## Ex-Student Banquet

The Hedley ex-students held their annual banquet in the school cafeteria auditorium last Saturday night.

Larry Altman gave the invocation. Jerald "Redtop" Sims gave the welcome, which was responded to by Charles Neal Johnson. Jack Moreman, president, was unable to be present on account of illness. Graham Brisson was with the earliest class represented, which was the year 1917.

The main event of the evening was the auctioning of the class pictures, 21 of which were sold. Our attendance was small this year, but everyone present thoroughly enjoyed themselves, and were proud they were among the ones that made the effort to be present with old and new friends.

Officers for this year's occasion were Jack Moreman president, Jerald Sims vice president and Mrs Dorothy Stephens sec.-treas. Officers for the coming year were elected as follows: Vergil McPherson president, Terry Bailey vice president, and Mrs Martha Hill sec.-treas.

A very delicious meal was served by the Senior class and their room mothers.

At a called meeting of the Donley County Farm Bureau Directors Nov. 26, it was determined that Mr. and Mrs. C. C. Ayers and Mr. and Mrs. Lacy Nobles would represent the Donley County Farm Bureau at the National Convention of The American Farm Bureau Federation to be held in Las Vegas, Nev. Dec. 4th to 8th. The Donley County Farm Bureau won \$350.00 expenses for a trip to the National Convention, which will be used by Mr. and Mrs. Ayers and Mr. and Mrs. Nobles towards the expenses of their trip.

At present the two couples are planning to travel by car and may do a little sight seeing on their way to and from Las Vegas. They plan to leave Dec. 2nd or 3rd, and have not decided on the date of their return.

It is felt that both they and the Donley County Farm Bureau will benefit by their attendance at the Convention. It is hoped that they will have a safe, pleasant and enjoyable trip.

**A WINNING PAIR**

**4-H DAIRY SHOW**

THE 4-H girl or boy who holds the ribbon or receives a trophy for a dairy animal at the fair has put in hundreds of hours caring for the animal. They usually start with a calf from the farm herd or a calf they have purchased with money earned, from 4-H projects.

A visit to the 4-H division of the fair and a talk with the 4-H'ers will reveal that they have not only worked hard to make the main event, but have learned a lot in the process. Preparing an animal for the show ring, they say, takes a lot of skill, time and patience.

The 4-H dairy project also is the training ground for cattle judges. Club members making the judging team travel to county and state fairs and to the large regional and national shows as well.

Their achievements do not go unrecognized. This year nearly two thirds of all the counties in the U.S. are expected to name some 6,000 medal winners, says the National 4-H Service Committee. The medals, plus state and national awards will be provided for the 10th straight year by the Oliver Corporation, sponsor of the national 4-H Dairy program.

All winners are chosen by the Cooperative Extension Service which supervises 4-H work.
