Bill Jones received the award for being the oldest man present and Mrs. Ned Grimsley for the oldest woman.

New officers elected were Otis Owens president, Graham Blinson vice pres., and Ellen Faye Lamb sec-treas.

Kiddie Parade

About 15 children participated in the parade Saturday with a number of attractive tricycles, bikes and cars.

The \$5 first prize was awarded to Keith Brinson in his decorated car. The \$3 second prize was awarded to Audrey Gail and Billy Bob Hoggard for their King Cotton tricycle and wagon. The \$2 third prize was awarded to Chad and Britt Wiggins for their clown suits and decorated tricycles.

Let's all try to get a large amount of kiddie parade entrants for the 26th annual Cotton Festival. It only takes a few minutes to help a child decorate a tricycle. Thank you.

The U.S. Government does not pay for the advertising of U.S. Savings Bonds in newspapers or magazines.

They laughed when I bought my first Bond.

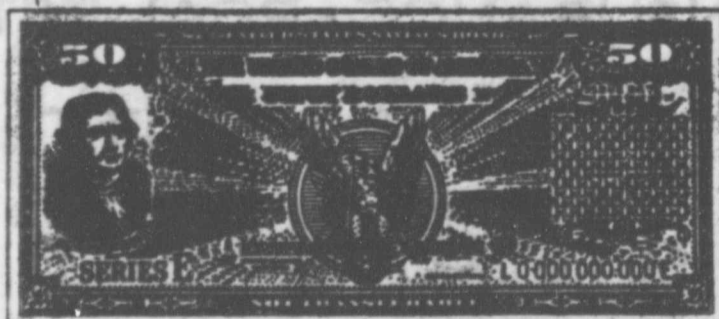

In my neighborhood everyone was poor. Most of us were lucky if we had enough food to eat or clothes to wear. So like most kids we spent a lot of time talking about the things we wanted but couldn't have. Things like owning a bicycle, wearing fine clothes and going to all of the best places. Boy, we could hardly wait to grow up.

Like the other kids I had little odd jobs in grammar school but I got my first real job when I started high school. I was a junior clerk in a big department store. That's where I first heard about U.S. Savings Bonds. My boss asked me if I wanted to join the Payroll Savings Plan and I said yes. A month later I got my first bond.

When my friends found out they really had a good laugh. Imagine buying U.S. Savings Bonds when there were so many other great things to buy. Well, they kept laughing and I kept saving all through high school.

After graduation some of us wanted to go to college. And that's when my Bonds really came in handy. They not only helped pay my tuition, but also helped buy some books.

Well, I'm a senior now and looking forward to graduation. Unfortunately, a lot of my friends never even got started. And to think, they laughed when I bought my first Bond.

Now U.S. Bonds pay 5 1/2% interest when held to maturity of 5 years, 40 months (4% the first year). Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.
