There's  
a future in it  
for   
someone.

Your son's education for instance.  
But by the time he's ready for college his  
education may well cost a small fortune.  
The kind you just don't have lying around  
under a bed.  
That's just the reason why your government  
has a great thing going. A U.S. Savings  
Bond.  
In themselves they're not a quick buck.  
They won't make you that fortune overnight.  
But in the long run they do pay off.  
Darn well at that. And at a guaranteed rate.  
Starting a savings plan is easy.  
You can join a Payroll Savings Plan where  
you work. Or get into a Bond-A-Month Plan  
where you bank.  
Then watch someone's future grow.  
Like your son's.

### Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

**LIONS ROAR**

About 25 Lions and guests enjoyed the good steak supper and program at last Thursday night's meeting of the Lions Club. The Lions Den was beautifully decorated, thanks to the Junior Class. Linda Payne had the program. She opened with musical numbers by her piano pupils and finished with a talk on the Texas Cowbelles and the beef industry. Both the supper and the program were enjoyed by all present.

The next meeting of the Hedley club will be the fifth Thursday in May, the 31st. It will be a ladies night banquet and will be celebrating the club's 31st anniversary. The menu will be the same as it was 31 years ago. The program will be by the Springers and the Singing Sweethearts.

The new flags for the downtown flagpoles have arrived. The date set to fly all flags is May 28. The flags are to be flown at half mast until noon, then raised to full mast. It is hoped that many flags will be flying at the homes also. Flag sets for homes are available at the Lions Den. Proceeds of the sale of these sets go to the Boy Scouts.

**Lone Star Files For Rate Increase With RR Commission**

Dallas, Texas (May 10, 1973)—Lone Star Gas Company today announced that it will file an application with the Texas Railroad Commission Friday (May 11) for an increase in the city gate rate for gas delivered to each town served by the company in Texas.

The primary factors involved in Lone Star's application relate to the cost of maintaining an adequate gas supply for customers, and contracting for new supplies to meet growing consumer demands.

The company further noted that all proposed rate increases are cost justified and within nationally established price control guidelines for utilities established last year.

I appreciate everything each and every one did for me. I love every one for the help and friendship. The nurses now say there's nothing wrong with me only a pain in the neck.

I thank everybody who has helped me and thanks to the girls of the Leisure Lodge for their kindness and help in my recovery from illness.
