Seniors Honored

The annual Baptist Church banquet honoring the Senior Class of 1967 was held in the Fellowship Hall of the church on Friday evening. The theme for this year's banquet was Treasure Island.

Palm trees, ocean waves, fish nets and chests full of treasure appropriately decorated the hall for the occasion.

Duane Reynolds gave the invocation. Mrs. W. W. Clendennen gave the welcome, responded to by Richard Shaw. Music of the islands was given by Fern Webster, Nita Murphy and Shirley Reynolds. Mrs. M. O. Weatherly gave the class prophecy. Guest speaker for the evening was Rev. Royce Denton of Estelline, who made a very interesting talk. Rev. O. H. Murphy gave the benediction.

The delicious meal included fruit cup, ham, baked beans, new potatoes tossed salad, mints, hot rolls, iced tea, angel food cake and lime sherbet.

LIONS ROAR

This week is regular meeting night. Mrs. Kate Stone will start serving at 7:30 p. m. New officers and directors will be nominated. The nominating committee is M. O. Weatherly, Don Springer and Jack Webster.

Lions Queen Lana Altman and her mother, Mrs. W. R. Altman, attended the district convention of Lions International at Dumas Saturday and Sunday. Lana didn't win but she did an excellent job of representing the Hedley Lions Club and community.

Lions Vergil McPherson and Clifford Johnson attended the convention Sunday. Lion Kenneth Waught of Canyon was elected district governor. Paducah's queen will be district queen, and next year's convention will be held in Amarillo.

Housing Loans

Applications for insured housing loans are now being accepted from families in all income groups, Donley County Supervisor Claude Moore of the Farmers Home Administration said today.

Until recently funds were available for families with low and moderate incomes.

Mr Moore said home financing for families of above moderate income can be resumed by the agency under a new allocation of lending authority granted by President Johnson. A Presidential order March 17 authorized the agency to insure \$25 million more in housing loans to families of the upper income group between now and June 30.

Action on new applications from persons in the above moderate income group had been at a virtual standstill since November. The agency had taken all applications it could meet under the previous \$25 million allocation of loan authority for the current fiscal year.
