## A PRICELESS RECIPE

In a health emergency, the little slip of paper on which your physician writes his prescription is priceless. You wouldn't part with it under any circumstances.

However, once the emergency has passed, human nature being what it is, you are apt to forget how valuable the prescription really was. Maybe you even grumble a little at its out-of-pocket cost, failing to remember the doctor's professional skill, the countless hours of pharmaceutical research and many other factors that made the "recipe" possible in a health crisis.

Permit our prescription department to fill your next "recipe for health."

### Cotton Loans

The loan rate for cotton produced in Donley has been announced at 28.99 for middling 1 inch for 1965.

Here are some important changes in the loan program for 1965.

1. All loans (except loans to co-ops) will be disbursed by ASCS County Offices.

2. All loan documents will be kept in ASCS County Offices until the loan matures or the cotton is redeemed.

3. Warehouse receipts no longer have to be stamped showing that the receiving charges have been paid, thus avoiding undue delay.

As in the past, loan papers may be prepared at ASCS County Offices or by approved loan clerks located throughout the county. However, all Form A cotton loans will be disbursed by the ASCS County offices through issuing a CCC loan draft which may be cashed the same as a check.

Producers and buyers should find the cotton loan program more convenient as a result of these changes. What's more, the program will be less costly to the government.

### Measuring Acreages

Our performance reporters are now in the fields measuring crops and diverted acreages. Your assistance in helping the reporter measure crops and locate all fields will be greatly appreciated. This will help eliminate errors that might be made otherwise.

Let us remind you again to be sure to point out any cotton which was planted and not standing so that it can be measured for history purposes.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding Section 48b thereto which shall read as follows: "Section 48b. There is hereby created as an agency of the State of Texas the Teacher Retirement System of Texas, the rights of membership in which, the retirement privileges and benefits thereunder, and the management and operations of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature not inconsistent herewith. The general

administration and responsibility for the proper operation of said system are hereby vested in a State Board of Trustees, to be known as the State Board of Trustees of the Teacher Retirement System of Texas, which Board shall be constituted and shall serve as may now or hereafter be provided by the Legislature. Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the Constitution of the State of Texas be amended to read as follows:

"Section 24. Representatives shall receive from the Public Treasury an annual salary of not exceeding Four Thousand, Eight Hundred Dollars (\$4,800) per year. Senators shall receive from the Public Treasury an annual salary of not exceeding Four Thousand, Eight Hundred Dollars (\$4,800) per year. The Lieutenant Governor and the Speaker of the House of Representatives shall receive from the Public Treasury an annual salary in an amount to be fixed by the Legislature. All Members of the Legislature, including the Lieutenant Governor and the Speaker of the House of Representatives, also shall receive from the Public Treasury a per diem of not exceeding Twenty Dollars (\$20) per day for the one hundred and forty (140) days of each Regular Session and for thirty (30) days of each Special Session of the Legislature. No Regular Session shall be of longer duration than one hundred and forty (140) days. This Amend-

ment shall be self-enacting and appropriations heretofore made in the General Appropriations Bill for the biennium ending August 31, 1967, for the salaries of the Lieutenant Governor and Speaker of the House of Representatives shall not be invalid because of the anticipatory nature of the legislation.

"In addition to the per diem the Members of each House shall be entitled to mileage in going to and returning from the seat of Government, which mileage shall not exceed Two Dollars and Fifty Cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county seat now or hereafter to be established; no Member to be entitled to mileage for any extra Session that may be called within one (1) day after the adjournment of the Regular or Called Session."

If, during the vacancy in the office of Governor, the Lieutenant Governor should die, resign, refuse to serve, or be removed from office, or be unable to serve; or if he shall be impeached or absent from the State, the President of the Senate, for the time being, shall, in like manner, administer the Government until he shall be superseded by a Governor or Lieutenant Governor. The Lieutenant Governor shall, while he acts as President of the Senate, receive for his services an annual salary in an amount to be fixed by the Legislature and the same mileage which shall be allowed to the Members of the Senate, and no more; and dur-

ing the time he administers the Government, as Governor, he shall receive in like manner the same compensation which the Governor would have received had he been employed in the duties of his office, and no more. The President, for the time being, of the Senate, shall, during the time he administers the Government, receive in like manner the same compensation, which the Governor would have received had he been employed in the duties of his office."

Sec. 3. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday following the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment allowing an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives and allowing a per diem for Members of the Legislature not to exceed Twenty Dollars (\$20) per day for the 140 days of each Regular Session and 30 days of each Special Session.

"AGAINST the Constitutional Amendment allowing an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives and allowing a per diem for Members of the Legislature not to exceed Twenty Dollars (\$20) per day for the 140 days of each Regular Session and 30 days of each Special Session."

**NUMBER ONE ON THE BALLOT**

**PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.**  
 SENATE JOINT RESOLUTION NO. 24 proposing an Amendment to the Constitution of the State of Texas by amending Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Section 17 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven Cents (7¢) on the One Hundred Dollars (\$100.00) valuation heretofore permitted to be levied by Section 51 of Article III, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two Cents (2¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article III, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article III, of the Constitution.

"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Ten Cents (10¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings or other permanent improvements at the designated institutions of higher learning provided that none of the proceeds of this tax shall be used for auxiliary enterprises; and the governing board of each such institution of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as

hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed four per cent (4%) per annum and shall mature serially or otherwise in not more than ten (10) years; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30¢) on the One Hundred Dollars (\$100.00) valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"The following state institutions then in existence shall be eligible to receive funds raised from said Ten Cent (10¢) tax levy for the twelve-year period beginning January 1, 1966, and for the succeeding ten-year period:

- Arlington State College at Arlington
- Texas Technological College at Lubbock
- North Texas State University at Denton
- Lamar State College of Technology at Beaumont

- West Texas State University at Canyon

Stephen F. Austin State College at Nacogdoches

 Angelo State College at San Angelo.

"Eighty-five per cent (85%) of such funds shall be allocated by the Comptroller of Public Accounts of the State of Texas on June 1, 1966, and fifteen per cent (15%) of such funds shall be allocated by said Comptroller on June 1, 1972, based on the following determinations:

"(1) Ninety per cent (90%) of the funds allocated on June 1, 1966, shall be allocated to state institutions based on projected enrollment increases published by the Coordinating Board, Texas College and University System for fall 1966 to fall 1978.

"(2) Ten per cent (10%) of the funds allocated on June 1, 1966 shall be allocated to certain of the eligible state institutions based on the number of additional square feet needed in educational and general facilities by such eligible state institution to meet the average square feet per full time equivalent student of all state senior institutions (currently numbering twenty-two).

"(3) All of the funds allocated on June 1, 1972, shall be allocated to certain of the eligible state institutions based on determinations used in the June 1, 1966, allocations except that the allocations of fifty per cent (50%) of the funds allocated on June 1, 1972, shall be based on projected enrollment increases for fall 1972 to fall 1978, and fifty per cent (50%) of such funds allocated on June 1, 1972, shall be based on the need for additional square feet of educational and general facilities.

"Not later than June first of the beginning year of each succeeding ten-year period the Comptroller of Public Accounts of the State of Texas shall reallocate eighty-five per cent (85%) of the funds to be derived from said Ten Cent (10¢) ad valorem tax for said ten-year period and not later than June first of the sixth year of each succeeding ten-year period said Comptroller shall reallocate fifteen per cent (15%) of such funds to the eligible state institutions then in existence based on determinations for the said ten-year period that are similar to the determinations used in allocating funds during the twelve-year period beginning January 1, 1966, except that enrollment projections for succeeding ten-year periods will be from the fall semester of the first year to the fall

semester of the tenth year. All such designated institutions of higher learning shall not thereafter receive any general revenue funds for the acquiring or constructing of buildings or other permanent improvements for which said Ten Cent (10¢) ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of any General Revenue Funds. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this Amendment, and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose. This Amendment shall be self-enacting. It shall become operative or effective upon its adoption so as to supersede and repeal the former provisions of this Section; provided further, that nothing herein shall be construed as impairing the obligation incurred by any outstanding notes or bonds heretofore issued by any state institution of higher learning under this Section prior to the adoption of this Amendment but such notes or bonds shall be paid, both as to principal and interest, from the fund as allocated to any such institution.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election to be held on the first Tuesday after the first Monday in November, A.D. 1965, at which election all ballots shall have printed thereon:
