

"MY TURN"

By
Carol
Ellis

TO EVERYONE ELSE in the world, the car is a status symbol. I, being a minority of one, think of a car as a device to get me from one place to another and I don't care what it looks like as long as it runs good and gets me there.

Isn't it irritating the way manufacturers keep moving stuff around? For instance, to change your lights from bright to low-beam and back again, you used to be able to stomp on a little switch located in the floor near the left foot which you weren't using for anything else anyway. Now the button is located somewhere on the dashboard or on one of those little levers behind the steering wheel.

While I'm driving down the road trying to find the right button to push, I usually end up squirting the windshield with water, turning on the wipers, or flicking on various turn signals, much to the confusion of people in cars behind me. Now, I ask you... is that safe? What was wrong with that button on the floor which was pushed with the foot that wasn't being used for anything else anyway?

These days, no two cars have the horn located in the same place either. When some other nut is just about to run you down, it's no time to have to hunt for the horn. In some cars, it is located on one of those confusing little levers behind the steering wheel. In others, it's on the side of the cross-bar in the middle of the steering wheel. What was wrong with all cars having a standard place for those little necessary gadgets?

We are fortunate to live in an area where people are very friendly to one another. Folks driving by, nearly always wave, whether they know you or not. Now we've come up with something new. Tinted windows. It may be cooler inside a car with tinted windows, but I hate not being able to enjoy a friendly wave.

The police and highway patrol fellows are not fond of tinted windows for sure. It is dangerous for them to stop a car for a traffic in-

fraction and then have to walk up to a window which is so dark that they can't see if a gun is pointing at them or what.

But tinted windows are dangerous for another reason. A really good driver makes allowances for human error on the part of the other people driving around them. Just because you have the right of way doesn't mean it is always safe to go barreling along, oblivious of everyone else. I like to know if the person at the stop sign has turned their head and looked in my direction when I'm coming through an intersection. If they don't know I'm there, they might just go ahead and meet me in the middle. Now, thanks to tinted windows, I can not always tell if the person in the other car has looked my way or not.

Of course we all practically live in our cars these days. In the bigger cities, I've seen ladies putting on their makeup and combing their hair while waiting at a stop light. People eat in their cars, talk on the phone in their cars, and, I've heard of some folks even getting dressed in their cars while driving down the street going to work in the mornings. So, for that reason, I suppose it's nice to have the privacy of tinted windows. But I, for one, still think they are unsafe.

My Dad was always prepared for any emergency on the road. He made sure the spare tire was always aired up and he kept a box of tools in the trunk of the car, plus some spark plugs, a fan belt, a can of oil and a jug of water. I don't think that would do the trick these days. Everything on a car is now computerized and things under the hood of the car are so complicated that it requires an engineering degree to figure out even the most minor repairs.

Randall Carr, who writes "Carr Care" for the Amarillo Globe says, "The best emergency repair set up today is a cellular phone --- to call for a tow truck."

BHS Track Stars Will Advance

The Fillies and Mustang tracksters qualified team members for the regional meet during their district meet April 16 at Plains.

For the Fillies, Donna Griggs placed first in her three events--the high jump, 100-meter hurdles and 300-meter hurdles. She won the high jump with a 5-4 effort; the 100 hurdles in 15.98 and the 300-meter hurdles in 48.46.

Her time in the 300-meter hurdles broke the school record (48.83) she had set the previous week.

Rosalinda Serna placed third in the 3200-meter run with a time of 14:14. Brooke Charles placed fourth in the 800-meter run with a 2:38 effort; Sally Noriega placed fifth in the 200-meter dash in 28.43, and Teresa Stone placed fifth in the discus at 82-3.

Bovina's two relay teams both placed eighth--just out of the running. The Fillies scored 44 points for seventh place in the meet. Sudan won with 108 points. Petersburg scored 69 and Anton 63.

For the Mustangs, Corey Kirkpatrick and Cain Neal qualified for regional thanks to wins.

Kirkpatrick won the 300-meter intermediate hurdles in 40.18, and Neal won the shot put event and set a new school record of 50 feet, eight inches.

Neal is also regional alternate in the discus, after finishing third in that event with an effort of 132 feet, one inch.

Kirkpatrick placed fourth in the 100-meter dash, and Bovina's mile relay team placed sixth. Members of that foursome were Kory Mitchell, Hugo Renteria, Kody Wilson and Benji Chisom.

In the junior varsity division, Andy Espinoza placed first in the 1600-meter run (time not reported).

Kirkpatrick, Neal and Miss Griggs will compete at the regional meet in Levelland May 1-2. There is also a regional qualifiers meet at Levelland this Saturday, April 25.

"The track team did a great job throughout the season and many personal bests were achieved at the district meet. Much credit should be given to these athletes who were willing to pay the price," said Mustang coach Bobby Ventura.

AND THEY'RE OFF--Rain or shine, hot or cold, the Easter Egg Hunt must go on! The annual Lions Club egg hunt was a big success with the children. When asked how many eggs were hidden, Dickie Clayton replied, "A whole bunch!" And a "whole bunch" of kiddos participated in the event. Dickie said "thanks" to Eddie Don Lide and Chad Clayton for helping him hide the eggs.

REGIONAL BOUND--Members of the BHS girls golf team have qualified for regional. Shown left to right are Brooke Charles, Darla Stormes, Cindy Quintana, Stephanie Rackley, Charlotte Quintana, and their fearless leader, Coach Been!

City's Sales Tax Check In Increase

The City of Bovina received a check for \$1,496.50 recently from the state comptroller's office. This represented the city's share of the April rebates of approximately \$9.2 million received by Texas cities.

Bovina's check showed an increase of \$46 over the payment for the comparable period in 1991, when a check for \$1,455.56 was received. This was an increase of 2.81 per cent.

For the calendar year 1992, Bovina has now received a total of \$7,376.10, an increase of 1.16 per cent over the payments of \$7,291.54 the city had received as of the same date in 1991.

School Candidates Are Announced

School Board Elections will be held on Saturday, May 2, 1992, at the Bovina School. Those running for the three positions that will be vacated this term are the following:

Esther Steelman: Esther is a homemaker and is married to Joe Steelman. The couple has three boys in school; Luke, a sixth grader; Levi, a third grader; and Jake, a first grader.

Esther has been a long-time resident of Bovina and has helped with many community projects. She has substituted in the Bovina school system for six years which has helped her to become aware of the workings of the school system. Esther said she will work for the students to have the best school system possible.

Mike Beauchamp: Mike is a farmer and is married to Deborah. They have three children in school; Angela, a sophomore; Lori, a seventh grader; and Tony, a sixth grader.

Mike has lived in Bovina all of his life and has served two years on the school board. He is presently

"Overall payments to Texas cities and counties have increased each month this year, indicating slow economic improvement and a gradual increase in consumer confidence," State Comptroller John Sharp said.

In Parmer County, the payment to the City of Friona showed a decline, to \$6,978 this year from \$8,216 a year ago, although the City of Farwell showed a modest increase from \$3,000.87 to \$3,065.62.

This month's sales tax payments include taxes collected on February sales and reported to the comptroller in March by businesses filing monthly tax returns.

serving on the board and would appreciate your support.

Dennis Willard is a farmer and is married to Tammy. They have three children in school; Amber, a seventh grader; Josh, a fifth grader; Jeremy, a fifth grader.

Dennis has lived in Bovina all of his life and is currently serving his first term on the school board. Dennis would appreciate your vote on May 2.

Jerry Roach is a farmer and is married to Kay. They have two children in school; J.T., a fifth grader; Stacy, a first grader. Jerry has lived in Bovina most of his life and is presently serving as the president of the school board.

Jerry said that he would like to see a lot more parent involvement in the positive manner.

Richard Bonham is the Deputy Sheriff of Parmer County and is married to Anita. They have one son in school; Jimmy, a freshman. Richard has lived in Bovina for two years.

Richard said that he would appreciate your vote on election day.

Everyone needs to support our school system by voting for the person they feel is best qualified to do the job. Remember that this is your chance to have a say in who helps run our school. VOTE! May 2, 1992.

City Election At EMS Bldg.

The city election will be held at the Bovina E.M.S. Building (old American Legion Hall) on Saturday, May 2.

An earlier notice gave the City Hall as the election place, but the election will NOT be held at the City Hall.

Mustangs Fall To 1-1 After Weird Defeat

Bovina High School's Mustangs lost one of the strangest games you could imagine against Samnorwood here last Tuesday on a rainy, cold day. The final score was 17-16, and it dropped Bovina's district record to 1-1.

But Bovina Coach Rock Stanley is still talking to himself about the way the game ended.

Samnorwood's third pitcher had walked the first four batters he faced in the last of the sixth inning. The bases were loaded, and Hector Guevara had just taken ball three, when the umpire suddenly stopped play on account of darkness.

"He (the Samnorwood pitcher) hadn't even been close to the plate on any of his pitches. The third pitch to Guevara was about head high. One more pitch and we would have been at least tied," lamented Coach Stanley.

The umpire had attempted to stop play after five innings, but after a conference, agreed to let the teams play another inning.

"We didn't get our full inning. We had the bases loaded and no outs, and had been catching up to them in our last three at-bats. Plus, their pitching was shot. We were shocked, but there was nothing we could do about it," Stanley said.

The game was played on a makeshift field, which was revamped after rain had made the infield muddy. The diamond was re-located to centerfield, to take advantage of the grass in that area.

"Samnorwood had driven four hours to get here, and we hated not to play the game," the Bovina coach explained.

Stanley said that Galen Hromas organized a group of local men who worked to get the field in shape to play the game. "We appreciate the effort by these men on our behalf," Stanley said.

Samnorwood got off to a 17-9 lead after three innings, helped out by some shoddy Bovina defense. But the Mustangs finally got their act together, scoring three runs in both the fourth and fifth innings--then had the potential winning rally underway.

Isabel Marrufo had a pair of hits to pace the Mustangs in the tough loss.

It was the second one-run loss for the Mustang baseballers in a week's time, as they had suffered a 6-5 defeat to Plainview JV the previous Friday. Again, the team had the potential tying run on third

base when that game ended. But the Plainview pitcher bore down to strike out Tony Campos and Andy Stormes to end the game.

School Sets Kindergarten Registration

Pre-registration for pre-kindergarten and kindergarten for the school year of 1992-93 will be at Ridgelea Elementary School on April 29, from 3-4:30 p.m.

To be eligible for kindergarten the child must be five years old on or before September 1, 1992. To be eligible for pre-kindergarten the child must be four years old on or before September 1, 1992.

When parents come to register, they must bring their child's birth certificate, immunization records and their Social Security number.

"If you want to qualify for the Headstart Program, you must bring verification of your income," a school spokesman said.

July Parade Plans Made

Planning is underway to hold a parade in conjunction with this year's July 4th celebration in Bovina.

The theme for the 1992 celebration will be "Bovina Pride," announces the Chamber of Commerce.

Residents are urged to be thinking of what they might add to the parade.

The couple has two daughters and one grandson; Libby and husband Jay Holcomb and their baby son, Corben, who live in Bovina, and also daughter Nita Marshall who is a Senior at Bovina High School.

Looking Up!

By Richard L. Grisham

After making a recent hospital visit in Lubbock, I stopped to grab a quick bite at a Dairy Queen. I paid the lady behind the cash register, noticing that her name tag had "Assistant Manager" on it. But when she gave me my change, she miscounted and gave me a dollar extra. I counted it again to be sure, then called her back to explain the mistake. She recounted it, then yelled loudly for the whole world to hear, "Hey, everyone! We have an honest man here!" I was rather embarrassed over the sudden commotion and thankful there were only a couple of other customers in the place. Then, for my honesty, she handed me a silver token to be used later for an ice cream sundae. Who says honesty doesn't pay?

As I drove home I wondered over the incident. Why the big deal over \$1.00? Is an honest person such a rarity that this woman felt I should be singled out? I hope our society has not stooped that low!

Actually, I come by my honesty

honestly. I remember as a boy going with my Dad to get a pickup load of cotton seed to plant. When we arrived home and counted the bags, we had one bag of seed too many. Dad turned right around, drove back to the seed dealer and returned the extra cotton seed. Then he drove back to the farm and planted cotton. (He always tried to plant his cotton by May 10th because that was his birthday.) But that little episode of honesty made quite an impression on this lad! It was the seed dealer's mistake, but it was my Dad's integrity at stake! Since then I have always tried to be honest and above board in all my dealings.

Some folks may consider me naive, but I believe that honesty is still in abundant supply around Bovina. Although there may be a few unscrupulous folks about who take advantage, for the most part, integrity reigns. I just hope that I can pass along to my two sons and daughter that same virtue that my Dad so vividly instilled in me! Keep looking up!

NENA VEAZEY N. Veazey Honored By Association

Nena Veazey has been selected as the Texas recipient of the Sam Kirk Educator of the Year Award. The Learning Disabilities Association gives this award in recognition of teaching excellence and other outstanding achievements which have contributed significantly to the field of learning disabilities.

As the Texas recipient, Veazey was the state's nominee for the Learning Disabilities Association nominee for the National Sam Kirk Award. Her picture was displayed, along with other recipients from other states, at the LDA national conference in Atlanta and her name was listed in the program as the Texas LDA Educator of the Year.

Veazey has been an employee of the Hereford Independent School District for 16 years. She is currently the director of intermediate instruction and has served as director of special education for the previous four years.

She is a 1971 graduate of Bovina High School and is the daughter of Henry and Nellie Spicer of Bovina.

Prairie Acres Party Line

By CAROL DELEON

I have several things that I want to mention this week, so I'll start out with the "Thank You's": Dr. Alexander for picking up the Indian blankets that we have used to decorate some walls; Mildred Welch for magazines; the family of Dean Blackburn for the beautiful flowers that they donated; Raye Jene London for the beauty shop supplies; Eloise Cosca for the Easter lilly she gave in memory of her mother, Jessie McSpadden; Wilma Wise for the magazines; Odell Holley for the beautiful irises that he shared with us and Bill Stewart's daughter, Billie Chandler for the delicious Danish for the staff to enjoy during break.

I would like to mention at this time how much we appreciate all of the donations made to the Love Fund. This is the only way we are able to purchase equipment and items that keep our nursing home a superior rated facility.

Here are some of the things we have done with these funds: the purchase of 2-13" television sets for the residents, one new shower chair, drugs for the destitute, a modem for the computer to transmit information directly to the Texas Department of Human Services (which is required), nine new mattresses, books for families on nursing home placement, repair on the big screen television, some beauty shop supplies, brochures for marketing, new lawn mower, paint for the fence around the patio, patio furniture, new linens for the beds and, in the near future, we will purchase more supplies for the beauty shop.

The donation made in memory of Cap and Vivian Dennis from their estate has enabled us to do the following things on the Horizon Unit: putting up the chain link fence outside, remodeling of the unit and a new roof, due to terrible leaks. The Love Fund paid for the labor and the general fund is paying for all the materials and supplies.

Again, we want to say how much these donations are appreciated.

The following donations have been made to this Love Fund:
In memory of Ruth Jones: Dan and Grace Jo Johnson, Lunell and Hollis Horton, Jr., Loyd and Linda Chesher, Ilene Osborn, Gene and Dorothy Ellis, Jim and Christine Zorns and Russell O'Brian.

In memory of J.P. Ready: Mr. and Mrs. A.L. Outland, Jim and Christine Zorns.

In memory of Tress Tannahill: Ilene Osborn.

REFLECTIONS

....from The Bovina Blade

35 Yrs. Ago--April 24, 1957

As elsewhere across the country, the Post Office situation of shorter hours and no window service on Saturdays was short-lived in Bovina. Saturday before last was the only Saturday for the office to be closed all day. Last Saturday saw the situation back to normal with the window open from 8 a.m.-12 noon.

With the paving decision-making election just eight days away, a majority of citizens seem to feel the election will carry or as one fellow put it, "It'd better carry." He was, no doubt, thinking of the town's future when he made that statement.

Bovina Implement Co., with moving operations from North Street to its new location on Highway 60 completed, will observe the grand opening for its new building Thursday.

A new restaurant for Bovina is on the drawing board. Mr. and Mrs. C.C. (Cash) Richards have purchased the lots just east of Sudderth "66" Service Station on Highway 60 and their plans are to build a restaurant there.

"Take Your Medicine," a comedy in three acts, will be presented by the senior class of Bovina High School Monday night in the school auditorium.

Approximately 200 Bovina property owners will be involved in proposed street improvements. Improvements include installing curbs and gutters on Third Street, Highway 86 within city limits, and on Farm-to-Market Road 1731 from Highway 86 to south city limits.

In a regular semi-monthly breakfast meeting Thursday, directors of Bovina Chamber of Commerce and Agriculture recommended that the city paint additional parking lanes on Main Street.

"About 70" families in Bovina have signed for Cable T.V. service. That was reported this week from O.M. Hammonds, who plans to install Hi-Tower Cable Service here.

Eddie Corn, son of Mr. and Mrs. Charles Corn of Bovina, returned recently from Germany where he spent a year with his grandparents, Mr. and Mrs. Christian Swoboda. Eddie attended school at Schoenwald for approximately eight months.

Final Community Concert Is Scheduled In Hereford

The final concert of the 1991-92 season by the Hereford Community Concerts Assn. will feature the Texas Boys Choir, on Friday, May 1, at 8 p.m. at the Hereford High School Auditorium.

Igor Stravinsky, with whom they recorded his *Persephone*, called them "the best boys' choir in the

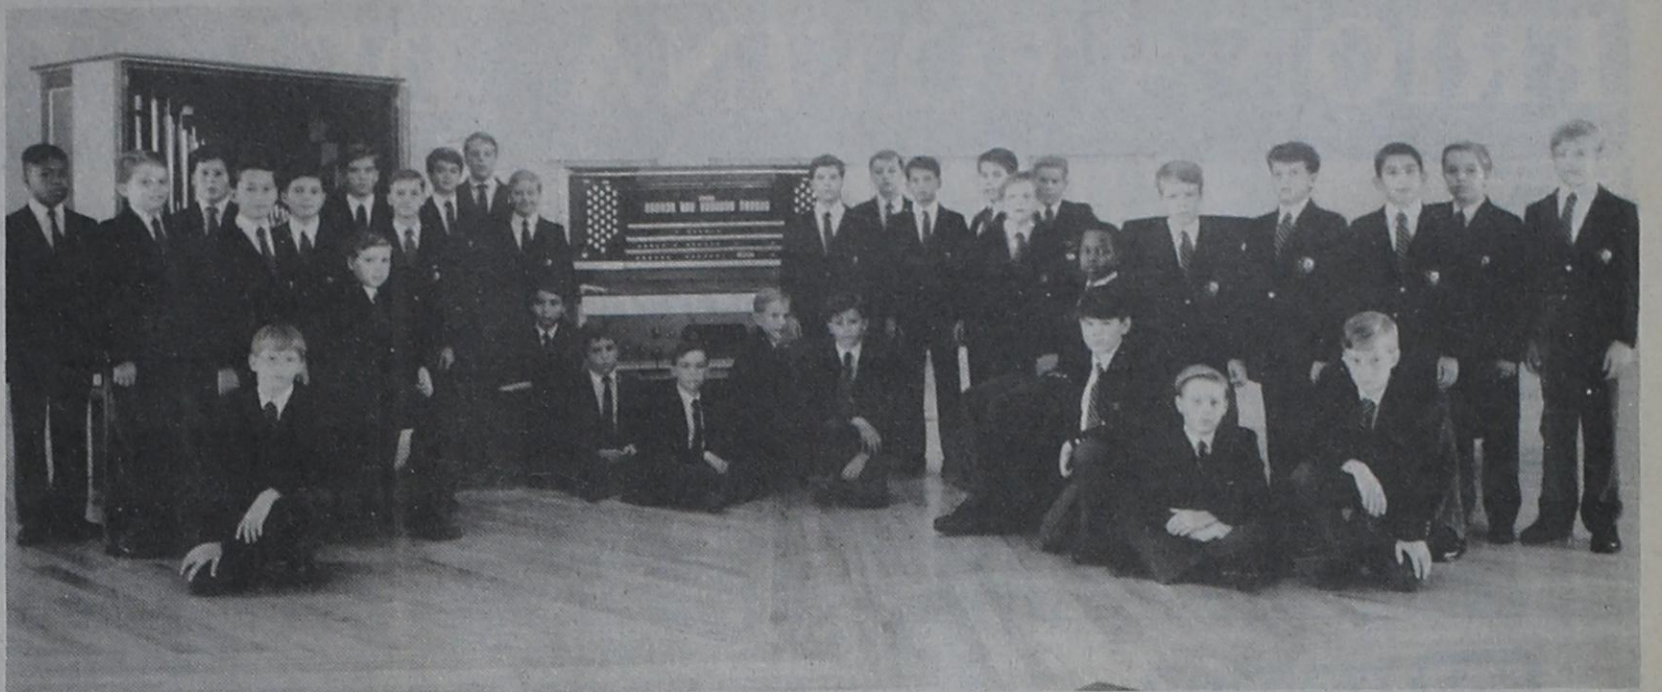

world"; *The New York Times* hailed them as "irresistible...corralling the hearts of the audience"; and in their concert tours around the United States, The Texas Boys Choir is consistently acclaimed for its "finesse and versatility", "vocal refinement", and "professional exuberance." After a benefit concert in March 1983 at Carnegie Hall for the Pearl S. Buck Foundation, *The New York Times* praised the Choir for its "discipline, affectingly sweet tone and purity."

Now in its fifth decade of concertizing, this ensemble of 40 young boys has earned a world-wide reputation rivaling that of the famed boys' choirs of England and Germany. In more than 3,000 appearances throughout the United States, Canada, Mexico and Europe, the Choir has offered musical programs ranging from exquisite old church music and Elizabethan madrigals to the latest Broadway show tunes and the exuberant folk songs of the Texas ranches, all performed in fully costumed, lighted and choreographed extravaganzas. The Choir has sung at the Mormon Tabernacle, Westminster Abbey and Notre Dame Cathedral. They represented the United States at the Festivals in Vienna and Holland, participated in Wales' historic Eisteddfod and appeared at the Festival Paul Claudel at La Cote St. Andre in France.

The Texas Boys Choir has performed in Mozart's *The Magic Flute*, Puccini's *Tosca*, Stravinsky's *Persephone* and the American premiere of Gian-Carlo Menotti's *Help, Help, the Globolinks* with the Santa Fe Opera.

The Choir also performs regularly as guest artists with the Fort Worth and Dallas Symphonies, the Fort Worth Opera Association, and the Texas Little Symphony.

Recent concert tours abroad include tours of Japan in 1982 and 1984. In 1988, the Choir toured Australia as an official representative of the United States to the Australian Bicentennial. They were selected for this honor by the American Australian Bicentennial Foundation in Washington, D.C. along

The Texas Boys Choir

with the Chicago Symphony, the Twyla Tharp Dance Troup, and the River City Brass Band.

Future tours abroad are being planned for Spain and the Bahamas in 1992 as a celebration of the 500th Anniversary of both the discovery of America and the uniting of Spain under Ferdinand and Isabella.

Founded in 1946 in Denton, Texas, by George Bragg, the Texas Boys Choir is the carefully hand-picked and specially trained top-level group of a permanent choir organization and year-round choir school headquartered in Fort Worth. Unique among the great boy choirs of history in that it is a non-denominational civic organization, it was chartered in 1946 as a non-profit corporation by the State of Texas. By 1957, the Choir had attained such prominence that several large cities were bidding for its relocation. Fort Worth won with a generous grant and a pledge of civic support. There the Choir's affairs are currently managed by a board of directors composed of community leaders. In 1988, the Choir moved to a newly built facility of its own. The award winning building contains a concert hall and other public areas plus classroom and rehearsal facilities for the choirs and the school. In the same year, the Choir opened its own academic school.

The school is designed to educate only the boys involved in the touring choir, and functions during the semesters when the choir is involved in professional touring or media activity-generally January to June.

The Executive Director of the Texas Boys Choir is Jack Noble White, a native of Weatherford, Texas, who came to his post in 1977 with a distinguished musical and administrative background. With graduate degrees both in music and educational psychology, his posts have included tenure as Headmaster of St. Paul's School, Mobile, Alabama, a large 12-grade college prep institution. White served fifteen years as Secretary of the Episcopal Church's national music commission, The Standing Commission on Church Music and is an Honorary Fellow of the Westminster Choir College.

Facts About The BIBLE BY JOHN LEHTI
DRINKING WATER OUT OF A ROCK?
WHEN MOSES LED ISRAEL OUT OF THE WILDERNESS, THEY RAN OUT OF WATER. THE PEOPLE SAID THEY WOULD RATHER HAVE DIED IN EGYPT THAN TO PERISH IN THIS ARID LAND. MOSES AND AARON TOOK THE PROBLEM TO GOD. HE ORDERED MOSES TO SPEAK TO THE ROCK BEFORE THE PEOPLE AND THERE WOULD BE SUFFICIENT WATER FOR BOTH MAN AND BEAST. WHAT WOULD YOU DO UNDER THE CIRCUMSTANCES? WOULD YOU ACTUALLY ASK FOR A ROCK TO GIVE YOU WATER? MOSES DID! (NUMBERS 20:11) MOSES LIFTED HIS EYES AND SMOTE THE ROCK AND THE WATER GUSHED FORTH.

City Sets Date For Vaccinations

Pet owners: The City of Bovina requires that all pets within the city limits must receive rabies vaccinations and city tags on a yearly basis.

Dr. Bret Whitten will be administering vaccinations on Saturday, April 25 from 2-5 p.m. at the Bovina Fire Station.

The cost for the rabies shot and city tags will be \$7.50. If your pet needs other vaccinations, they will be available upon request.

July 4th Plans Are Underway

Planning is underway for the Fourth of July Parade. This year's theme is "Bovina Pride."

So, start thinking of what you can add to the parade. If you have any questions, contact Julie Ziegler at the Yankee Cafe at 238-1455.

Folk Life Festival Is Scheduled In Amarillo

The Panhandle Folk Life Festival Task Force is seeking additional ethnic/heritage groups to participate in the Folk Life Festival to be held Saturday, August 29, 1992 from 12 until 6 p.m. The Festival will be a part of Old West Days and will be held at the Civic Center.

Groups may choose to either have a display and/or to sell ethnic or heritage foods and/or perform on the program. There is no participation charge to the groups. Any funds realized from the sale of food items the groups may keep.

The purpose of the Folk Life Festival is to celebrate the multi-heritages of the Panhandle.

For additional information, please call Suzanne Senesac-Sheriff at 376-4571 or write her at Box 15127, Amarillo, Texas 79105-5127.

Linda's Lines

By LINDA MARSHALL

It seems that in the good ole USA there are four holidays when all families try to get together: Easter is one of them. Grab your second cup of coffee, prop your feet up, and read on.

O.H. and Carlene Jones had family come to visit and eat with them on Sunday. They were Randy and Sandria Jones; David, Dawn, Douglas, and Patricia Boozer; Donald, Vicki, Christi, and Cindy Jones; and a friend, Dexter.

Bedford and Pauline Caldwell had two of their grandsons come to visit over the holidays. They were Brandon Caldwell and Brian Caldwell. Brian had a friend with him, Kristin Thomas.

They enjoyed going to church together and eating dinner afterwards. Brandon also visited with Don and Juanda Murphy who are also his grandparents.

Ken, Terri, Sara, Jill, and Sydney Sorley went to Albuquerque over the holidays to visit with Terri's family. Three of her brothers were there and they all had a good time visiting.

Gene and Vi Hutto had a house-full over the weekend. Toya, Drew, and Alysa Wilson from Glen Rose; Tim, Becky, Aaron, and Kevin Bisor from Fort Worth.

Evelyn is Vi's sister and Becky is Evelyn's daughter. They all went to church together and had a good time visiting. The Bisor family

stayed with Joe and Esther Steelman at night and Evelyn just moved around to all the kinfolks.

Saturday, the whole Steelman Clan, about 35 of them, went out to Joe and Esther's for a hamburger cookout. They had a lot of fun just visiting and hunting for Easter eggs.

William and Kathryn Gromowsky had all of their family with them at church Sunday. Kathryn said they hunted Easter eggs that afternoon and just enjoyed being with the whole family. I can also assure you that they had a wonderful meal together because Kathryn is a great cook.

Keith and LaQueta Garner had all their children with them for the holidays. They also had Keith's mother, Leora Garner, and LaQueta's mother, Bernice Chaney at their home. Leora also visited with Ed Galloway, her brother; Martha Garner, and the Larry Mitchell family.

Grady and Dorothy Sorley had her parents, Mr. and Mrs. Ernest Jones, from Olton visiting over the holidays. David Cole, their grandson, was also here from Baylor University. While here, David visited with his other grandparents, Charles and Anne Corn.

The Kim Rundell family left Sunday after church to go to Lubbock to visit with Kim's mother and grandmother.

Billy and Susie Smith; Justin and Arlene Brozek; Stan, Darlene,

and Hanna Miller; Carolyn, Misty, and Lindsey Pruitt all went to the Smith's cabin 37 miles north of Las Vegas, NM.

They left Friday and came back on Sunday. They were just arriving at the cabin when Arlene had an accident and fractured her ankle. They took her to the emergency room at Las Vegas where they put a temporary cast on. Susie said that this put a kink in their trip but they still had a good time riding horses and enjoying God's creation.

The Widner family went to Dutch and Linda Merrill's home on Saturday. While they were there, they had portraits taken of the grandchildren and great-grandmother. They also had an Easter egg hunt and plenty of food. Laura and Clay Cristy came to church with Carolyn and I enjoyed visiting with Laura.

Jay, Libby, and Corbin Holman went to Childress over the weekend to see Jay's family. They enjoyed shopping, eating out, and going to church together.

Norvell and Doris Strawn had a big family dinner Sunday. Doris said that they did a lot of visiting and the little ones hunted Easter eggs.

Patti and Drew Johnson, Michelle and Josh Johnson, and Sharlet McCormick went to Wichita Falls over the holidays to see their husbands and daddies. Patti said they just rested, shopped, ate out, shopped, and went to church with friends.

Stuart and Linda McMeans are here from Washington D.C. visiting with his parents, Bob and June. They are also visiting with Reagan and Joe Looney, Stuart's grandparents.

Bobby McMeans came down from Amarillo Sunday to visit with his parents and brother.

Kelly McClaran's mom and two sisters came down Friday to visit with them. While they were here they went to Clovis to eat and do some shopping.

O.H. and Carlene Jones had a lot of company about two weeks ago. Carlene's brother and wife, Mr. and Mrs. Otis Martin and their daughter Pam, came from California; Ed and Cecelia Skidmore,

cousins from Midlans; Jim and Eloise Massa, cousins from Amarillo; Vi McQueen, Carlene's sister from Memphis; Donald, Vicki, and Christi Jones from Farwell; Jon, Niki, Kyle, and Cassie Riddle from Clovis; Jon Lin and Brenda Riddle from Bovina all ate dinner with them Sunday, April 12. Carlene said they enjoyed visiting and going to Clovis to eat out.

Donnie Shamblin, grandson of Jack and Ona Patterson, was doing a physics experiment when a bottle blew up in his left hand and did severe damage.

He was taken to Northwest Texas Hospital on Saturday and had a five-hour surgery done on Sunday. He is doing as well as can be expected and only time will tell how much damage was done.

Leona Steelman was taken to the Friona Hospital Monday by Bovina Ambulance. She is probably going to be there for a few days according to Vi Hutto.

Jack Rains is starting to manipulate in a wheel chair according to his daughter Ryn. He is still in the Highland Hospital in Lubbock and will probably be there for some time.

Celia Quintana's father, Ireneo Ortiz, was taken to the Friona Hospital Friday, April 17. He was taken on to Northwest Texas Hospital where it was determined that he had a mild stroke. Celia said that he was doing much better and might get to come home April 21.

On April 19, Floyd Englant was honored by twenty-two members of his family with a birthday party to celebrate his 75th birthday. The celebration included dinner together and birthday cake complete with 75 candles.

Those present were Mr. and Mrs. Chuck Daslund, Mr. and Mrs. Tim James and children, all of Clovis, Anna Lee Englant, Cathy Jarrett, Mr. and Mrs. Mike James, Mark Englant and children, Mr. and Mrs. Tony Englant and children, Mr. and Mrs. Rick Weber and children, all of Bovina.

Congratulations to Jerry Ware on the birth of her new great-granddaughter, Rachael Ann Ware. She was born to Alan and Ann Ware on April 12, and came into this world weighing eight pounds and nine ounces.

PATTI SHERRILL and BLAIR BROWN...Mr. and Mrs. J.E. Sherrill, Jr. of Bovina announce the engagement and approaching marriage of their daughter, Patti of Amarillo, to Blair Brown, also of Amarillo. His parents are Sharon Brown of Stratford and Joe Ray Brown of El Paso. The couple will exchange wedding vows Saturday, June 27 at 3 p.m. in the First United Methodist Church of Bovina. The bride-elect is a 1983 graduate of Bovina High School and 1987 graduate of West Texas State University. She is employed by the River Road Independent School District. The prospective bridegroom is a 1980 graduate of Stratford High School, 1985 graduate of Texas Tech University, Lubbock, and is employed by Randall High School.

SAVINGS JUST KEEP STACKING UP...

...with the Dual Fuel Heat Pump.

Two reasons why it can save you money:

High Efficiency. The Dual Fuel Heat Pump makes the most of every energy dollar. It is as much as twice as efficient as your old air conditioner. So, you start saving money the moment you switch on your Dual Fuel Heat Pump.

Low Electric Rates. Residential prices for electricity are 21% lower in the SPS service area than they were nine years ago. (Can you think of anything else that costs that much less than it did in 1983?) Our prices are among the lowest in the nation.

YES! I would like to be your mayor again.

During this last term we have accomplished some of our goals, however, we still have many things to do. Our park and cemetery need upgrading, the water department and sewer system need some work, too. The junk car problem must be fixed and several more improvements need to be made. Remember, what is popular is not always proper and what is proper is not always popular. It's a long worm that has no end. Please, everyone, get out and vote.

ASCS Makes Announcements To Parmer County Farmers

Parmer County ASCS executive director Curt Miller this week made a number of announcements which should prove of interest to county farmers:

Certification/Measurement Service: May 15, 1992 is the final date to certify small grains (wheat, rye, barley, oats, triticale), regardless of their use (harvest, ACR cover, CU cover etc.). If you do not already have an appointment PLEASE call (481-3311) and make an appointment as soon as possible. This is also the final date to certify to zero acreage planted if the farm has a base for that commodity.

Measurement service will be offered on small grains until May 15, 1992. Regardless of the use of the small grain it is suggested that you take advantage of this low cost service if you are unsure of any acreage. Measuring service rates are \$20.00 plus \$.03 per acre for each acre over 25. If you haven't already done so, PLEASE call and make an appointment. Remember, there is no tolerance on measurement service.

Small Grains Left Standing: If you have wheat or other small grains on ACR or CU that will be left standing and not substantially destroyed by May 15, 1992, you must file a request to leave the small grain standing and pay a \$10.00 inspection fee by May 15 to remain in compliance.

Payment Limitation/Joint Operations: If you signed up for the 1992 ARP Program and did not complete payment limit forms, you need to check back with this office. No payments shall be made until payment limit forms are completed or an update is signed.

Payment limitation rules for joint operations including husband and wife joint operations require that all their farming business be carried in the name of the joint operation at the enterprises they are doing business with. This includes gins, elevators, lending institutions, electric and gas companies etc. Doing business any other way could cause the joint operation to be combined as one person for payment limitation purposes.

Tolerance of Corn and Sorghum: Changes have been made in the tolerance calculation for participating corn and grain sorghum on the combined corn and grain sorghum permitted acreage. Tolerance shall be calculated as 5% of the TOTAL reported corn and grain sorghum acreage (not to exceed 10 acres). Acreage of corn and grain sorghum will be determined separately. The difference between the reported and determined acreage of each crop will be totaled. The total of the differences of the two crops may not exceed the 5% tolerance (not to exceed 10 acres) of the

total reported acres.

Compliance Procedures for 1992: Producers are required to report all cropland acreage, including zero acreage reports, on ASCS-578 when the farm is participating in the 1992 price support and production adjustment program. Producers on nonparticipating farms requesting P&CP credit for zero acreage reports are also required to report all cropland on the farm.

For 1992, all payment reductions due to failure to fully comply shall be considered farm rather than crop specific. If a producer is penalized due to one crop being out of compliance and the penalty exceeds the payment for that crop, the penalty will carry over to other crops on the farm.

For 1992 and future years, if a

producer does not request, or the COC does not determine good faith for any crop, all participating program crops shall be ineligible for any benefits, all advance payments shall be refunded and liquidated damages shall apply to all participating program crops, all crops shall be ineligible for price support benefits, and all other crops shall be ineligible for disaster benefits, if available.

Dates to Remember: May 1--Final date to accept owners signatures on ARP contracts; May 15--Final date to report small grains; May 25--County Office will be closed for Memorial Day; June 1--Final loan date (corn, cotton, grain sorghum, soybean minor oil seeds); June 1- October 31--Non-haying and Non-grazing Period.
