In studying our own interests we consider the interests of our customers --- the two are inseparable.

We have now increased our Capital and are doubling our storage capacity, to meet the requirements of our steadily growing trade.

We expect to handle cattle and sheep and Mr. S. J. Palmer will have charge of that department. The management of the store will be as before.

Heartily appreciating the support we have had, for which we are thankfal, will say we wil strive to further merit it in every way. Respectfully,
