Memorial Cards

Rowe Cemetery has nice Memorial Cards ready to be used. Inquire about them from O'Neill Weatherly.

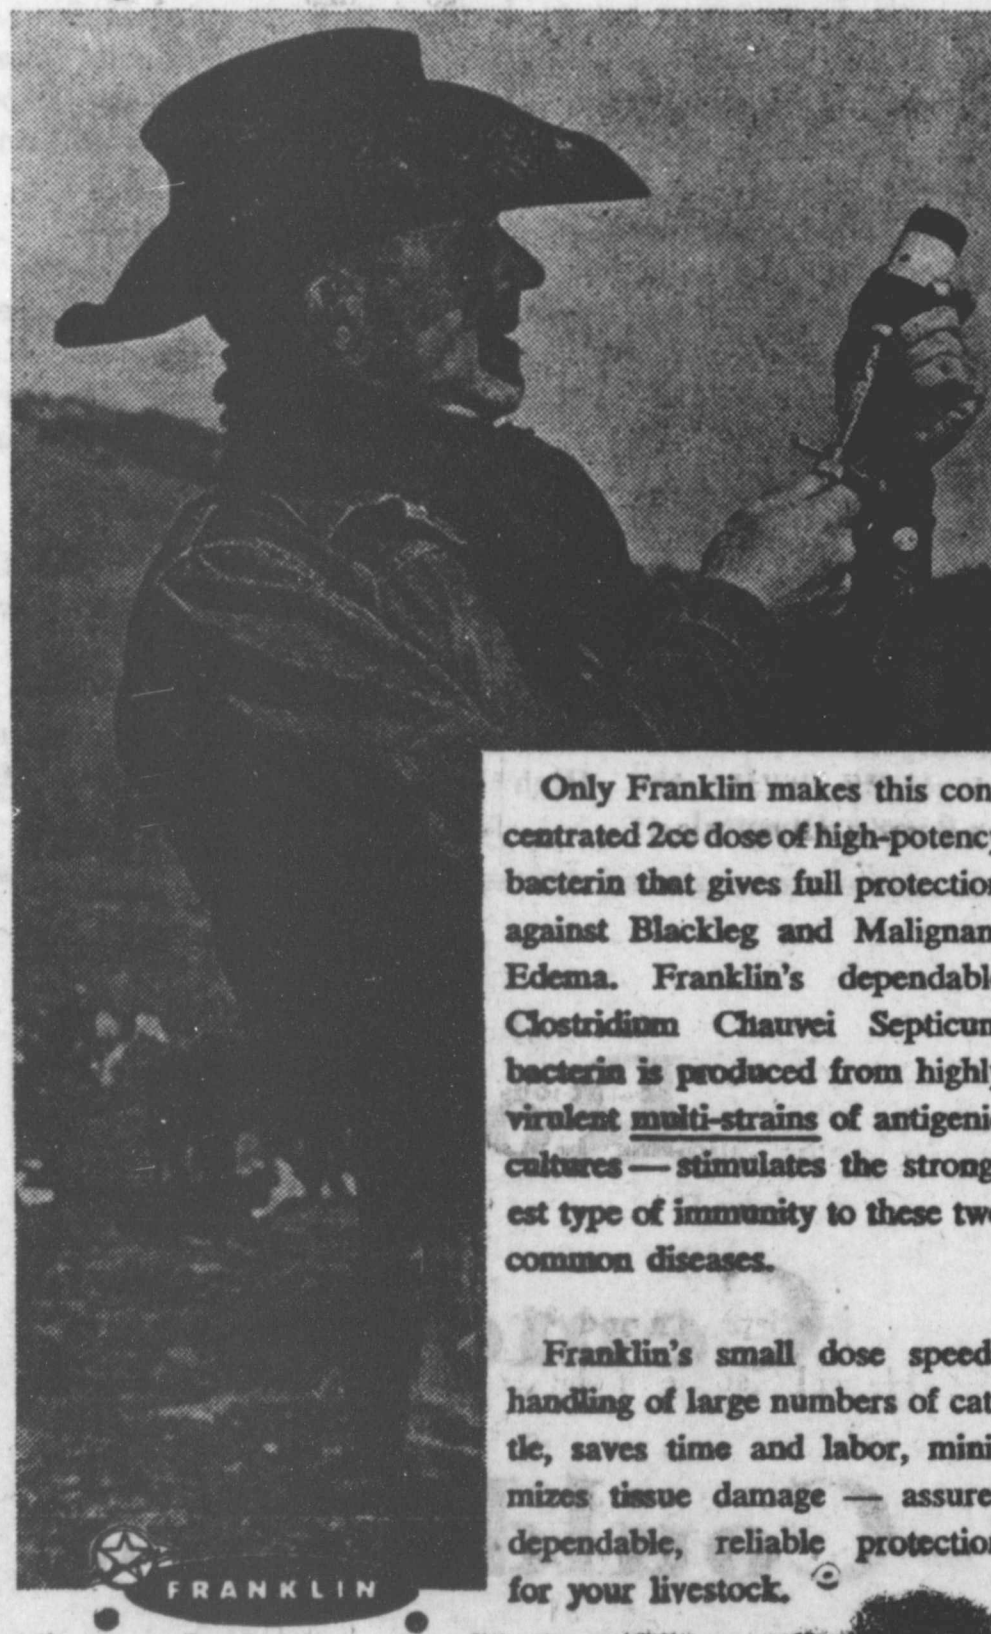

Memorials are used by a large number of people who prefer them to floral memorials. Ask about them and use them to help keep our cemetery work going.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

LIONS ROAR

There will be a Cotton Festival meeting at the Lions Den this Thursday at 8 p. m. Come and bring your ideas on how to make this Festival our best one.

Dates of the Festival are Oct 12 and 13. It will be run along the same lines as heretofore, featuring two days of almost continuous free entertainment. Why not pick up a few more events and

make it continuous?

There were several familiar faces missing from last week's meeting but it was a good meeting. The first portion of the program was musical numbers by Sharon Stafford. The second was a talk and pictures by Bob Moody of Pampa, scout executive from the Adobe Walls Council.

Both programs and the good meal served by Kate Stone were enjoyed by about 20 Lions. The annual family picnic will be at 7 p. m. Aug 30. It will be a chicken barbecue. It might also be a

good idea to order your chickens early.

Mr and Mrs Tom Lamberson, Scott Lamberson and family and Fred Brown and family of Amarillo, Mr and Mrs. John Wayne Lamberson of Brownfield, and Jimmy Lamberson and family of Perryton visited Mrs. Celia Lamberson Sunday.

Are you going to live longer than your money?

Maybe you're having a pretty good life now. Your credit is good, you've got a few nice clothes and a good dependable car. And if you're lucky, maybe you own your own home. But that's because you're working. What happens when you retire? You can't live on memories. It's still going to take money. Lots of money. Money that you should be saving now.

And one of the easiest ways to start putting away a few dollars for those retirement years is by joining the Payroll Savings Plan where you work and buying U.S. Savings Bonds.

That way every time you earn a little money for today, you save a little for tomorrow.

Then when the time finally comes to retire, you'll have something put away to retire to.

U.S. Savings Bonds pay 7 1/2% interest when held to maturity of 5 years, 10 months 14 1/2% the first year. Bonds are redeemed if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.
