Mr. and Mrs. T. J. Cherry were surprised on Sunday, Sept. 2, when their children and grandchildren gathered in honor of their 50th wedding anniversary. Mr. and Mrs. Royce Crisler of Midland, Mr. and Mrs. Larry Crisler and Kimberly of Lubbock, Mr. and Mrs. Mickie Cherry and Vickie Cherry, Mr. and Mrs. Lynn Cherry, Doug and Deborah of Amarillo, Chuck Hamilton of Clarendon, Mr. and Mrs. A. L. Cherry, Riekey, Clay, Craig, Melanie and Maryetta of El Paso, Mrs. Troy Brown, Cherry and Alexia of Vernon, Teresa Brown and a friend Judy of Canyon, also a sister-in-law, Mrs. Blanche Cherry, her daughter, Mrs. Lela Worsham, granddaughter Mary and her two sons of Mt. Pleasant, Tex.

Cake and punch were served to all, then gifts were opened. They received many lovely and useful gifts.

All departed wishing them many more years.

Correction

We are told that we were misinformed on the hostesses for the recent shower honoring Rhonda Lewis. Willie Jackson was a hostess instead of Willie Johnson, and Oretha Potts was also a hostess.

Troy Wilson was here last week end from Fort Sill, Okla.

with an electric home laundry pair

Electric washers and dryers have a setting for all fabrics. It's as important to sort for fabric types as it is for color fastness. Many fabrics do not need a hot water cycle, so you save on water heating. Wait and wash a full load and save on water, too.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

LIONS ROAR

Some of the Hedley ladies said they would like to serve the Lions a covered dish meal at their Sept. 27th meeting. The Howardwick Lions have been doing this through necessity with great success, so why not try it? It will be the last meeting before the Cotton Festival and we can't put on a Festival without the ladies.

Our next meeting is Sept. 13. Kate Stone will start serving the meal at 7:30. Zone chairman Glenn Doty has called a zone meeting following the regular meeting. Clubs in the zone are Howardwick, Clarendon, Hedley, Memphis and Lakeview.

Thanks to Louie Bogue the Hi Plains Eye Bank float will be at the Festival. District governor William McMinn plans to be there both days.

Another successful family picnic is now in the past. The only adverse criticism heard was "It is just not done often enough."

Are you going to live longer than your money?

Maybe you're having a pretty good life now. Your credit is good, you've got a few nice clothes and a good dependable car. And if you're lucky, maybe you own your own home. But that's because you're working. What happens when you retire? You can't live on memories. It's still going to take money. Lots of money. Money that you should be saving now.

And one of the easiest ways to start putting away a few dollars for those retirement years is by joining the Payroll Savings Plan where you work and buying U.S. Savings Bonds.

That way every time you earn a little money for today, you save a little for tomorrow. Then when the time finally comes to retire, you'll have something put away to retire to.

When U.S. Bonds pay 7 1/2% interest when held to maturity of 4 years, 10 months 14% the first year. Bonds are redeemable if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.
