## News From Our County Agent

Bagworm damage to evergreens such as arbovitae, cedar and other evergreen species is being found now, says County Agent Ronald Gooch. Evergreens should be watched carefully at this time of year, especially if old worm bags are found on the tree. Wingless females crawl out die after laying eggs inside the bag. In this case, each bag may contain hundreds of eggs which hatch into tiny larvae.

The newly-hatched larvae immediately start to make bags by chewing off small pieces of the tree. Young worms carry the bags wherever they go. The larvae can be killed with insecticides applied when the bagworms are still small. Chemical controls are ineffective when worms are full grown.

Chemicals suggested as controls include Sevin, Malathion or Toxaphene. The insecticide applications should be applied at 7 to 10

day intervals until the bagworms are eliminated. Directions on the container should be followed carefully, the county agent emphasized.

**PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.**

HOUSE JOINT RESOLUTION NO. 48 proposing an Amendment to Article IX of the Constitution of the State of Texas, providing the method and manner for dissolution of hospital districts created under Article IX of the Constitution.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Section 9, Article IX of the Constitution of the State of Texas be amended to read as follows:

"Section 9. The Legislature may by law provide for the creation, establishment, maintenance and operation of hospital districts composed of one or more counties or all or any part of one or more counties with power to issue bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping same, for hospital purposes; providing for the transfer to the hospital district of the title to any land, buildings, improvements and equipment located wholly within the district which may be jointly or separately owned by any city, town or county, providing that any district so created shall assume full responsibility for providing medical and hospital care for its needy inhabitants and assume the outstanding indebtedness incurred by cities, towns and counties for hospital purposes prior to the creation of the district, if same are located wholly within its boundaries, and a pro rata portion of such indebtedness based upon the then last approved tax assessment rolls of the included cities, towns and counties if less than all

the territory thereof is included within the district boundaries; providing that after its creation no other municipality or political subdivision shall have the power to levy taxes or issue bonds or other obligations for hospital purposes or for providing medical care within the boundaries of the district; providing for the levy of annual taxes at a rate not to exceed seventy-five cents (75c) on the One Hundred Dollar valuation of all taxable property within such district for the purpose of meeting the requirements of the district's bonds, the indebtedness assumed by it and its maintenance and operating expenses, providing that such district shall not be created or such tax authorized unless approved by a majority of the qualified property taxpaying electors thereof voting at an election called for the purpose; and providing further that the support and maintenance of the district's hospital system shall never become a charge against or obligation of the State of Texas nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such district.

Provided, however, that no district shall be created except by act of the Legislature and then only after thirty (30) days' public notice to the district affected, and in no event may the Legislature provide for a district to be created without the affirmative vote of a majority of the taxpaying voters in the district concerned.

The Legislature may also provide for the dissolution of hospital districts provided that a process is afforded by statute for:

- (1) determining the desire of a majority of the qualified voters within the district to dissolve it;
- (2) disposing of or transferring the assets, if any, of the district; and
- (3) satisfying the debts and bond obligations, if any, of the district, in such manner as to protect the interest of the citizens within the district, including their collective property rights in the assets and property of the district, provided, however, that any grant from federal funds, however dispensed, shall be considered an obligation to be repaid in satisfaction and provided that no election to dissolve shall be held more often than once each year. In such connection, the statute shall provide against disposal or transfer of the assets of the district except for due compensation unless such assets are transferred to another governmental agency, such as a county, embracing such district and using such transferred assets in such a way as to benefit citizens formerly within the district.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment providing the method and manner for dissolution of hospital districts.

"AGAINST the constitutional amendment providing the method and manner for dissolution of hospital districts."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Section 62 of Article XVI of the Constitution of the State of Texas be amended by adding thereto a subsection (c) which shall read as follows:

"(c) The Texas Legislature is authorized to enact appropriate laws to provide for a System of Retirement, Disability and Death Benefits for all the officers and employees of a county or other political subdivision of the state, or a political subdivision of a county; providing that when the Texas Legislature has passed the necessary enabling legislation pursuant to the Constitutional authorization, then the governing body of the county or other political subdivision of the state, or political subdivision of the county shall make the determination as to whether a particular county or other political subdivision of the state, or subdivision of the county participates in this System; providing further that such System shall be operated at the expense of the county or other political subdivision of the state or political subdivision of the county electing to participate therein and the officers and employees covered by the System; and providing that the Legislature of the State of Texas shall never make an appropriation to pay the costs of this Retirement, Disability and Death Compensation System.

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

**Proposed CONSTITUTIONAL AMENDMENT NUMBER SEVEN ON THE BALLOT**

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 13 proposing an Amendment to Sections 2 and 4 of Article VI of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 2 of Article VI of the Constitution of the State of Texas be amended, effective February 1, 1968, by deleting the following language:

"and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before offering to vote at any election in this State and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such tax receipt has been lost. Such affidavit shall be made in writing and left with the judge of the election. The husband may pay the poll tax of his wife and receive the receipt therefor. In like manner, the wife may pay the poll tax of her husband and receive the receipt therefor." and by substituting therefor the following language:

"provided, however, that before offering to vote at an election a voter shall have registered annually, but such requirement for registration shall not be considered a qualification of an elector within the meaning of the term 'qualified elector' as used in any other Article of this Constitution in respect to any matter except qualification and eligibility to vote at an election. Any legislation enacted in anticipation of the adoption of this Amendment shall not be invalid because of its anticipatory nature."

The text of this Section, as so amended, is shown below, with the deleted language marked through by a broken line and with the new

language underscored:

"Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one (21) years and who shall be a citizen of the United States and who shall have resided in this State one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before offering to vote at any election in this State and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such tax receipt has been lost. Such affidavit shall be made in writing and left with the judge of the election. The husband may pay the poll tax of his wife and receive the receipt therefor. In like manner, the wife may pay the poll tax of her husband and receive the receipt therefor.

provided, however, that before offering to vote at an election a voter shall have registered annually, but such requirement for registration shall not be considered a qualification of an elector within the meaning of the term 'qualified elector' as used in any other Article of this Constitution in respect to any matter except qualification and eligibility to vote at an election. Any legislation enacted in anticipation of the adoption of this Amendment shall not be invalid because of its anticipatory nature. The Legislature may authorize absentee voting. And this provision of the Constitution shall be self-enacting without the necessity of further legislation. Any member of the Armed Forces of the United States or component branches thereof; or in the military service of the United States, may vote only in the county in which he or she resided at the time of en-

tering such service so long as he or she is a member of the Armed Forces."

Sec. 2. That Section 4 of Article VI of the Constitution of the State of Texas be amended by changing the word "may" to "shall" in the last clause thereof and by deleting the words "in all cities containing a population of ten thousand inhabitants or more."

The text of this Section, as so amended, is shown below, with the deleted language marked through by a broken line and with the new language underscored:

"Section 4. In all elections by the people, the vote shall be by ballot, and the Legislature shall provide for the numbering of tickets and make such other regulations as may be necessary to detect and punish fraud and preserve the purity of the ballot box; and the Legislature may shall provide by law for the registration of all voters in all cities containing a population of ten thousand inhabitants or more."

Sec. 3. If any other Amendment to Sections 2 or 4 of Article VI of the Constitution of the State of Texas, being for a different purpose, is adopted at an earlier election or at the same election, the adoption of this Amendment shall not be construed as nullifying any change made by such other Amendment.

Sec. 4. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR repealing the poll tax as a requirement for voting.

"AGAINST repealing the poll tax as a requirement for voting."

Sec. 5. If the foregoing Amendment is adopted, the proclamation of the Governor declaring the adoption of the Amendment shall set forth the full text of the amended Sections, as amended herein and as amended by any other proposed Amendment which is submitted by the 59th Legislature and which has been duly adopted prior to such proclamation.

Sec. 6. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Article VIII, Constitution of the State of Texas, be amended by adding Section 1-d to read as follows:

"Section 1-d. 'Agricultural use' means the raising of livestock or growing of crops, fruit, flowers, and other products of the soil under natural conditions as a business venture for profit, which business is the primary occupation and source of income of the owner.

"(b) For each assessment year the owner wishes to qualify his land under provisions of this Section as designated for agricultural

use he shall file with the local tax assessor a sworn statement in writing describing the use to which the land is devoted.

"(c) Upon receipt of the sworn statement in writing the local tax assessor shall determine whether or not such land qualifies for the designation as to agricultural use as defined herein and in the event it so qualifies he shall designate such land as being for agricultural use and assess the land accordingly.

"(d) Such local tax assessor may inspect the land and require such evidence of use and source of income as may be necessary or useful in determining whether or not the agricultural use provision of this article applies.

If designated land is subsequently diverted to a purpose other than that of agricultural use, or is sold, the land shall be subject to an additional

tax. The additional tax shall equal the difference between taxes paid or payable, hereunder, and the amount of tax payable for the preceding three years had the land been otherwise assessed. Until paid, there shall be a lien for additional taxes and interest on land assessed under the provisions of this Section.

#### Reporting Performance

We want to again remind all farmers (except those who still have a Soil Bank contract in effect) that you are responsible for measuring your own crops and diverted acreages and turning them in to the ASCS County Office as soon as possible, but not later than September 1. Failure to make your report and certification by this deadline will result in loss of program payments. Too much delay may catch you in the middle of the last minute rush period. Also, the sooner we have these reports, the sooner we will be able to compute payments.

#### Emergency Grazing

To date approximately 50 producers have filed requests to graze soil bank and diverted acres. Any additional producers wanting to graze any of these acreages should keep in mind that applications must be filed before any stock are turned on them. If our authorized grazing period is extended beyond August 31, it will be necessary to file new applications before grazing can be continued.

**Proposed CONSTITUTIONAL AMENDMENT  
NUMBER ELEVEN ON THE BALLOT**

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 19 proposing an Amendment to Section 49-d, Article III of the Constitution of the State of Texas, declaring state policy regarding optimum development of water reservoirs; providing for the use of the Texas Water Development Fund under such conditions as the Legislature may prescribe by General Law in the acquisition and development of storage facilities and any system of works properly appurtenant thereto; providing for the sale, lease or transfer of such facilities under General Laws; providing for long-term contracts for water storage facilities; authorizing the issuance of an additional \$200,000,000 in bonds by the Texas Water Development Board upon a two-thirds (2/3) vote of the elected members of each house; providing that anticipatory legislation shall not be invalid because of its anticipatory character; providing for the necessary election, form of ballot; and proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-d of Article III of the Constitution of the State of Texas be amended to read as follows:

"Section 49-d. It is hereby declared to be the policy of the State of Texas to encourage the optimum development of the limited number of feasible sites available for the construction or enlargement of dams and reservoirs for conservation of the public waters of the state, which waters are held in trust for the use and benefit of the public. The proceeds from the sale of the additional bonds authorized hereunder deposited in the Texas Water Development Fund and the proceeds of bonds previously authorized by Article III, Section 49-c of this Constitution, may be used by the Texas Water Development Board, under such provisions as the Legislature may prescribe by General

Law, including the requirement of a permit for storage or beneficial use, for the additional purposes of acquiring and developing storage facilities, and any system or works necessary for the filtration, treatment and transportation of water from storage to points of treatment, filtration and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods; provided, however, the Texas Water Development Fund or any other state fund provided for water development, transmission, transfer or filtration shall not be used to finance any project which contemplates or results in the removal from the basin of origin of any surface water necessary to supply the reasonably foreseeable future water requirements for the next ensuing fifty-year period within the river basin of origin, except on a temporary, interim basis.

"Under such provisions as the Legislature may prescribe by General Law the Texas Water Development Fund may be used for the conservation and development of water for useful purposes by construction or reconstruction or enlargement of reservoirs constructed or to be constructed or enlarged within the State of Texas or on any stream constituting a boundary of the State of Texas, together with any system or works necessary for the filtration, treatment and/or transportation of water, by any one or more of the following governmental agencies: by the United States of America or any agency, department or instrumentality thereof; by the State of Texas or any agency, department or instrumentality thereof; by political subdivisions or bodies politic and corporate of the state; by interstate compact commissions to which the State of Texas is a party; and by municipal corporations. The Legislature shall provide terms and conditions under which the Texas Water Development Board may sell, transfer or lease, in whole or in part, any reservoir and associated system or works

which the Texas Water Development Board has financed in whole or in part.

"Under such provisions as the Legislature may prescribe by General Law, the Texas Water Development Board may also execute long-term contracts with the United States or any of its agencies for the acquisition and development of storage facilities in reservoirs constructed or to be constructed by the Federal Government. Such contracts when executed shall constitute general obligations of the State of Texas in the same manner and with the same effect as state bonds issued under the authority of the preceding Section 49-c of this Constitution, and the provisions in said Section 49-c with respect to payment of principal and interest on state bonds issued shall likewise apply with respect to payment of principal and interest required to be paid by such contracts. If storage facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment.

"The aggregate of the bonds authorized hereunder shall not exceed \$200,000,000 and shall be in addition to the aggregate of the bonds previously authorized by said Section 49-c of Article III of this Constitution. The Legislature upon two-thirds (2/3) vote of the elected members of each House, may authorize the Board to issue all or any portion of such \$200,000,000 in additional bonds herein authorized.

"The Legislature shall provide terms and conditions for the Texas Water Development Board to sell, transfer or lease, in whole or in part, any acquired storage facilities or the right to use such storage facilities together with any associated system or works necessary for the filtration, treatment or transportation of water at a price not less than the direct cost of the Board in acquiring same; and the Legislature may provide terms and conditions for the Board to sell any unappropriated public waters of the state that might be stored in such facilities. As a prerequisite to the purchase of such storage or water, the applicant therefor shall have secured a valid permit from the Texas Water Commission or its successor authorizing the

acquisition of such storage facilities or the water impounded therein. The money received from any sale, transfer or lease of storage facilities or associated system or works shall be used to pay principal and interest on state bonds issued or contractual obligations incurred by the Texas Water Development Board, provided that when moneys are sufficient to pay the full amount of indebtedness then outstanding and the full amount of interest to accrue thereon, any further sums received from the sale, transfer or lease of such storage facilities or associated system or works may be used for the acquisition of additional storage facilities or associated system or works or for providing financial assistance as authorized by said Section 49-c. Money received from the sale of water, which shall include standby service, may be used for the operation and maintenance of acquired facilities, and for the payment of principal and interest on debt incurred.

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

"AGAINST the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.
