## When you promised to share and share alike, did that mean your wife could use up all the hot water?

You could get up earlier. Then you'd be sure to beat her to it. Of course she wouldn't be too impressed with your chivalry.

Another alternative is a larger gas water heater. Gas water heaters are easy to buy, easy to install, and recover hot water up to twice as fast as comparable electric models.

So stop competing with your better half. Get a larger capacity hot water heater. For fewer fights and lots more hot water.

# Frigidaire re-invents the washer and the dryer.

Never before so many improvements at one time! That's why we say "re-invented". Washers and dryers that do it all... up to 18 pounds. This new Frigidaire can wash 1 piece to 18 pounds — or any size load in between. No attachments to add or store. It has a huge lid and door openings to put all that capacity within easy reach. A fill and rinse system that sprays down from 12 pressurized water jets around the tub. Permanent Press Care. Simplicity to keep service to an all-time low... like the lift-off console that makes servicing quick and easy... if it's needed at all. For full details visit West Texas Utilities.

Also, remember, West Texas Utilities offers you free normal 220 volt wiring if you are a WTU residential customer and if you purchase an electric dryer from a local dealer or WTU.

**Over 200,000,000 prescriptions will be filled by Rexall Pharmacists this year — there must be a reason!**

As a matter of fact there are several reasons why the nation's Rexall Pharmacies fill this tremendous number of prescriptions.

Only the stores which bear this sign... the sign of over 10,000 Rexall Drugstores... have the exclusive right to offer drugs developed and perfected in the world-famous Rexall laboratories. In addition, the Rexall Pharmacist carries stocks from the entire pharmaceutical industry. You always receive the finest quality drugs available.

Prescriptions are the lifeblood of every Rexall Drugstore. Each Rexall Pharmacist is painstakingly accurate in making certain you receive exactly what your doctor prescribed. His primary concern is your good health and that of your family.

Most Rexall pharmacists are independent businessmen... owning their own stores. Their pride of ownership and efficient operation is evidence of customer satisfaction. By choosing to identify their stores with the Rexall name they have accepted the Rexall guarantee... every Rexall Brand drug product is guaranteed to satisfy or your money back.

These are a few of the reasons for Rexall's popularity. Take your next prescription to a Rexall Pharmacist... discover the other reasons for yourself.

## LIONS ROAR

Both the boys and girls basketball teams will be the guests of the club this Thursday night. The meeting will start promptly at 7 p. m. We hope all the Hedley Lions can attend this big event. If you can't come don't worry. Both the high school boys and girls are good eaters.

To those who do not attend meetings, Hedley has a dead club. To the other clubs in the district and the Lions who attend meetings Hedley has one of the most active clubs in the district. Why not attend a meeting and see for yourself?

## LEGION NEWS

The wager payoff between the state commanders of Oklahoma and Texas will be at Dodson this Saturday night at 7:30. The speaker for the banquet will be Claude Carpenter, national vice commander. Veterans from Hedley are cordially invited to attend.

If the town of Dodson can host such a meeting we just wondered if Hedley couldn't come up with something. The Hedley post still lacks 8 memberships to complete their quota of 102. The next meeting for the local post is Tuesday night, April 15.
