Ag Exemptions

Austin—Comptroller Fob Buck says his office has rewritten sales tax procedures on agricultural exemptions to make them as easy to read as a mail-order catalog.

The new procedures will be effective about July 15, he said.

The Comptroller said the procedures clarify the fact that the following items are exempt from the sales tax: expendable supplies such as hand tools, baling wire, binders, twine, hardware, tires and lubricants for farm machinery; fences, pens, gates, cattle guards and chutes; and structures that can be considered a piece of equipment, such as automated laying houses and farrowing houses. However, most farm buildings, such as barns, garages, warehouses and family dwellings, are taxable, he said.

Any farmer or rancher seeking an exemption must have an exemption certificate on file with the retailer at the time of purchase.

The Comptroller said that persons needing more information about the new procedures may call the Comptroller's Office toll-free at 1-800-292-9687.

Richard and Lois Longshore of Los Angeles, Calif., visited the Henry Moores last week.

Mr. and Mrs. Tom Leggett and son were here from Pampa last weekend.

mind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.

Your son's education for instance.

But by the time he's ready for college his education may well cost a small fortune.

The kind you just don't have lying around under a bed.

That's just the reason why your government has a great thing going. A U.S. Savings Bond.

In themselves they're not a quick buck. They won't make you that fortune overnight.

But in the long run they do pay off. Darn well at that. And at a guaranteed rate.

Starting a savings plan is easy. You can join a Payroll Savings Plan where you work. Or get into a Bond-A-Month Plan where you bank.

Then watch someone's future grow. Like your son's.
