College Housing

Kenneth Vaughn, president of Clarendon College, has announced that construction will begin this week on the proposed housing complex to be located on the new campus acreage which was purchased recently. The housing complex is the first step in an extensive building program now in the blueprint stage, and will consist of a cafeteria, bookstore, swimming pool, boys' dorm and girls' dorm. It is being constructed by CanTex Corporation of Canyon and Amarillo and is being financed by private funds. The new buildings will be completely air conditioned and are to be ready for occupancy when the fall semester begins in September.

The second phase of construction is to commence within the year and will include a complete academic plant. These facilities will also be situated on the new thirty acre campus just off U. S. Highway 287 at the western edge of the Clarendon city limits. The new plant is to be financed by federal and private monies and will require neither a bond election nor a tax increase.

Students who wish to reside in the new dorms at Clarendon College should make reservations immediately.

Card of Thanks

I want to thank everyone for the many cards, gifts and flowers, and most of all your visits while I was in the hospital.

Leaving Monday for Panfork Baptist encampment were Cindy Saunders, Gail Holland, Dianne Gay, Rhonda Morgan, and Kay and Kendra Sams. They were accompanied by Mrs. H. L. Morgan and Mrs. Kenneth Sams.

Mr. and Mrs. John Stephens, Mr. and Mrs. Wilson Stephens and Mr. and Mrs. Clarence Stephens went last week to Clovis, N. Mex., where Emmett Stephens has been seriously ill since suffering a heart attack last Tuesday.

Mrs. Doyle Messer and children are staying in Lubbock, where she is enrolled for the second summer session.

New House

Mr. and Mrs. Harry Boatright have moved a nice modern dwelling from Boys Ranch to a location at the corner of Line Avenue and North Main Street in the Johnson-Weatherly Addition to Hedley. The building will be completely remodeled and ready for rent or sale soon.

This makes the fifth house in this new addition. What was just a cotton patch two years ago is now the homes of five families, all attractive remodeled homes with modern conveniences, well kept lawns and gardens.

There are several more attractive lots in this addition, both on and off the pavement, ideal sites for homes with plenty of yard and garden space. The land is very productive.

Mrs. Jewell Quisenberry is enrolled at West Texas State at Canyon for the second summer session.

Mr. and Mrs. Loyd Messer and Mr. and Mrs. A. B. Spalding visited in Clayton, N. Mex., last week end.

Thursday afternoon was set aside for a tour. The boys from Hedley spent the afternoon at San Marcos at the Aquarena. The boys reported a very enjoyable time. They also visited the State Capitol and other points of interest in Austin.

The Paul Dishman family of Dallas visited here last week end and took home their daughter, Lian, who had been visiting in the Roy Jewell home. They also left their son Chip here for a week's visit.

Mr. and Mrs. Loyd Messer and Mrs. A. B. Spalding visited in Big Spring and El Paso last week.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.
