VOL. 56

HEDLEY, DONLEY COUNTY, TEXAS, APR. 29, 1966

NO. 28

Ingram-Neeley

Miss Lonetta Neeley of Amarillo, daughter of Mr and Mrs. Lonnie Neeley of Quail, and Airman Second Class James M Ingram of Amarillo Air Force Base, son of Mrs. Helen Mayo of Vienna, W. Va., were united in marriage on Saturday, April 16, in the home of the bride's parents. Officiating at the ceremony was Elder E. J. Norman of Childress, who also married the bride's parents.

Given in marriage by her father, the bride wore a gown of white chantilly lace over satin. The fitted bodice, made with long tapered sleeves, had a scalloped neckline outlined in seed pearls. The lace skirt was caught up at the hemline by dainty roses, to reveal the fullness of net that extended to floor length. A tiara of seed pearls held the bride's bouffant illusion veil of waist length, and she carried a bouquet of white roses on a white Bible.

Miss Mary Ann Lindsey of Quail was maid of honor. Earlene Davis was the flower girl. Bob Lawson of Amarillo AFB was best man, and the bride's brother, Cary Don Neeley, lighted the candles.

After the ceremony Mr. and Mrs. Neeley were hosts at a reception to honor the couple. Miss Dianne Mosley and Mrs. Michael Breedlove served the guests, and Mrs. Joe Harris was at the register.

The bride is a former Collingworth County Farm Bureau Queen and was graduated in 1965 from Quail High School. She is now employed at Amarillo Air Force Base.

The bridegroom was graduated from high school at Utica, Ohio, and has been in the Air Force for two years.

The bride is the granddaughter of Mr and Mrs. Clarence Welch of Hedley.

With Miss Brenda Winn presiding, 35 guests registered in a unique bride's book made by Mrs. Don Altman.

The refreshment table was laid with a cutwork tablecloth of white and blue, centered with an arrangement of blue carnations and white bridal wreath. The punch was served from a crystal punch bowl by Miss Thava Davis, assisted by Miss Janice Floyd, who served the beautifully decorated cakes.

There were 15 hostesses.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.
