**Storm Warning**

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One

blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

There's a future in it for someone.

Your son's education for instance.

But by the time he's ready for college his education may well cost a small fortune.

The kind you just don't have lying around under a bed.

That's just the reason why your government has a great thing going. A U.S. Savings Bond.

In themselves they're not a quick buck. They won't make you that fortune overnight.

But in the long run they do pay off. Darn well at that. And at a guaranteed rate.

Starting a savings plan is easy.

You can join a Payroll Savings Plan where you work. Or get into a Bond-A-Month Plan where you bank.

Then watch someone's future grow. Like your son's.

## LIONS ROAR

Sixty-odd Lions and guests too numerous to name crowded into the Lions Den last Thursday night. It was the club's 31st anniversary charter night banquet. Four charter members were present. They were Barney Johnson, Hobart Moffitt, Clifford Johnson, and Earl Tollett of Borger.

The Singing Sweethearts and the Don Springers gave a splendid program which was enjoyed by all. Mrs. Kate Stone served a wonderful meal using the same menu as the first charter night banquet June 4, 1942.

Hobart Moffitt and Clifford Johnson were presented with life-

time membership in the Hedley Lions Club by president Louie Bogue for their 31 years of continuous service to the club and community.

The next meeting of the club will be a regular meeting June 14th at 8 p. m. The new officers and directors will be installed at this meeting. June 14th is also Flag Day. The 13 uniform flags representing the 13 original states will be flown on the west side of Main Street. It is hoped that many other flags will be flown all over town.

Mrs. Wanda Pickett and Beth and Robbin Reba of Amarillo visited Mrs. J. B. Pickett, Mrs. Lucy Bishop and Mrs. Lela Moffitt last week end.

# Are you going to live longer than your money?

Maybe you're having a pretty good life now. Your credit is good, you've got a few nice clothes and a good dependable car. And if you're lucky, maybe you own your own home. But that's because you're working. What happens when you retire? You can't live on memories. It's still going to take money. Lots of money. Money that you should be saving now.

And one of the easiest ways to start putting away a few dollars for those retirement years is by joining the Payroll Savings Plan where you work and buying U.S. Savings Bonds.

That way every time you earn a little money for today, you save a little for tomorrow.

Then when the time finally comes to retire, you'll have something put away to retire to.

How it works: Buy U.S. Savings Bonds when held for maturity of 5 years, 10 months, 14 days, or 1 year. Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank, returned to you subject to state or local income taxes, and federal tax may be deferred until redemption.
