Boys Ranch Rodeo

Texas-size barbecue beef sandwiches will be a feature attraction when the 21st annual Boys Ranch rodeo is held Sunday, September 5th and Monday, September 6th at Cal Farley's Boys Ranch.

The boys who are studying cooking as a vocation will barbecue beef from the Ranch's own herd and serve it western style on a giant bun along with iced tea for \$1.00, including tax.

A record attendance is expected for the two performances which will take place at 2:30 both afternoons, in the Ranch's rodeo arena. There are 336 youngsters ranging in age from 4 to 18, from 32 states now making their home at Boys Ranch and each will have a part in the famous rodeo which is the only one of its kind in the nation.

The older boys will compete for honors on professional rodeo stock and others will ride calves or work in the behind-the-scenes activities necessary to a successful rodeo. The Ranch is located 36 miles northwest of Amarillo on Ranch Road 1061, and 22 miles north of Vega on Highway 385.

Tickets for the Boys Ranch rodeo may be purchased at the arena or in advance from the Boys Ranch office, Box 1890, Amarillo. Reserved box seats are \$2.50, general admission is \$1.50, and military personnel and children's tickets are 75¢.

Patsy is the granddaughter of Mr. and Mrs. John Tate and visited here in July.

Drouth and long winters deprive cows of green feeds needed to supply vitamin A. This deficiency helps make your cows and calves more susceptible to SCOURS, and to EYE and RESPIRATORY INFECTIONS.

Be safe! Be sure your calves have an adequate reserve of vitamin A by using FRANKLIN VITAMIN A injectable Solution on your cows about a month before calving. Also on the calves at birth.

A wise precaution where vitamin A deficiency is suspected is to supplement treatment for disease with either Vitamin A Injectable Solution or Vitamin A-D Injectable Solution.

Farm Facts

The history of barley is almost as old as that of agriculture. It is believed to have originated in Asia and to have been grown in Egypt nearly 70 centuries ago. The cereal is mentioned in the Bible and mythology and dates back to 3500 B.C. in Mesopotamia, 3000 B.C. in Europe, and 2000 B.C. in China.

Barley has the shortest growing season of any cereal and because of this can be grown in the cool climate of Norway or in hot, dry Morocco.

Although used primarily for livestock feed in the United States, barley is an important item in the human diet in parts of Africa and Asia.

Since antiquity, barley has been used in the brewing of beer, and today nearly all beer is made from it. More than 85 million bushels are consumed in the U.S. annually for alcohol and alcoholic beverages as compared with about 230 million bushels for livestock feed. ●

The U.S. leads the world in

Barley is one of the oldest known grains.

barley production, followed by France, Canada, the United Kingdom, West Germany, and Turkey. North Dakota, California, Montana, Minnesota, and Washington are our top barley producing states.

Boys Ranch Rodeo

The 336 youngsters at Cal Farley's Boys Ranch near Amarillo are getting ready for their annual rodeo and the practice rides have already started for the Labor Day weekend event

More Ranchers will be participating than ever. They started practicing nearly three months before the event and the boys have signs of putting on the best performance ever. All the boys will take part in the rodeo, either in competition or in the many behind-the-scenes activities that are necessary to a successful rodeo.

The events range from bronc riding for the older boys to the famous stick-horse race in which the youngest boys, ages 5 to 8, navigate their mounts around

barrels placed in the Ranch's arena. Professional rodeo stock is used by the older boys and calves from the Ranch's own herd provide thrilling rides for the less experienced Ranchers.

The highlight of the two day rodeo is the naming of the Junior and Senior All-Around Cowboys. Members of the adult staff also saddle up horses and work in the chutes and the arena assisting the boys.

During the past 20 years the Boys Ranch Rodeo has become one of the most anticipated occasions, not only with the Ranchers, but with their many friends across the nation and this year the boys are going all the way to make the 21st Annual Rodeo the best one yet.

SENATE JOINT RESOLUTION NO. 27 proposing an Amendment to the Constitution of the State of Texas, amending Article III of the Constitution of the State of Texas by adding a new Section thereto to be designated Section 48b, so as to create as an agency of the State of Texas the Teacher Retirement System of Texas, vesting the general administration and responsibility of the proper operation of said system in a state board of trustees to be known as the State Board of Trustees of the Teacher Retirement System of Texas, authorizing said Board to invest assets of said system in various obligations and subjects of investment, subject to certain restrictions stated therein and such other restrictions as may hereafter be provided by law; providing that such Amendment shall be self-enacting and shall not alter, amend or repeal Section 48a of Article III of the Constitution of Texas or any legislation passed pursuant thereto except insofar as such legislation may limit or restrict the provisions of this Amendment; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding Section 48b thereto which shall read as follows:

"Section 48b. There is hereby created as an agency of the State of Texas the Teacher Retirement System of Texas, the rights of membership in which, the retirement privileges and benefits thereunder, and the management and operations of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature not inconsistent herewith. The general

administration and responsibility for the proper operation of said system are hereby vested in a State Board of Trustees, to be known as the State Board of Trustees of the Teacher Retirement System of Texas, which Board shall be constituted and shall serve as may now or hereafter be provided by the Legislature. Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. Said Board is hereby authorized and empowered to invest and reinvest any of said moneys, securities, and assets, as well as the proceeds of any of such investments, in bonds, notes, or other evidences of indebtedness issued, or assumed or guaranteed in whole or in part, by the United States or any agency of the United States, or by the State of Texas, or by any county, city, school district, municipal corporation, or other political subdivision of the State of Texas, both general and special obligations; or in home office facilities to be used in administering the Teacher Retirement System including land,

equipment, and office building; or in such corporation bonds, notes, other evidences of indebtedness, and corporation stocks, including common and preferred stocks, of any corporation created or existing under the laws of the United States or of any of the states of the United States, as said Board may deem to be proper investments; provided that in making each and all of such investments said Board shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as probable safety of their capital; and further provided, that a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may now or hereafter be provided by law. Unless investments authorized herein are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Teacher Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors; and provided further, that so long as less than \$500,000,000 of said Fund is invested in the government and municipal securities enumerated above, not more than thirty-three and one-third per cent (33 1/3%) of the Fund shall be invested at any given time in common stocks. News From Our County Agent

Donley County Cotton Farmers should be on the look out for var-

ious kinds of cotton insects, according to County Agent, Ronald Gooch. Cotton insects are building up in many fields, particularly irrigated ones.

Some of the more common insects that do damage include:

1. Fleahopper, which pierces terminal buds and newly formed squares causing them to drop off. Plants develop tall whip-like growth or increased vegetative branches.

2. Cotton Leafworm, the greenish worm feeds on cotton leaves, and its presence is seen by ragged or stripped leaves

3. Bollworms, feeding of larvae causes loss of both squares and bolls. Newly hatched larvae feed on terminal buds and small squares, and later attack larger squares

4. Boll Weevil, squares and

bolls are punctured by adult weevils for feeding or egg laying. Egg punctures have a wart-like appearance. Punctured squares flare open, and fall to the ground within a week

5. Grasshoppers are feeding on cotton in many parts of the county. They usually start around fence rows and other areas where grass and weeds are found.

Information on identifying and controlling these cotton insects and others can be obtained by contacting your County Agent.

SENATE JOINT RESOLUTION NO. 24 proposing an Amendment to the Constitution of the State of Texas by amending Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 17 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven Cents (7¢) on the One Hundred Dollars (\$100.00) valuation heretofore permitted to be levied by Section 51 of Article III, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two Cents (2¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article III, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article III, of the Constitution.

"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Ten Cents (10¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings or other permanent improvements at the designated institutions of higher learning provided that none of the proceeds of this tax shall be used for auxiliary enterprises; and the governing board of each such institution of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as

hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed four per cent (4%) per annum and shall mature serially or otherwise in not more than ten (10) years; provided, further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30¢) on the One Hundred Dollars (\$100.00) valuation. "(1) Ninety per cent (90%) of the funds allocated on June 1, 1966, shall be allocated to state institutions based on projected enrollment increases published by the Coordinating Board, Texas College and University System for fall 1966 to fall 1978.

"(2) Ten per cent (10%) of the funds allocated on June 1, 1966 shall be allocated to certain of the eligible state institutions based on the number of additional square feet needed in educational and general facilities by such eligible state institution to meet the average square feet per full time equivalent student of all state senior institutions (currently numbering twenty-two).

This Amendment shall be self-enacting. It shall become operative or effective upon its adoption so as to supersede and repeal the former provisions of this Section; provided further, that nothing herein shall be construed as impairing the obligation incurred by any outstanding notes or bonds heretofore issued by any state institution of higher learning under this Section prior to the adoption of this Amendment but such notes or bonds shall be paid, both as to principal and interest, from the fund as allocated to any such institution.

The Lieutenant Governor shall, while he acts as President of the Senate, receive for his services an annual salary in an amount to be fixed by the Legislature and the same mileage which shall be allowed to the Members of the Senate, and no more; and dur-

ing the time he administers the Government, as Governor, he shall receive in like manner the same compensation which the Governor would have received had he been employed in the duties of his office, and no more. The President, for the time being, of the Senate, shall, during the time he administers the Government, receive in like manner the same compensation, which the Governor would have received had he been employed in the duties of his office."

Sec. 4. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.
