Several Varieties Of Squash Available During Summer

BY CARLA McKEOWN

Squash was one of those foods that, as a child, I never knew whether I should like or not. It was a food that most grown-ups liked, automatically making it one that kids didn't like.

However, my mother cooked home-grown crook-neck yellow squash in the summer, sprinkled it with salt and pepper and topped it with pats of butter. Now, put butter on something and I just can't seem to say "no."

It took a little more coaxing to convince me that zucchini was good. But now I enjoy all kinds of squash cooked in a variety of ways.

The term summer squash typically refers to soft-skinned squash that traditionally were available only in the summer. However, today most squash varieties include yellow straightneck and crook-neck, zucchini and pattypan.

When buying summer squash, look for small, heavy squash with tender skin that yields easily when you apply pressure with your thumb. At home, refrigerate the

squash and use within a few days. Summer squash do not need to be peeled; the skin is tender enough to eat with the rest of the vegetable. Summer squash often is cut into slices or strips and served raw with other vegetables and a dipping sauce.

Squash can be boiled, baked, fried, grilled, steamed and used in soups and stews. To grill, slice the squash in half lengthwise, brush with butter and sprinkle with salt, pepper and herbs (thyme, rosemary, dill, etc.) and grill until it can be pierced easily with a fork.

Try the following recipes with this summer's crop of squash:

SUMMER SQUASH MEDLEY

- 2 tablespoons butter or margarine
- 1 medium onion, thinly sliced
- 1 large zucchini, thinly sliced
- 4 medium-size yellow squash, thinly sliced
- 1 medium-size green pepper, cut into thin strips
- 3 medium-size tomatoes, peeled and quartered
- Salt and pepper to taste
- 1 cup freshly grated Parmesan cheese
- 1/4 cup chopped fresh parsley

Melt butter in a large skillet, coating sides and bottom of pan. Allow butter to heat on medium-high for 2 minutes. Add onion and stir-fry briefly. Stir in zucchini and yellow squash and green pepper; cook for 2 to 3 minutes or until tender-crisp. Add tomatoes, salt and pepper, to taste. Stir well. Sprinkle cheese and parsley over the vegetables and toss gently. Makes about 6 servings.

MICROWAVED STUFFED ZUCCHINI

- 1 slice bacon
- 2 medium-size zucchini
- 1 teaspoon chopped fresh basil leaves or 1/4 teaspoon dried basil
- 1 small garlic clove, chopped or 1/4 teaspoon garlic powder
- 1 tablespoon freshly grated Parmesan cheese
- Dash of ground cayenne (red) pepper
- 1/2 cup chopped tomato
- 1/4 cup toasted bread crumbs
- Salt and pepper to taste

Cook bacon in the microwave on high between paper towels until brown and crisp; crumble bacon into a small bowl and set aside. Cut zucchini in half lengthwise and scoop out the pulp, leaving a 1/4-inch shell. In the small bowl with the bacon, mix the zucchini pulp, onion, basil, cheese, tomatoes and bread crumbs. Fill zucchini shells with mixture and microwave on high for 6 to 8 minutes or until the shell is tender. Add salt and pepper. Makes 4 servings.

SUMMER SQUASH BAKE

- 2 pounds yellow squash
- Salt and pepper to taste
- 2 eggs, separated
- 1-8 ounce carton sour cream
- 2 tablespoons all-purpose flour
- 1-1/2 cups (6 ounces) grated Cheddar cheese
- 4 slices bacon, cooked and crumbled
- 1/3 cup fine, dry breadcrumbs
- 1 tablespoon butter or margarine, melted

Wash squash and trim off ends. Place in boiling water to cover and cook for 15 minutes or until tender-crisp. Drain and cool slightly. Slice the cooked squash thinly; sprinkle with salt and pepper. Beat egg yolks until thick and lemon colored; stir in sour cream and flour. Beat egg whites until stiff peaks form. Fold the egg whites into the egg yolk mixture. Layer half the squash in the bottom of a 12-inch-by-8-inch greased baking dish. Pour half of the egg mixture over the squash and sprinkle with half the cheese and all of the bacon. Repeat with the remaining squash, egg mixture and cheese. Combine the breadcrumbs and butter; sprinkle over the top layer. Bake at 350 degrees for 20 minutes. Makes 8 to 10 servings.

SOUTHWESTERN SQUASH

- 1 medium onion, chopped
- 2 tablespoons butter or margarine
- 1 zucchini, cut into 1/4-inch slices
- 1 yellow squash, cut into 1/4-inch slices
- 1-4 ounce can chopped green chiles, drained
- 1 medium tomato, peeled and chopped
- Salt and pepper to taste

Saute the onion in the butter in a large skillet for 2 minutes. Add the remaining ingredients and stir gently. Cover and cook for 5 minutes or until tender-crisp, stirring occasionally. Makes 6 servings.

Facts About The **BIBLE** BY JOHN ZEHTI

"...AND THE LORD HARDENED PHARAOH'S HEART!"
 IT HAS BEEN SAID MANY TIMES, "THE LORD WORKS IN MYSTERIOUS WAYS, HIS WONDERS TO PERFORM." WITHOUT A DOUBT, ONE OF THESE INSTANCES HAS TO BE THE EVENTS LEADING UP TO THE DEPARTURE OF THE HEBREWS FROM EGYPT UNDER THE GUIDANCE OF MOSES. ALTHOUGH MOSES, AT THE LORD'S INSTIGATION, PERFORMED MIRACLES BEFORE PHARAOH'S EYES, THE BIBLE TELLS US, OVER AND OVER AGAIN, "...AND THE LORD HARDENED PHARAOH'S HEART..." (EX. 9:12) SO THAT PHARAOH WOULD NOT BELIEVE WHAT HIS EYES BEHELD! UNTIL THE VERY DAY OF THE EXODUS WHEN THE HEBREWS WERE WELL ON THEIR WAY TO THE RED SEA...

OBVIOUSLY THE LORD INTENDED THE DESTRUCTION OF PHARAOH AND HIS ARMIES FOR THE HARSH TREATMENT THEY HAD GIVEN THE HEBREWS. MORE THAN A DOZEN VERSES IN THE SCRIPTURES RELATE THIS TYRANNICAL BEHAVIOR IN THE FACE OF SO MANY PROOFS THAT MOSES WAS ACTUALLY A MESSENGER FROM GOD HIMSELF. WHY ELSE WOULD AN INTELLIGENT RULER OVERLOOK THESE FACTS...!

Marie Pesch of Austin came home in recent days and visited with her parents, brothers and their families. Her parents are Joe and Helen Pesch and while here, they drove to Skellytown and visited with her brother, Eddie; visited brother, Donnie, in Canadian and brother, Robert, in Lazbuddie.

Marie works in the research department at Tandem Computers in Austin and her mother said she works in the document section.

Margie and Jack Owens of Austin visited with Margie's parents, Cliff and Julia Leake. Julia said they were on their way to Arizona to visit with Margie's cousin.

Congratulations to Joe and Kim Black on the birth of their third son, Hunter Drake, who was born last Wednesday at 11:30 a.m. in the Clovis High Plains Hospital.

We found out that Kim was watching her boys play baseball Tuesday night even though her labor pains had begun. She went to the hospital Wednesday and Hunter was born just before noon. She was home the next day and back to the ball game Thursday night to see the boys play ball.

If you know Kim, this isn't too surprising because she's a "go getter" if there ever was one. We admire her spunk!

Joe Olvera was surprised with a "daddy shower" a week ago last Sunday evening after closing time at the Bovina Pay-n-Save grocery store by employees at the store.

Sandy Sosa provided the cake for the occasion and the group had fun. By the way, the baby is due at any time!

Virgie Cary is recuperating after being in a one vehicle accident

when the pickup she was riding in overturned between Shallowater and Anton in recent days.

I talked with Virgie and she said it was raining and the pickup hydroplaned and overturned. She was buckled up but the seat belt came loose. She was pinned in and the Muleshoe EMS helped to get her out.

She said everyone was so kind and efficient and she wished she knew how to personally thank all of them.

She sustained lots of bruises and multiple injuries but no broken bones. The Muleshoe ambulance took her to the Methodist Hospital in Lubbock, where she was x-rayed and released after it was determined there were no broken bones. She spent this week at the home of her sister and brother-in-law in the Muleshoe area.

Earl Stevenson was taken by ambulance to the Clovis High Plains Hospital on Friday, June 11. I talked with his daughter-in-law, Yvonne Stevenson, and she said he was having very high blood pressure when they took him to the hospital.

Antonio Flores, Jr. was involved in a one vehicle accident that caused serious injuries on June 1. He suffered spinal injuries and is paralyzed, according to his sister. He is a patient in the Intensive Care Unit at University Medical Center in Lubbock.

Flores is employed at the Excel plant in Friona. He is the twenty-one-year old son of Antonio Flores, Sr. If you wish to send him a card, you can mail it to his parents' home at Box 453. Our thoughts are with the family.

We understand Patricia Parsons

Martinez is the mother of a new baby girl, Katie. We were unable to reach the family for details.

Police Chief Leon Saddler attended a four-day workshop sponsored by the Regional Organized Crime Information Center, whose headquarters are in Nashville, Tennessee.

Four times each year, this organization conducts workshops designed to inform interested individuals on various law enforcement subjects.

The classes Saddler attended were "Juvenile Processing Through Federal Courts," "Dealing With Hate Organizations" and "Handling Undercover Operations."

The Bovina Police Chief also attended several sessions designed to inform and assist officers in the handling of different situations in different localities.
