Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the

clouds and take whatever action seems to be necessary.

LEGION NEWS

Cotton Festival

The 20th annual Hedley Cotton Festival will be held Friday and Saturday, Oct. 8 and 9. This should be our largest as all the participants in the previous years have been invited to attend.

Louie E. Bogue, president of the Hedley Lions Club, who sponsors this event, will be general chairman. Kathy Painter Gilchrist will be the reigning Queen. Those who served on Festival committees will again be reappointed with some new workers added.

The supporters of the Festival, the National Cotton Council of America, are ready and have already sent out cotton promotion material. TV Station KGNC, the Memphis Compress Co., District 271 Lions International, and the

More activities are expected for Friday afternoon of the Festival after the Old Settlers program. Two bands have been contacted plus other events. Probably the best western band we have had, Lou Hurt and his Westerners, will play for a dance at the Legion Hall that night. Another top notch band from Amarillo, probably Tom West's western band, will play for Saturday night.

Aunt Sarah, I love you.

Remember my 10th birthday, when you gave me that funny piece of green paper and everybody made such a fuss over it. (Except me.) Frankly, it was a pretty disappointing present for a kid. I couldn't eat it, couldn't play with it, couldn't wear it—and Mom took it away from me practically the minute I got it.

And every birthday after that (and Christmas, too), you gave me another one of those Bonds, you called them. I thought you were pretty gooney.

At least, I never had to guess what I was going to get from good old reliable Aunt Sarah.

And what I got was good old reliable U.S. Savings Bonds.

What I didn't realize then was that you gave me a gift of security for the future. Thanks to you and those Bonds, I had extra funds for college. And they helped when I bought my first new car.

Next week, I'm giving my nephew, Harry, his first U.S. Savings Bond. I know the kid is gonna think I'm some kind of nut. But, someday...

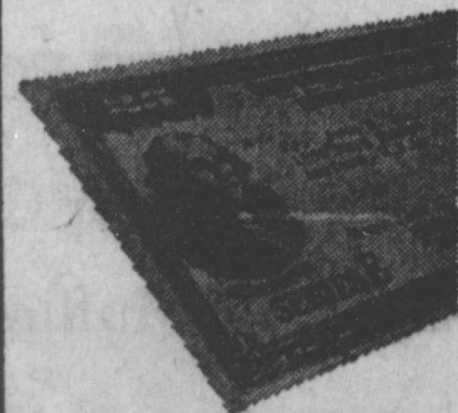

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a good way to save.

Now Bonds pay a bonus at maturity.
