HEDLEY, DONLEY COUNTY, TEXAS, JUNE 9, 1972

NO. 35

## City To Pay More For Second Primary Greenbelt Water

Beginning with the new fiscal year July 1st, the City of Hedley will be paying the Greenbelt Water Authority \$1176 per month for water, an increase of \$146 per month over the present rate of \$1030. An increase is being made on all the cities in the Authority to take care of bond payments.

The Hedley city council is hoping to make the increased payments without raising the price of water to the consumers. Hedley now has one of the best rates in the Authority for the consumer.

Our present rates are a minimum of \$6.00 for the first 2,000 gallons, 50¢ per thousand for the next 10,000, 40¢ per thousand for the next 10,000, and 30¢ per thousand for all over 22,000 gallons. This rate was designed to make the minimum as low as possible and still make the payments, and to make the rate on additional water cheap enough for everybody to use extra amounts.

You will help your city and yourself by using lots of water, which will help to make the increased payments without raising the rates.

## Wiener Roast

Grades 7th through 12th are invited to a hay ride and wiener roast at the creek sponsored by the Two C Club. Meet at the Baptist Church at 7:30 June 8.

For Governor, Dolph Briscoe received 155 votes and Mrs. Frances Faranhold 60.

The number is 800-368-5363. Everyone's help is needed in cracking down on the heroin traffic.

### Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

# Aunt Sarah, I love you.

Remember my 10th birthday, when you gave me that funny piece of green paper and everybody made such a fuss over it. (Except me.) Frankly, it was a pretty disappointing present for a kid. I couldn't eat it, couldn't play with it, couldn't wear it—and Mom took it away from me practically the minute I got it.

And every birthday after that (and Christmas, too), you gave me another one of those Bonds, you called them. I thought you were pretty gooney.

At least, I never had to guess what I was going to get from good old reliable Aunt Sarah.

And what I got was good old reliable U.S. Savings Bonds.

What I didn't realize then was that you gave me a gift of security for the future. Thanks to you and those Bonds, I had extra funds for college. And they helped when I bought my first new car.

Next week, I'm giving my nephew, Harry, his first U.S. Savings Bond. I know the kid is gonna think I'm some kind of nut. But, someday...

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

**Take stock in America.**  
Now Bonds pay a bonus at maturity.
