NO. 15

## Steele-Warner

Miss Loretta Kay Warner, daughter of Mrs L E Bogue, and Raymond Steele, son of Mrs A J Rowell, were united in marriage Saturday evening, Jan. 20, in the First Baptist Church here before an altar flanked by white gladiolas. Rev. Cecil Guthrie performed the double ring ceremony.

Given in marriage by L E Bogue, the bride wore a white formal gown of imported lace over satin, with a fitted bodice and full length sleeves. Her shoulder length veil of illusion fell from a headpiece of jeweled lace. She carried a gladiola and mum corsage atop a white Bible.

Mrs. Beverly Phillips was matron of honor. Loretta Hill was bridesmaid, and Sherri Hill was flower girl. J R. Steele served as best man, Danny Phillips was groomsmen, and Jeff Hill was ring bearer. Wendell Hansard and Richard Shaw served as ushers.

Soloist was Mrs Fern Webster who sang "Oh, Promise Me," and "How Great Thou Art," accompanied by Kim Steele, who also furnished the traditional wedding music.

A reception followed in the Fellowship Hall of the church. In the receiving line were the bride and groom, Mr and Mrs J. R. Steele, Mr. and Mrs L E Bogue, Mrs. A. J. Rowell, Mrs Beverly Phillips and Loretta Hill. Tobi Rowell registered the guests and also served punch. Nita Bailey cut and served the three tiered wedding cake of lavender and white, the bride's chosen colors. The table was laid with white satin with orchid bows at the corners.

The bride is a graduate of Hedley High School and is attending Clarendon Junior College. The groom attended the Silverton schools.

After a short trip to Amarillo they will be at home in Hedley.

### Housing Loans

More than 67 rural people in Armstrong, Donley and Gray Counties have new or vastly improved homes as a result of \$157,210 00 in insured loan funds advanced through the Farmers Home Administration in the past two years, Claude Moore, local County Supervisor of the supervised credit agency reported today. Approximately \$83,000 00 was advanced in 1967.

The rural housing program was greatly expanded in 1965 when, as part of President Lyndon B Johnson's effort to strengthen rural America, the financing of the loans was switched from federal to private sources. Practically all of the rural housing funds now come from private sources on an insured basis.

Of the amount loaned during the past two years, senior citizens, 62 years or older received \$24,110 00.

The construction that took place as a part of this credit program provided 2672 man-days of employment for local carpenters, plumbers, electricians and masons.

In addition, the housing funds circulating through the three counties gave the local economies a \$1,100 470 00 boost.
