Miss Messer Honored

A luncheon honoring Angela Ruth Messer was given by the young ladies who served as her bridal attendants on Mar 18. As all the bridesmaids were from out of town the party was in the home of Mrs. Doyne Messer.

Yellow table covers and napkins with a springtime motif and printed with the names Michael and Angela were on the table. On the bride's table a yellow ceramic bell printed with the names of the bride and groom and their wedding date was used as a centerpiece. The serving table was also covered with a yellow cloth and a vase with artificial flowers carrying out the colors of Angela's kitchen. Both were made by Janice Tebbush of Abilene.

The blessing was asked by Betty Nimschewski of Breckenridge; Opus DeBord Wilson and Debbie DeBord of Amarillo along with Betty and Janice served a delicious luncheon of salads. Debbie could not attend because she was working.

Present were Mrs. O. F. Messer, Shanna Monroe, and Mrs. Doyne Messer of Hedley; Mrs. Neida Hudson and Krista of Amarillo; Renne Shields of Lela Lake, Tabby Gibson of Perryton and Gail Hill of Clarendon.

Mrs. and Mrs. Jimmy Bolivar and Angela were here last week end from Lubbock.

**There's
 a future in it
 for 
 someone.**

Your son's education for instance.
 But by the time he's ready for college his
 education may well cost a small fortune.
 The kind you just don't have lying around
 under a bed.
 That's just the reason why your government
 has a great thing going. A U.S. Savings
 Bond.
 In themselves they're not a quick buck.
 They won't make you that fortune overnight.
 But in the long run they do pay off.
 Darn well at that. And at a guaranteed rate.
 Starting a savings plan is easy.
 You can join a Payroll Savings Plan where
 you work. Or get into a Bond-A-Month Plan
 where you bank.
 Then watch someone's future grow.
 Like your son's.

**Over 200,000,000 prescriptions
 will be filled by Rexall Pharmacists
 this year — there must be a reason!**

As a matter of fact there are several reasons why the
 nation's Rexall Pharmacies fill this tremendous num-
 ber of prescriptions.

Only the stores which bear this sign... the
 sign of over 10,000 Rexall Drugstores... have
 the exclusive right to offer drugs developed
 and perfected in the world-famous Rexall laboratories. In addition,
 the Rexall Pharmacist carries stocks from the entire pharmaceuti-
 cal industry. You always receive the finest quality drugs available.

Prescriptions are the lifeblood of every Rexall Drugstore. Each
 Rexall Pharmacist is painstakingly accurate
 in making certain you receive exactly what
 your doctor prescribed. His primary concern
 is your good health and that of your family.

Most Rexall pharmacists are independent businessmen... owning
 their own stores. Their pride of ownership and efficient operation
 is evidence of customer satisfaction. By choosing to identify their
 stores with the Rexall name they have accepted the Rexall guar-
 antee... every Rexall Brand drug product is guaranteed to satisfy
 or your money back.

These are a few of the reasons for
 Rexall's popularity. Take your next
 prescription to a Rexall Pharmacist
 ... discover the other reasons for
 yourself.

A growing country needs lots of growing things.

Like sugar for food. Cotton for clothing. Even trees for lumber.

Feeding the hungry industrial regions to the north, the South helped make a new and struggling country grow strong and prosperous.

Today, America keeps getting stronger every day. Thanks to over 9½ million Americans taking stock in their country by buying U.S. Savings Bonds.

They know that as they're working for their future, their Bonds are working hard for America's future, too:

So, buy U.S. Savings Bonds through your Payroll Savings Plan.

Whether you're raising vegetables or a family, they're a great way to save.

Series E Bonds pay 6% interest when held to maturity of 5 years (4½% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Warm Hearts Code Hands OR WHY MORSE was all KEYED UP.

In 1832, Sam Morse knew he had a great idea at his fingertips. Sending messages by wire. But he had to invest twelve years of hard work before he could tap success. When he did, the results were positively electrifying. The future of the telegraph (and Sam Morse) was assured.

Your future could be assured, too, if you get this message: Invest in United States Savings Bonds.

Sign up for the Payroll Savings Plan where you work and your earnings will automatically buy Bonds. And your Bonds will earn interest.

And in twelve years, your results could be even more electrifying than Sam's.

Buy U.S. Savings Bonds. They're something to get keyed up about.

Series E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.
