## Our Love to Hedley

It's sad to say goodbye,  
When I make speeches I cry;  
So I'll say my thanks in a different way,  
When we go part of us will stay.  
We truly have grown to love you so,

A friendlier town we will never know;

The word Thank You seems so small

For things you have done for us all

Thanks to the hostess for the beautiful tea,

And our friends who gave the roses to me,

For the church supper and farewell gift too,

From the bottom of our hearts we thank you

We love this church, it grieves us to go,

Maybe God can use us somewhere though;

And no club could ever be

What the Sodalitas is to me,  
For all the good things it's done;

In the big things we were as one.  
I'll cherish the picture and writings too,

But Oh, how I'll miss all of you.  
The four years here we spent joyously

From the welcoming coffee to the farewell tea;

It's a heart warming feeling to know you belong,

So this isn't goodbye, it's just so long.

### News From Our County Agent

A supply of the 1966 Farmers Tax Guide has been received at the County Agent's office, according to Ronald Gooch. The guide should be helpful to all farmers and ranchers on income tax matters.

Pertinent provisions of the tax law are explained as simply as possible, with examples to illustrate how farming and ranching transactions are treated for Federal tax purposes Matters which normally occur in farming and ranching are covered in this booklet, and it should provide answers to many questions and problems you may have in preparing your tax returns.

Copies of the Farmer's Tax Guide can be picked up at the County Agent's office in Clarendon Write or phone and I will drop one in the mail for you.
