VOL 68

HEDLEY, DONLEY COUNTY, TEXAS, MAY 26, 1978

NO. 32

Mrs. Alma Ellis

Funeral services for Mrs. Alma Elvona Ellis, 72, of Memphis who passed away Saturday, were held there Monday. Burial was in the Memphis cemetery under direction of Speer Funeral Home.

Mrs. Ellis was born in Nashville, Ark., and moved to Hall County with her parents in 1929. She married Charley Glenn Ellis Oct. 18, 1930, in Hollis, Okla. They moved to California in 1950 and returned to Memphis in 1975.

She is survived by her husband; three daughters, Mrs. Dorothy Montgomery of Fontana, Calif.; Mrs. Erlene Hyes and Mrs. Helen Brown of Chhattah, Okla.; four sisters, Mrs. Della Basy, Mrs. Beavis Shackleford and Mrs. Delphine Robertson of Memphis and Mrs. Opal Hamilton of Tubulume, Calif.; two brothers, Mober and James Jeffers of Memphis; nine grandchildren and two great-grandchildren.

Steady Cotton Market

Although the U.S. cotton crop will be much smaller this year than last, prices are expected to show little improvement, according to a marketing economist with the Texas Agricultural Extension Service. World cotton supplies remain large, as in U.S. cotton is public storage. While exports are strong, domestic mill use remains weak. And the competition between domestic fibers and cotton remains intense.

John W. Swinney

Funeral services for John W. Swinney, 84, of Clarendon, who passed away Friday at Memphis, were held Sunday at Clarendon cemetery.

He was born Jan. 1, 1893, in Cooke County, and married Opha Ethel Guira at Bobsheviks. The family moved to Donley County in 1919. He was a former Hedleyan and had been a county commissioner.

Survivors include his wife; two sons, Dalton of Clarendon and Theop of St. Louis; a sister, Mrs. Fred Killian of Amarillo; two brothers, Rbald of Amarillo and Huls of Birchtree, Mo.; five grandchildren and 9 great-grandchildren.

Thank You Voters

A very special thank you to the people of Hedley who voted for me and supported me in my bid for County Tax Assessor-Collector. You helped put me in the run-off, and words cannot express my appreciation or gratification when I found that I had carried Hedley.

I am again asking for your support and the support and influence of the other voters in the run-off election June 3.

Mrs. Kay McGowan

The adult summer homemaking course will be Sewing Stretch Knits, with emphasis on construction of T-shirts and Linenite.

Registration for both adult and student classes will be Wed., May 31, from 2 to 3 p. m. in the homemaking department.

The adult class will meet from 7 to 9 p. m. on Monday, Tuesday, and Thursday, June 5, 6, and 8.

The student class will meet at 9 a. m. from June 5 through June 16 at the school. They will study sewing and self-improvement.

If anyone has any questions regarding the summer program, please contact Carla Langley at 856-3131.

Card of Thanks

I would like to thank each and every voter for your support in the primary election. Due to the extra work involved in setting up the improved system in the tax office so that we may better serve you, the taxpayer, more efficiently, I was unable to shake the office to campaign as I would have liked to. I regret that I was not able to get acquainted with each and every one of you before the primary, but I tried to see each and every voter before the June 3rd election. I would sincerely appreciate your vote and continued influence in the run-off election on June 3rd.

Thank you,
Chauncey Hommel

A very REFINED Gentleman OR how NORBERT RILLIEUX was the original Sugar Daddy.

On August 26, 1842, Norbert Rillieux put a patent on a sweet idea. It was a way to refine sugar. To help the sugarcane juices evaporate more quickly, he enclosed condensation coils in a vacuum chamber. A process that's made things a lot sweeter ever since.

You can make your future a little sweeter, too, by buying U.S. Savings Bonds through your Payroll Savings Plan. They're the dependable way to save for an education, vacation, or even retirement. Because they always pay off with interest.

So buy U.S. Savings Bonds. And be a "sugar daddy" in your spare time.

Series E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Are you going to live longer than your money?

Maybe you're having a pretty good life now. Your credit is good, you've got a few nice clothes and a good dependable car. And if you're lucky, maybe you own your own home. But that's because you're working. What happens when you retire? You can't live on memories. It's still going to take money. Lots of money. Money that you should be saving now.

That way every time you earn a little money for today, you save a little for tomorrow.

Then when the time finally comes to retire, you'll have something put away to retire to.

And one of the easiest ways to start putting away a few dollars for those retirement years is by joining the Payroll Savings Plan where you work and buying U.S. Savings Bonds.

U.S. Savings Bonds are sold through the U.S. Treasury Department. For more information, contact your local U.S. Savings Bonds Office. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.
