Senator and Mrs. Ralph Yarborough will be in Clarendon on Friday, Aug. 22, when he will speak at a noon luncheon in the Lions Hall.

Lunch will be \$1.00.

Pre-Registration at Clarendon College

The Registrar's office of Clarendon College has announced that pre-registration of students will be held during the period of Sept. 2 to Sept. 13. Office hours will be from 9:00 to 5:00, Monday through Friday, and 9:00 to 12:00 on Saturday.

The purpose of pre-registration is to allow students to complete their class schedules prior to the time of regular registration. Such an arrangement is an advantageous one, particularly for the student who often feels bewildered and frustrated with his enrolling in college. It also allows ample time for consultation and insures his admittance to classes which might otherwise be filled or closed. Leonard Selwidge, Registrar, advised all freshman students to take advantage of this convenience offered by Clarendon College and complete their pre-registration before the Sept. 13th deadline.

Most important—Veterans that will attend school this fall on the G. I. Bill will need to take advantage of this pre-registration.

News From Our County Agent

Greenbug infestations in grain sorghum continue to increase in many fields in Donley County, according to County Agent Ronald Gooch. Farmers are encouraged to inspect their fields frequently to detect any damage from the tiny green pests.

The greenbugs are being found mainly on the underside of the lower leaves with some reddening showing as a symptom of damage.

Entomologists give these guidelines for determining the need for treating the greenbugs. Treat plants from emergence to about six inches high when greenbugs and damage is visible on the leaf surface. Treat plants from about the six-inch height to the pre-boot stage before any entire leaves are killed. Treat plants that are in the pre boot stage and larger when there is a large enough greenbug infestation to cause death to more than the two lower normal-sized leaves.

Additional information on greenbugs and insecticides recommended for controlling them are available at the County Agent's Office.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

LIONS ROAR

Next week is regular Lions Club meeting. There will only be three meetings before the Festival and this is one of them. We want every Lion present, also the Queen and Lions Sweetheart, also every non-Lion serving on a Festival committee or wishing to serve on a Festival committee. Eating time is 8 p. m.

Important Lion dates to remember are the district governor's visit to Hedley Thursday, Sept. 25th, the 18th Hedley Cotton Festival Friday and Saturday, Oct. 10 and 11, cabinet meeting in Dimmitt Sunday, Nov. 9, mid-winter conference in Memphis in February and the district convention in Pampa in April.

Only a dozen members attended last week's meeting. However it was a good meeting and there was plenty to eat. Mrs. Kate Stone only had three chickens left. We have to call them the working dozen, not the dirty dozen. The latter might apply to the dozen or so who didn't attend. Let's not let this happen again.

The Doyle Messer family have returned from a vacation trip to Red River, N. Mex., and Colorado Springs.

Mrs. John C. Hodges of Kansas City and little Miss Teena Hodges of Council Bluffs, Iowa, have been visiting Mr. and Mrs. John Tate. Teena is the great-granddaughter of the Tates.

While they were here they and the Tates spent the week end in Dalhart with Mrs. John Howell, sister of Mrs. Tate.

Willis Long and family of Salinas, Calif., have been visiting in the J. A. Long home.

Major Adrian Youngblood and family of Holloman AFB, N. Mex., visited in Hedley and Oklahoma City last week.

Mr. and Mrs. Roy McKee spent last week end in Amarillo, where Mrs. J. C. Upton underwent foot surgery Saturday.
