### Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

## LIONS ROAR

The next regular meeting of the club will be July 12. New Boss Lion Fred Stafford and the other new officials will be in charge. As in past years the past years the second meeting in June which would have been this Thursday night has been postponed. It gives the new officers time to get set and too many are on vacation and those not on vacation wish

they were, including the cooks.

The international convention in Miami Beach, Fla., is going on this week. Boss Lion Louie Bogue and wife Dettie left for the convention last Wednesday. They will visit her relatives in North Carolina en route and be in Miami for the convention opening. They will be back in Hedley this week end with a lot to report.

The building committee is J. S. Hinds, W. P. Doherty and H. L. White. They look with favor on the new home of the Hedley Lions Club. It is the 25x50 foot brick

building joining Stafford Grocery on the south. It will be done to the club's satisfaction before they move in.

The building next door south of the new Lions Den, the old Wilson Drug, will also have a new front and be repaired. It will be used for Cotton Festival booths. We hope both buildings are ready by Festival time.
