Cotton Festival

Committees for the 15th annual Cotton Festival Friday and Saturday, Oct 14 and 15 will be appointed this week. A list of the committees will appear in next week's issue of the Informer.

The annual Festival Queen contest will start soon. Any single girl attending Hedley High School is eligible to enter. There were ten girls in the contest last year. We hope to have a dozen or more this year. The annual TV show will be Oct. 8th over KGNC, Amarillo.

The Midway this year will be by the D. S. Dudley Shows of Mankins, Texas. This is one of the largest and cleanest carnivals operating in this area. They plan to have plenty of entertainment for young and old.

The first meeting of the Festival committees will be held in the Lions Den Thursday night, Sept 15. Everyone interested in promoting the Festival is urged to attend.

C. L. Mann

Funeral services for Chester Luther (Doc) Mann, 59, who passed away Thursday of a heart attack, were held Saturday in the Clarendon Church of Christ by Min Robert C Jones. Burial was in the Clarendon cemetery.

Mr. Mann was born Nov 23, 1906 in Callisburg, Texas. He had been a resident of Donley County for 57 years.

He is survived by his wife; two daughters, Mrs. May Lucille Barker of Amarillo and Mrs. Wilma Lindley of Clarendon; two sons, Chester Luther Mann Jr and Melton Matthew Mann of Clarendon; two sisters, Mrs. Leonard Baggett of Hedley and Mrs. Hal Riley of Amarillo; two brothers, Henry H Mann and Gordon V. Mann of Clarendon; and seven grandchildren.

Card of Thanks

To each and everyone who visited me while in the hospital in Amarillo, sent flowers, gifts, cards and letters, also at our home, for the good food that was brought in, and to the neighbors that fixed the peas and put in the freezer, all these acts of kindness are deeply appreciated.

God bless every one.

Big Bear

At Cutbank, Montana, Mr and Mrs Bob Beach and Mr and Mrs J. M Beach and families parked their car near Bear Creek Aug. 14 and started to hike to Stanton Lake. Six miles west of Bear Creek they met a big black bear, 350 lbs. Bob shot and killed the animal and took him to Bob Scriver in Browning for mounting and stuffing. Scriver is quoted as saying it was the largest black specimen he had seen in a long time. Jim Beach got his bear last year.

The above was taken from the Cutbank News.

Card of Thanks

Hedley friends: Gratefully acknowledging and thanking you for the flowers and your kind expressions of sympathy for the loss of our beloved father, Hugh Nelson. The Hugh Nelson family and The Cecil Guthrie family.

Gasoline Tax Refund

Farmers and ranchers will not file a claim for refund of Federal tax on gasoline used on their farm or ranch as they have done in past years according to Ronald Gooch County Agent. Instead, the refund of Federal tax on gasoline used on or after July 1, 1965, must be claimed as a credit on their annual income tax return.

This credit will first be taken on the return for the first full tax year beginning after June 30, 1965. If the return is filed on a calendar year basis, the credit for gasoline tax refund taken on their 1966 return will include the tax

on gasoline used in the period from July 1, 1935 through December 31, 1966.

The refund is claimed as a credit in a manner similar to the credit for tax withheld on wages, Gooch said.

You spend more than 5 hours a day in the kitchen-

shouldn't you have a phone there?

Sure you should. It just makes sense. Especially when an extension costs less a day than a postage stamp. And at that rate, shouldn't you have a phone in every important room in the house?

Think how much time and how many steps your family would save!

He Discovered It (and so can you)

Yes, he discovered this important fact: all Auto Insurance is not the same. It isn't the same because agents aren't the same.

The professional, independent agent (that's us) provides the newest, broadest coverages. Fast, considerate claim service. Best possible rates.

This fellow says it makes a big difference. And he's right. Maybe that's why he's a happy driver.

Mrs. Rains Honored

Mrs. Ruby Bromley honored her aunt, Mrs. W I Rains, with a one o'clock luncheon Aug 30 at her dining room in Clarendon celebrating her 86th birthday. Her daughter, grandchildren and nieces enjoyed the event.

The table was beautiful with seasonal flowers. Mrs. Ruby Roberson gave an impressive invocation. A delicious luncheon was served buffet style. The traditional birthday cake with two triangle pennants, bearing the numerals of 39 and 86. No one seems to think Aunt Will over 39, but after recounting the years we decided she could be 86

A highlight of the luncheon was Rev. and Mrs. Ron Rinnert, who stopped by Ruby's Dining Room en route home after 6 years as missionaries in Okinawa. They extended birthday greetings to Aunt Will, also reminded each of us there are some places where people are not privileged to enjoy events like this.

Mrs. Rains has lived at the same home since her late husband, W I Rains, brought her as a bride, on Feb. 29, 1898. She is a member of the First Baptist Church, also a founder of the Donley County Old Settlers Assn.

Attending the luncheon were her daughter, Mrs. Mabel Bridges, granddaughter, Mrs. Bill Bridges, great grandchildren Karen and Kent, nieces Mrs. Ruby Roberson and Mrs. Marjorie Moreman, all of Amarillo, Mrs. Mary Ann Riley, Mrs. Joe Phiffier, Mrs. Pete Bromley and son, Mrs. Neta Shelton and hostess of Clarendon, and Mrs. Rubye Glass of Hedley.
