A. S. C. News

It is once again that time of year when we begin to think about the election of community and county committeemen. Community committeemen will be elected by mail as in the past. These men will elect the county committee.

A slate of nominees will be selected for each community and mailed to each eligible voter

Farmers may petition names to be placed on the ballot. Each petition will be limited to one name and signed by six eligible voters. Petitions must be received in the county office by August 18. Persons nominated by petition will be placed on the ballot if found willing and eligible to serve.

The present community and county committees have the right and responsibility to complete the slate of nominees. Your present committeemen are as follows:

County Committee, Lacy Noble, H. A. Green and A. B. Ivey

F Community, Frank Lindsey, Jr., John W. Stephens and Tommy Bain

G Community, Henry Moore, A. B. Spalding and James Potts

Boys Ranch Rodeo

The 336 youngsters at Cal Farley's Boys Ranch near Amarillo are getting ready for their annual rodeo and the practice rides have already started for the Labor Day weekend event

More Ranchers will be participating than ever. They started practicing nearly three months before the event and the boys have signs of putting on the best performance ever. All the boys will take part in the rodeo, either in competition or in the many behind-the-scenes activities that are necessary to a successful rodeo.

The events range from bronc riding for the older boys to the famous stick-horse race in which the youngest boys, ages 5 to 8, navigate their mounts around barrels placed in the Ranch's arena. Professional rodeo stock is used by the older boys and calves from the Ranch's own herd provide thrilling rides for the less experienced Ranchers.

The highlight of the two day rodeo is the naming of the Junior and Senior All-Around Cowboys. Members of the adult staff also saddle up horses and work in the chutes and the arena assisting the boys.

During the past 20 years the Boys Ranch Rodeo has become one of the most anticipated occasions, not only with the Ranchers, but with their many friends across the nation and this year the boys are going all the way to make the 21st Annual Rodeo the best one yet.

Wiener Roast

There will be a wiener roast for the Little League on August 14. All families of Little League boys and any interested persons are invited. Bring food for your family. We will eat at Fowler's pool at Memphis

Cotton Festival

A water show may be added to the 14th Annual Cotton Festival Oct. 15 and 16. Each year we take off two days from our work and give thanks and rejoice that we have never failed to make some kind of cotton crop.

Now with the several irrigation wells added and more to come and the promise of at least three lakes in our area we have water to be thankful for. Cotton and water go hand in hand. They mix well especially in August.

New Watchman

The Hedley city council at their regular meeting last Thursday night hired a new night watchman for the city, O T. Behrens, to replace Frank Jones, who had resigned.

Mr. Behrens comes to Hedley from Olympia, Wash., where he has lived for some time. He has had many years of experience in law enforcement and guard work, and is well qualified for the job. He is enjoying his job, and is anxious to make the acquaintance of all our citizens.

Phil Walker pitched the entire game for Hedley, allowing only one hit. He was in trouble a good bit of the game but managed to bear down in the clutches. A fast double play by Joe Wood to Tracy Sanders to Leon Bevers helped Hedley out of one tight spot.

The Hedley boys got five hits off two Dodson pitchers Butch Weatherly drove in the first Hedley run and Joe Wood the second.

Sites and dates of the league playoff games are still undecided

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

DID YOU KNOW THAT:

According to the Texas Forest Service, the forest regions of Texas embrace 26½ million acres. This is more than the total acreage of the states of New Hampshire, Rhode Island, Vermont and Massachusetts. Accounting for the biggest share of acreage is the pine-hardwood area of East Texas, 12½ million acres. The other 14 million acres of forests include the post oak, east and west cross timbers, cedar breaks, mountain forests of West Texas, coastal forests, and miscellaneous forests in stream bottoms.

4-H Youths Keep Fit

When boys and girls club work first started in the early 1900's, the emblem was a 3-H clover symbolizing Head, Heart, Hands. Around 1911 the 4th H was added to represent Health. Ever since, both here and in about 75 other countries, this emblem has represented the equal training of "head, heart, hands and health for better living."

Health projects have grown over the years in knowledge, activities and membership, says the Cooperative Extension Service which supervises 4-H programs. And keeping fit is one important segment of the national 4-H Health program which today enrolls some 677,000 boys and girls.

It is easy to keep in good shape during summer months through sports, games, hikes, camping and outdoor work. But, cautions the 4-H Health bulletin, there is more to maintaining good health than strenuous exercise.

This recent publication points out the need for three nutritious meals a day, plenty of sleep, periodic physical checkups and a sensible balance of work and play. It also urges 4-H Club members to look for ways to improve family and community health.

Individual members and clubs can win awards for doing an outstanding job. Winners are selected by the Extension Service. Award donor and sponsor of the 4-H Health program for the last 10 years is Eli Lilly and Company.

The boy or girl judged best in the state will be a delegate to the National 4-H Club Congress at Chicago next fall, and will compete for one of six \$500 scholarships. In the county, the best four club projects will be recognized with a certificate and medals will be presented to as many as four top individuals.

Farm Facts

The history of barley is almost as old as that of agriculture. It is believed to have originated in Asia and to have been grown in Egypt nearly 70 centuries ago. The cereal is mentioned in the Bible and mythology and dates back to 3500 B.C. in Mesopotamia, 3000 B.C. in Europe, and 2000 B.C. in China.

Barley has the shortest growing season of any cereal and because of this can be grown in the cool climate of Norway or in hot, dry Morocco.

Although used primarily for livestock feed in the United States, barley is an important item in the human diet in parts of Africa and Asia.

Since antiquity, barley has been used in the brewing of beer, and today nearly all beer is made from it. More than 85 million bushels are consumed in the U.S. annually for alcohol and alcoholic beverages as compared with about 230 million bushels for livestock feed.

The U.S. leads the world in

Barley is one of the oldest known grains.

barley production, followed by France, Canada, the United Kingdom, West Germany, and Turkey. North Dakota, California, Montana, Minnesota, and Washington are our top barley producing states.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding Section 48b thereto which shall read as follows: "Section 48b. There is hereby created as an agency of the State of Texas the Teacher Retirement System of Texas, the rights of membership in which, the retirement privileges and benefits thereunder, and the management and operations of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature not inconsistent herewith. The general

Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. All moneys from whatever source coming into the Fund to provide retirement, disability, and death benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state and all other securities, moneys, and assets of the Teacher Retirement System of Texas shall be administered by said Board and said Board shall be the trustees thereof. Unless investments authorized herein are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Teacher Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors; and provided further, that so long as less than \$500,000,000 of said Fund is invested in the government and municipal securities enumerated above, not more than thirty-three and one-third per cent (33 1/3%) of the Fund shall be invested at any given time in common stocks. This Amendment shall be self-enacting and shall become effective immediately upon its adoption without any

enabling legislation. This Section shall not alter, amend or repeal the first paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto. This Section shall not alter, amend or repeal the second paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto, except insofar as the provisions of the second paragraph of Section 48a and any legislation passed pursuant thereto, may limit or restrict the provisions hereof and only to the extent of such limitation or restriction."

"FOR the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund, and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System."

The Lieutenant Governor and the Speaker of the House of Representatives shall receive from the Public Treasury an annual salary in an amount to be fixed by the Legislature. All Members of the Legislature, including the Lieutenant Governor and the Speaker of the House of Representatives, also shall receive from the Public Treasury a per diem of not exceeding Twenty Dollars (\$20) per day for the one hundred and forty (140) days of each Regular Session and for thirty (30) days of each Special Session of the Legislature. The Lieutenant Governor shall, while he acts as President of the Senate, receive for his services an annual salary in an amount to be fixed by the Legislature and the same mileage which shall be allowed to the Members of the Senate, and no more; and dur-

ing the time he administers the Government, as Governor, he shall receive in like manner the same compensation which the Governor would have received had he been employed in the duties of his office, and no more. The President, for the time being, of the Senate, shall, during the time he administers the Government, receive in like manner the same compensation, which the Governor would have received had he been employed in the duties of his office."

Sec. 3. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday following the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment allowing an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives and allowing a per diem for Members of the Legislature not to exceed Twenty Dollars (\$20) per day for the 140 days of each Regular Session and 30 days of each Special Session.

News From Our County Agent

Donley County Cotton Farmers should be on the look out for various kinds of cotton insects, according to County Agent, Ronald Gooch. Cotton insects are building up in many fields, particularly irrigated ones.

Some of the more common insects that do damage include:

1. Fleahopper, which pierces terminal buds and newly formed squares causing them to drop off. Plants develop tall whip-like growth or increased vegetative branches.
2. Cotton Leafworm, the greenish worm feeds on cotton leaves, and its presence is seen by ragged or stripped leaves
3. Bollworms, feeding of larvae causes loss of both squares and bolls. Newly hatched larvae feed on terminal buds and small squares, and later attack larger squares
4. Boll Weevil, squares and

bolls are punctured by adult weevils for feeding or egg laying. Egg punctures have a wart-like appearance. Punctured squares flare open, and fall to the ground within a week

5. Grasshoppers are feeding on cotton in many parts of the county. They usually start around fence rows and other areas where grass and weeds are found.

Information on identifying and controlling these cotton insects and others can be obtained by contacting your County Agent.

SENATE JOINT RESOLUTION NO. 24 proposing an Amendment to the Constitution of the State of Texas by amending Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 17 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 17. "(1) Ninety per cent (90%) of the funds allocated on June 1, 1966, shall be allocated to state institutions based on projected enrollment increases published by the Coordinating Board, Texas College and University System for fall 1966 to fall 1978.

"(2) Ten per cent (10%) of the funds allocated on June 1, 1966 shall be allocated to certain of the eligible state institutions based on the number of additional square feet needed in educational and general facilities by such eligible state institution to meet the average square feet per full time equivalent student of all state senior institutions (currently numbering twenty-two).
