Youth Director Named For Hedley United Methodist Church

Miss Susan Carson has been appointed by the Administrative Board of the Hedley United Methodist Church to serve as Youth Director for the summer youth program. Although Miss Carson will not assume her duties officially until May 23, she has already begun plans for summer youth activities. The Administrative Board has unanimously endorsed her proposal that the summer program be highlighted by a youth department trip to Six Flags. In addition to her duties as Youth Director, Miss Carson will also teach the Junior High Sunday School class.

Miss Carson is the daughter of Mr. and Mrs. Bill Carson of Borger and the granddaughter of Mr. and Mrs. Tom Tate of Hedley. She is a graduate of Borger High School and is presently completing her freshman year at McMurry College in Abilene. Before entering college Miss Carson was an active member of the youth departments in United Methodist Churches in Borger and Hedley. While an active member of two youth departments at the same time, she found time to work in lay witness programs presented by the Borger church and to present special solos in the Hedley church. Needless to say, her involvement in Christian witness has continued at McMurry.

We feel that Miss Carson's services with the youth this summer will be a valuable asset to the program of the church.

To our dear friends, neighbors and co-workers, we wish to express our heartfelt thanks for your thoughtfulness of us in time of sorrow, at the death of a loved one.

Each word of prayer, sympathy and kindness, flowers and cards were greatly appreciated.

May God bless each of you.

Hunger hurts children most, in body and mind; kills from diseases a well-nourished child can withstand. When you join CARE's Food Crusade, your help goes to children first, in countries beset by hunger.

Every dollar sends a food package to do a multitude of good. You help feed millions of boys and girls every day at preschool centers and schools, so they can grow into healthy, educated, self-supporting adults. You provide meals at home in food-for-work projects to help parents build community resources. You rescue families in war and disaster areas, and help them rebuild their lives.

With your money, CARE delivers U.S. donations of farm abundance or buys other needed foods. Local governments share operating costs. \$1 can help feed a child for 3 months... \$10 serves lunch to 900 children... \$100 sends over a ton of food. Mail your check.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

Your son's education for instance. But by the time he's ready for college his education may well cost a small fortune. The kind you just don't have lying around under a bed. That's just the reason why your government has a great thing going. A U.S. Savings Bond. In themselves they're not a quick buck. They won't make you that fortune overnight. But in the long run they do pay off. Darn well at that. And at a guaranteed rate. Starting a savings plan is easy. You can join a Payroll Savings Plan where you work.
