the game played here last Sunday.

A league has now been formed, to begin play the first week in June. Teams in the league will include Hedley, a Latin team from Amarillo, a white team and negro team from Memphis, one from Childress and one from Estelline.

Watch for the date and time of the opening games.

REDDY TIPS

*to Give You More Comfort
from Your*

**AIR CONDITIONING
at a Lower Cost!**

Furnishing you comfort, convenience and pleasure, Reddy works for even lower wages than he did 10 years ago. In fact . . . in homes served by WTU, the average cost per KWH is 17% less than it was in 1952. Electricity costs so little you can use lots of it!

Aren't you happy you have air conditioning to keep you cool and comfortable through these long, hot summer days . . . and nights . . . while outside temperatures are sizzling up to the 100 degree mark and past?

For your sake Reddy hopes the temperatures will take a tumble. But in case they don't, he's bursting to give you these valuable tips on how to get maximum efficiency at the lowest cost from your air conditioning—whether you have a central system or window units.

Reddy learned long ago there's nothing better than a long-term, satisfied customer. So, he wants to see that you get the most for your air conditioning dollar by saving you wasted expense.

**West Texas Utilities
Company**

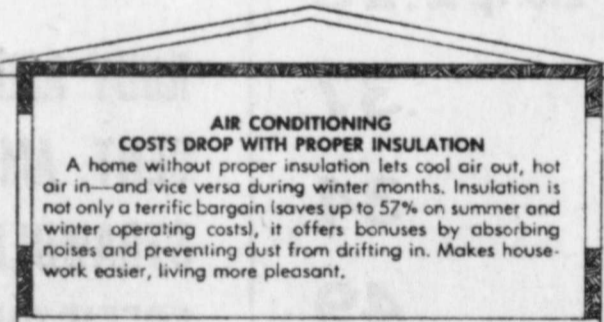

an investor owned company

clip this out and keep as a reminder

**KEEP FILTERS CLEAN . . .
PREVENT WASTED DOLLARS**

Take the "strain" off your air conditioner and your budget. A dirty filter restricts air flow, makes your unit work harder to keep your home cool, costs you more in operating costs. Almost one-half of their trouble calls are traced to dirty filters. And filters are inexpensive to buy—easy to install and clean. Fiber glass throw-away filters can be cleaned well with a vacuum cleaner. Metal permanent type filters are best cleaned with water. Save money! Check them periodically.

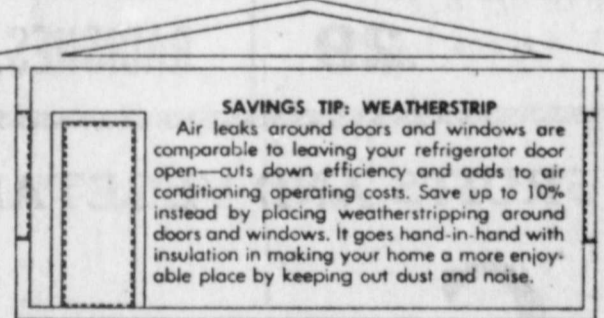

**AIR CONDITIONING
COSTS DROP WITH PROPER INSULATION**

A home without proper insulation lets cool air out, hot air in—and vice versa during winter months. Insulation is not only a terrific bargain (saves up to 57% on summer and winter operating costs), it offers bonuses by absorbing noises and preventing dust from drifting in. Makes housework easier, living more pleasant.

AN OCCASIONAL CHECK-UP PAYS

Your air conditioning unit is a fine piece of equipment. A check-up keeps it "in tune," prevents sluggish operation and sometimes reveals that a unit is low on refrigerant . . . this condition ups operating costs. Your serviceman can keep your unit charged with the right amount of refrigerant. He'll open up free air flow, too, by cleaning accumulated dirt, mold and algae from the cooling coil "fins" and fans. He'll make sure the motors, wiring and thermostats are working properly, and may even paint your unit with rust preventive for longer life. You'll be glad your serviceman called!

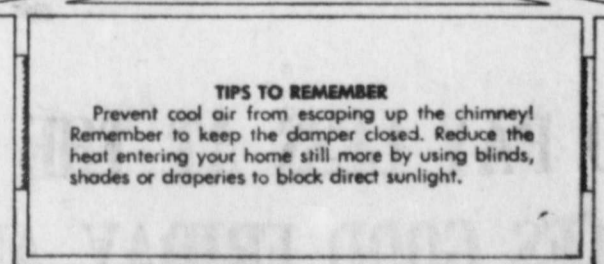

SAVINGS TIP: WEATHERSTRIP

Air leaks around doors and windows are comparable to leaving your refrigerator door open—cuts down efficiency and adds to air conditioning operating costs. Save up to 10% instead by placing weatherstripping around doors and windows. It goes hand-in-hand with insulation in making your home a more enjoyable place by keeping out dust and noise.

**THE THERMOSTAT SETTING
IS THE KEY TO SAVING MONEY**

The "just right" temperature for comfortable indoor living is 76 to 78 degrees F., although some might want it a little cooler and others a little warmer. The engineers say, it will cost you as much as 10% more to operate your unit for each degree below the ideal 76 to 78 degrees F. How's that for a money-saving tip?

TIPS TO REMEMBER

Prevent cool air from escaping up the chimney! Remember to keep the damper closed. Reduce the heat entering your home still more by using blinds, shades or draperies to block direct sunlight.
