Bible Reading By The Astronauts

As you are aware, Madalyn Murray, the atheist, has begun a campaign for signatures, trying to prevent any future reading of the Bible by the astronauts, such as they did while circling the moon recently. Radio station KEAR, 2728 San Bruno Ave., San Francisco, Calif., 94134, is asking for letters and signatures to approve and encourage the continuation of Bible reading. If you write them a letter, they will see that it is forwarded to NASA. Let's get our word in.

Card of Thanks

Words fail to express our deep appreciation to each one who helped us during the illness and death of our mother. Each prayer, visit, flowers, cards, the many deeds in the hour of sorrow were so comforting to the family.

County Agent

The Farmer's Tax Guide has been redesigned this year to make it easier to use and more helpful to you in preparing your income tax return. Provisions of the tax law that apply to farmers and ranchers are explained in everyday language, and examples throughout the booklet show how these rules are applied to actual farming and ranching situations.

Copies of the Farmer's Tax Guide can be picked up at the County Agent's office or call the office at 874-2141 and a copy will be mailed to you, free of charge, Gooch said.
