VOL. 56

HEDLEY, DONLEY COUNTY, TEXAS, FEB. 25, 1966

NO. 19

Official Memorandum

Greetings:

Special observance of increased emphasis on our education system has been marked annually for fifteen years by a Public Schools Week in Texas.

During this period, parents are encouraged to visit the public schools, and all citizens are urged through special programs to recognize the tremendous importance of our system of education. Our goal is to make Texas public schools the finest in the Nation, and to achieve this our citizens are urged to take an active interest in the school systems and to cooperate with their school boards, superintendents, principals and teachers.

Never before in our history has there been a greater need for educated leadership. As we rush to train young people in science and technology to keep pace with world events, it is also important to remember that our public schools will furnish our tomorrow's leaders with the basic human, moral and spiritual foundations necessary for more advanced training and knowledge.

Therefore, I, as Governor of Texas, do hereby designate the period of March 5-11, 1966, as **PUBLIC SCHOOLS WEEK** in Texas.

In official recognition whereof, I hereby affix my signature this 9th day of Sept., 1965

John Connally
Governor of Texas

The two trustees whose terms expire this year are James Evans and W. L. Stewart.
