Drug People

### The Finest Grown.

W. M. Hinson, the government tobacco expert, and his brother R. J. Hinson were in the city yesterday from Palestine and while here they visited the Nacogdoches county crop of tobacco now being cured in the Nacogdoches packing house.

The gentlemen were highly pleased with the excellent filler crop now in the ware house and declared it to be all that could be asked for in a leaf tobacco.

Mr. W. M. Hinson, the expert, stated that the crop of wrapper grown on the Tausig & Co. land north of the city and which was shipped to the packing house of this company at Palestine, was an A No. 1 article, and that some of the leaves were far ahead of anything every grown on the famous tobacco lands in Florida.

R. J. Hinson was here on a prospecting trip and while he did not say as much, yet from his conversation one would be led to believe that he was greatly impressed with what he saw and that he would probably invest here.

### To Prevent Malaria

Use one bottle of Browns' Iron Bitters, two or three bottles cures it.

Impure Blood, Biliousness, female weakness, headache, kidney and liver troubles usually succumb to one bottle of Browns' Iron Bitters, two rarely required. Buy six bottles and save a dollar.

Jack Snap:

### NACOGDOCHES VALUATIONS.

The Tax Rolls of The County Show Big Increase.

Notwithstanding the fact that people are constantly dodging the rendering of their taxes at a fair and just amount the taxable valuation of the county has increased something over a quarter of a million since the last rolls were made up.

The commissioners court met in special session yesterday to receive the rolls from Tax Assessor Luther Swift. A glance at the rolls reveals the fact the people of this county have rendered taxes on property as follows:

Lands, 619,390 acres	\$2,237,226
City and town property	855,085
6091 Horses and mules	271,670
16,336 Cattle	94,755
14 Jacks and jennets	1,500
833 Sheep	925
1418 Goats	1,085
13,880 Hogs	15,385
135 Dogs	2,710
2772 Wagons	79,370
Goods, wares and merchandise	349,245
Materials and Manufactured articles	80,750
Manufacturing tools implements, etc.	100,270
Steam engines and boilers	198,980
Money in bank	42,250
Money not in bank	28,900
Money on hand	22,574
Credits other than bank	96,130
Bonds, etc.	7,730
Shares in corporations	3,700
Miscellaneous of corporations	51,530
Miscellaneous	172,254
Railroad, telegraph and telephones	946,360
National Banks	75,000
Credits	54,595
<b>Total</b>	<b>5,780,890</b>
Poll taxes assessed	4878.

### Tournament at Woden.

On Friday, September 7, there will be a tournament and picnic at Woden, and as it is the purpose of the people in that thriving little town to make it one of the best events of the season, they have extended the public a cordial invitation to attend.

No doubt the Nacogdoches and Southeastern will put on one of its popular excursions and the people of Nacogdoches will have an opportunity to visit the little town near the oil field.

### An Ounce of Prevention

The body is but a human machine, and requires constant care, because the "wearing out" is always going on.

Stop a minute and think what your trouble is now. Browns' Iron Bitters will set you straight and keep the human machinery (the body) in perfect running order. It strengthens the muscles, tones the nerves and enriches the blood. It is wonderful. Sold by Stripling, Haselwood & Co.

### Stoker News.

Stoker, August 27.—The health of the community is very good at the present, and what few cases of sickness that have been reported are unimportant.

The farmers are gathering the fleecy staple, that is what the little boll weevil has left. Pet Judd, has been very sick for the past two weeks but your correspondent is pleased to report that he is much better and will be able to be out in a few days.

J. C. Kelly's saw mill has been shut down for the past few days on account of the fact that the boiler at the mill bursted a few weeks ago. A new boiler was purchased and

the mill will be started today and then the community will present a business like appearance again.

The little baby of Mr. and Mrs. M. D. Stoker is reported to be very sick.

Rev. J. C. Fondren has just closed a meeting at Mt. Moriah, and it is hoped that the excellent sermons preached will have taken root in the hearts of the people and that there will be much good result to the church.

A few days ago Will Tynes while trying to get on a log wagon, had the misfortune to get his foot badly hurt.

Jack Snap:

## An Opportunity

We are always looking for an opportunity to show our appreciation to our customers for their liberal patronage and something to induce those who are not customers to become such.

Our buyer in the Gent's Furnishing Goods Department has purchased one gross of Watches and we intend to give one of these handsome time pieces absolutely free with each suit of boy's and youth's clothing we sell as long as they last.

Come at once and buy a suit for your boy and get one of these beautiful watches before they are gone

**Mercantile Co.**

## D. K. CASON Hardware and Wagon Man

### Burk-Crain Furniture Co.

The Burk Crain Furniture Co. is the latest Nacogdoches corporation to be chartered.

The capital stock is placed at \$15,000 with Ed Burk, John Schmidt, and H. T. Crain, as incorporators.

The new firm has secured a lease on the buildings now occupied by D. K. Cason, and as soon as Mr. Cason vacates the building on the corner of Pecan and Main streets, the Burk-Crain Company will move their stock.

The new firm takes over the stock of furniture carried by Mayer & Schmidt, and the stock of Ed Burk.

Every member of the firm is a well known business man and the people of Nacogdoches county and Eastern Texas know them quite well. The Sentinel is quite sure that

the business will be a success from the date the doors of the firm are opened to the public.

### Summer Diarrhoea in Children.

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil to cleanse the system. Rev. M. O. Stockland, Pastor of the M. E. Church, Little Fall, Minn., writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children." Sold by Perkins, Kleas & Mast.

## Weekly Sentinel.

HALTOM & HALTOM, Proprietors.  
C. W. HALTOM, EDITOR-IN-CHIEF.  
CHAS. E. DAVIS, EDITOR.

As a grand finale to the Cuban insurrection, Cubans will probably seek annexation with this country.

Let every county chairman in Texas make it a point to see that the state and county democratic ticket is elected by an overwhelming majority at the November election.

MR. BRYAN knows a good proposition when he meets it. The newspaper boys invited him to a dining on September 1, and William Jennings Bryan accepted with thanks.

OWING to the fact that the Farmers' Union has failed to get a warehouse in operation this fall will be a hardship to many farmers who will have cotton to hold over this year.

A FEW weeks ago the prospects for fine cotton crops in this part of the state were never better, but since the recent rains the crop has begun to deteriorate until now it looks like there will not be much larger crop than was raised last year.

"FOR president of the United States the democrats of Illinois have but one choice and that man is William Jennings Bryan" is the way the resolution of Illinois democrats introduced endorsing the candidacy of the man from Nebraska.

THE Dallas Democrat is of the opinion that there are some "Sullivans, and Hopkinses and Quays to cast overboard" in Texas. The Sentinel was under the impression that when the people smashed the machine at the Dallas convention that the whole works were thrown overboard.

ABOUT the next best thing the war department can do is to send the negro troops, as fast as inlisted to the Philippines, and there let them mix up with people of their own color. Fact of the matter is the law should be repealed authorizing the inlistment of colored troops.

Now comes William Favers Jerome and says Mr. Hearst is not the man he is represented to be. He says "Hearst, the man, is a man of no importance and no ideas," and further says Hearst is dominated by the group about him. The district attorney of New York is evidently not stuck on Mr. Hearst. Taking a long range view of the situation Willie Hearst appears to be a rather "spoiled boy."

THE democracy of Illinois yesterday indorsed William Jennings Bryan for the nomination for the presidency of the United States. A resolution asking the resignation of Mr. Sullivan failed to materialize. Mr. Bryan did not care for the indorsement if Mr. Sullivan remained as a member of the national committee, and to this Mr. Sullivan said that he was in favor of the man from Nebraska as the next democratic candi-

### THE NOMINEES.

The congressional convention held in this city on last Saturday, named Hon. S. B. Cooper as the standard bearer of the democratic party in the second congressional district.

Before the primary election The Sentinel supported Hon. M. L. Brooks for the nomination but now that Mr. Cooper has been chosen by a majority of the democrats of the district, The Sentinel will be found one of his best supporters against the enemy—the republican party—and the support will be given as freely and as enthusiastically as if he had been the choice of this paper before the election in July. Mr. Cooper is now the nominee of every good democrat in the district, and every good democrat should use every effort to have a big vote polled in the November election, not only for congress man, but from governor down to constable.

The senatorial convention at Beaumont in its wisdom selected Capt. E. I. Kellie as the standard bearer of the fourteenth senatorial district. Capt. Kellie is one of the best of men, and while The Sentinel supported Hon. Geo. F. Ingraham, and believes that the voters of the district made a mistake by not electing Judge Ingraham to this position, yet to Capt. Kellie the honors have been given and as above stated The Sentinel will support Capt. Kellie just as enthusiastically as if he had been the choice of this paper during the campaign. Capt. Kellie is an old Confederate veteran, and he will look after the interests of the boys who wore the gray, as well as the interest of the entire district.

POOR Cuba! She has hardly settled down to business as a free and independent country when a few disgruntled politicians start a revolution. One of the leaders of the insurrection was captured and the soldiers gave him a speedier trial than Jim Buchanan received in Nacogdoches a few years ago.

THE republicans have nominated Mr. J. H. Kurth of Lufkin as the nominee for congress from this district. Mr. Kurth is a practical business man and has accumulated a nice little "wad" in the saw mill business, and it is hardly probable that he will care to turn loose very much of his hard earnings in making the race against Hon. S. B. Cooper.

CORRESPONDENTS are requested to sign their names to articles sent to this office for publication. This week quite an interesting communication was received from the Shady Grove community but the writer failed to sign the same, therefore the letter was consigned to the waste basket. The paper never publishes the name of correspondent unless requested to do so, but the editor desires to know who the writers are. Readers of The Sentinel in sending in communications will please bear in mind that no article appears in print in The Sentinel unless the name of the writer was signed to the letter.

### REPUBLICAN NOMINEES.

The republican congressional and senatorial conventions were held Saturday in Beaumont. For congress, Mr. J. H. Kurth of Lufkin was chosen as the best man in the district to contest for the honors with Hon. S. B. Cooper, and Judge W. B. Pedigo of Kountze was chosen as the best man to run against Capt. Kellie for the senate. Both the gentlemen chosen by the republicans are first-class men, but they will be wasting time as well as money if they think for one moment that they can be elected to the respective positions for which they have been nominated. The second congressional district is very much democratic as was demonstrated at the last election in which Mr. Houston played as the star actor, and the fourteenth senatorial district is made up of the same kind of politics. The only excuse the republicans can have in placing candidates in the field is for the sake of maintaining party organization in Texas for the sole purpose of being able to participate in the distribution of federal patronage.

THE news that the government has decided to move the negro troops stationed at Brownsville, and that white troops would be placed there as a matter in which all Texas will feel thankful. The war department should not send negro troops to southern forts. It is a fact that when the negro soldier dons the uniform of Uncle Sam he feels proud of the fact that he is a soldier and forgets the fact that he can never be recognized socially south of the Mason and Dixon line. In the matter of social equality many people of the north for a time thought the negro a pretty good fellow to have around social functions, but now since the true nature of the race has dawned upon the northern man the negro is disliked, socially, nearly as much as in the south.

EVERY reader of The Sentinel has had an opportunity to read the proposed amendments to the constitution to be voted on at the next general election. Look up a copy of The Weekly Sentinel issued during the month of July and study these proposed amendments so that you may be able to vote intelligently upon these measures when the time comes. Remember in this instance the people themselves are making the laws and not the legislature. If you are opposed to the amendments say so in your ballot, and if you favor them vote for them, but don't go to the polls and make laws and cuss about it in after years.

A CLERK employed in the postoffice department has, according to the Columbus (Ohio) Press-Post, made a compilation of newspaper publications, showing that there are 2,307 daily papers, 15,639 weekly and 2,918 monthly publications in the United States. Of this number Ohio has 171 daily and 779 weekly publications. Pennsylvania leads in the publication of dailies with 214, followed by New

## The Most Popular Chew Made

There is real enjoyment in chewing SCHNAPPS tobacco. That's why it has won millions of chewers every year, until now more is sold than all similar tobacco.

SCHNAPPS, the most popular product of the Reynolds factories, is man-

ufactured in the very heart of the Piedmont tobacco belt, known to the world as producing tobacco with an aroma so delightful and appetizing that it introduced and popularized the chewing of tobacco.

# Schnapps

### The Clean, Pure Chew

is manufactured by the cleanest and most healthful processes ever devised, under the direction of men who have made the chewing tobacco business a life study, and who have managed the R. J. Reynolds Tobacco Company since 1875.

Only choice selections of thoroughly cured leaf are used in SCHNAPPS, and expert tests prove that this class of tobacco requires and takes a smaller amount of sweetening than any other kind of tobacco grown—and that it has a wholesome, stimulating and satisfying effect on chewers, besides being the most economical.

There are a great many imitations claiming to be "just as good" as

SCHNAPPS, but there is only one genuine SCHNAPPS. Be sure the letters on the tag and under the tag, spell S-c-h-n-a-p-p-s. There are more pounds of SCHNAPPS chewed every year than the total amount of all similar kinds.

Internal revenue statistics show that SCHNAPPS and others of the Reynolds brands won enough chewers in one fiscal year to make a net gain of six and a quarter million pounds, or one-third of the entire increased consumption in the United States on chewing and smoking tobacco.

SCHNAPPS is made and sold everywhere in 5c. cuts and 10 and 15c. plugs.

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

York with 210, Illinois 181, Ohio taking fourth place. In weekly papers Illinois takes the lead with 1,104, followed by New York with 1,025, Pennsylvania 926, Iowa 905, Missouri 791, Ohio 779 and Texas 682. In monthly publications the leading states are New York with 570, Illinois 301, Pennsylvania 545 and Massachusetts 166.—The Commoner.

### EXCHANGE COMMENT.

Every farmer in the county should be on a cash basis next year. There will be but little feed stuff to be bought and with a fine crop of corn enough meat can be made this year to run over and at the same time have a little to sell during the spring and summer.—Nacogdoches Sentinel.

And Times hopes the East Texas farmers will not be content with "a little" to sell. They might have a large part of the money that now goes to Swit and Armour, and we would never buy a pound of ham and bacon nor an ounce of lard except the Shelby county product, if we could get it. Prices are certainly tempting at this time, and if the packers continue to lose on canned goods, they will go higher; the home farmer might have the benefit.—Timpson Times.

So far every time a farmer leaves this county and goes to the far west looking for a location, he generally returns to Nacogdoches county and is satisfied that it is really the best place for the poor man to live.—Nacogdoches Sentinel.

As a rule the best thing for a man to do is to stay where he is known and where he is familiar with conditions, "Distance lends enchantment," and many a man who has pulled up stakes and gone into a new country has found to his sorrow that everything is so vastly different from what he expected, and from what he was accustomed to, that he would give anything to be back just like he was before he started to move. Better think several times before you move once.—Sherman Register.

### IT'S THEIR WEIGH.

That the people are thoroughly aroused on the subject of "graft" in all its phases is abundantly borne out by reports coming every day from all sections of the country. In Omaha discovery has been made that a lot of scales in grocery stores and meat markets weigh "short," and investigation revealed that one manufacturer of "short" scales advertised that the retailer could "sell goods at cost and make three per cent profit." As a result of this disclosure two firms manufacturing scales are engaged in a bitter personal warfare, and the city inspector of weights and measures had a choice collection of "short" scales and measures in his office. From Providence, R. I., comes the report that 60,000 glass milk jars in use in that state are "short," and the state sealer of weights and measures charges that all the jars condemned as "short" in Massachusetts during the last fifteen years have been shipped into Rhode Island, the most of them into Providence. "Pound cans" of meats usually weigh fourteen ounces, and the "three pound" buckets of lard are usually "short" considerably more than enough to make up for the cost of the tin bucket. Pint and quart bottles of medicines, pickles, preserves, etc., will usually be found considerably short of honest measure. The revelations of these things, coming all at once, clearly shows the temper of the people, who have grown tired of continued imposition.—Commoner.

TEEDY did not like it very much because the citizens of Brownsville requested the removal of the negro troops, and after discussing the matter with a few army officers decided to abandon the post at Brownsville.

Stripling, Haselwood & Co's drug store and John R. Dickey's Old Reliable Eye Water stand at the head of their class. None better. w

As a town of good schools, good health, good society and good climate, Nacogdoches can offer good inducement to homeseekers.—Nacogdoches Sentinel.

Well, why don't you make the offer? Center has all those things, and she is making the offer and landing good homeseekers every day, getting many of them from Nacogdoches, Lufkin and other neighboring towns.—Center News.

Now The Sentinel does not doubt the veracity of the News, but when the assertion is made that desirable citizens are leaving the town of Nacogdoches and taking up their abode in Center, this paper will have to be cited, in other words we are from "Mizzury" and will have to be shown.—Nacogdoches Sentinel.

All right, "Mizzury," here is the list. Dr. E. E. Leak and family, J. W. Murray and family, R. L. Barrett and family, Hon. F. P. and Mrs. Marshall, G. B. Flowers, Bob and Claib Thomason and families, J. R. Lanier, J. T. Hurst and family, I. F. Miller and family, and brothers and sisters, Carlton and Dolphus Smith, Jesse Turner, G. A. Houston, G. D. Wallace, Will Greer and brother, John Davis and family, Wash Boozer and family, Tol Elliott, Walter Lee and others whose names we cannot call to mind. Not all these came from the town of Nacogdoches, and not all reside in the town of Center, but they contributed with their trade to make the former town, and are now contributing to make this in a similar manner.—Center News.

Now what do you think of that? The above is a list of people that have settled in the whole of Shelby county from Nacogdoches county during a period of about twenty years. The Sentinel will have to drop the issue here as we haven't the space to give the list of good citizens that have come to us from Shelby county to offset the few mentioned above.

### DON'T WAIT.

Take Advantage of Nacogdoches Citizen's Experience Before It's Too Late.

When the back begins to ache, Don't wait until backache becomes chronic.

Till serious kidney troubles develop, Till urinary troubles destroy night's rest

Profit by a Nacogdoches citizen's experience.

J. D. Cooper, retired living at the corner of Pillar & Church Sts. Nacogdoches, Tex., says: "I suffered for ten or twelve years with most annoying and severe pain in my back right over the kidneys, and when I stooped to lift anything I had great difficulty in straightening up and the same sore in bending over. I knew it was kidney trouble and knew its end would be complete disablement unless it was speedily cured. I tried all kinds of medicine and prescriptions but to no avail. Finally reading of Doan's Kidney Pills I procured a box at Perkins, Kleas & Mast's drug store. I gladly say that they cured me, not helped but actually cured an ailment that had bothered me for ten or twelve years. I am glad to recommend such a reliable kidney medicine to others."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### Lumber on The Ground.

The Sentinel reporter is informed that the Higgins Oil company has all the lumber at Woden for the erection of four derricks on their holdings at Oil City. The work of erecting the derricks will be started early next month.

### The University of Texas

DAVID F. HOUSTON, LL. D., President  
Coeducational. Tuition FREE. Matriculation fee, \$30 (payable in Academic and Engineering departments in three annual installments). Annual expense \$150 and upwards. Proper credit for work in other institutions.

### MAIN UNIVERSITY

Session opens September 26, 1906. Largest and best equipped Libraries, Laboratories, Natural History and Geological Collections, Men's and Women's Dormitories and Gymnasiums in Texas.

### COLLEGE OF ARTS

Courses of liberal study leading to the degree of Bachelor of Arts.

### DEPARTMENT OF EDUCATION

Courses leading to Professional degree of Bachelor of Education and to State Teachers' certificate.

### ENGINEERING DEPARTMENT

Courses leading to degree in Civil, Electrical, Mining and Sanitary Engineering.

### LAW DEPARTMENT

A three-year course leading to the degree of Bachelor of Laws. Shorter courses for specially equipped students.

For catalogue, address WILSON WILLIAMS, Registrar, Austin.

### MEDICAL DEPARTMENT.

Schools of MEDICINE, PHARMACY and NURSING. Session of eight months begins Oct. 1. Four-year courses in medicine; two-year courses in Pharmacy and Nursing. Laboratories thoroughly equipped for practical teaching. Exceptional clinical advantages in the John Sealy Hospital. University Hall provides a comfortable home for women students of medicine.

For catalogue, address DR. W. S. CARTER, Dean, Galveston.

### Simple Cure for Neuralgia.

Here is a simple method of curing facial neuralgia: If the neuralgia is in the right side of the face the left hand should be placed in a basin of water as hot as can be borne. Or, if neuralgia is in the left side of the face the right should be placed in the hot water. It is asserted that in this way relief may be obtained in less than five minutes. The explanation is that the two nerves which have the greatest number of tactile nerve endings are the fifth and the median nerve. As the fibers of these two nerves cross any impulse conveyed on the left hand will affect the right side of the face, or if applied to the right hand will affect the left side of the face. This is on account of the crossing of the cords—Indian Review.

### Don't Be Blue

and lose all interest when help is within reach. Herbine will make that liver perform its duties properly. J. B. Vaughn, Elba, Ala., writes: "Being a constant sufferer from constipation and a disordered liver, I have found Herbine to be the best medicine, for these troubles, on the market. I have used it constantly. I believe it to be the best medicine of its kind, and I wish all sufferers from these troubles who know the good Herbine has done me." Sold by Perkins, Kleas & Mast. w

W. W. Perry and P. H. Murray of Nacogdoches were in the city yesterday. They are here for the purpose of erecting the Blount, Perry Lumber Co., which will be located about five miles east of Rusk. This is going to be a saw mill of the first-class and we extend to these gentlemen a hearty welcome to our neighborhood.—Rusk Journal.

### A Positive Guarantee to Cure CHILLS and FEVER

Signed by Stripling, Haselwood & Co who agree to Return Your Money if Yucatan Chill Tonic (Imp.) Fails to Cure You.

**GUARANTEE**  
We hereby agree to refund the money paid for Yucatan Chill Tonic (Imp.) on the return of the empty bottles, the purchaser stating it has failed to cure him of Chills, Fever and Malaria. This guarantee covers the use of 3 bottles taken according to directions.

Signed.....

Yucatan Chill Tonic Improved is a wonderful remedy, perfect from a pharmaceutical standpoint. A medicine to produce result must be made so that the system takes it up and reaches the organs for which it is intended. Yucatan Chill Tonic Improved is so mild in its actions and so acceptable to the patient, that after a few hours you feel the good effects. Yucatan Chill Tonic is the best medicine, as you will not experience that awful ringing in the head as when Quinine in capsules, or so-called tasteless tonics, are taken. Just the remedy for nursing mothers.

When sick, do you want anything sweet? No! No! Your stomach repels. Yucatan Chill Tonic Improved is acceptable to the most delicate stomach and costs twice as much to make as the so-called tasteless tonics. Buy the best, if you want to get well in one-half the time.

Keep it constantly within reach. It has cured many hopeless cases. Thousands of people sing their praises and are recommending it to their friends.

Put out the guarantee in this ad and take it to your local druggist who will sell you Yucatan Chill Tonic Improved under a positive guarantee. If it does not cure you he will refund you your money.

Did you ever figure your time lost when sick? Besides the suffering, Don't wait too long. Nature always warns you when a case of malaria is coming on. Delays are dangerous. Go at once and purchase Yucatan Chill Tonic Improved with our guarantee backed up by your local druggist.

Stripling, Haselwood & Co.

### LABOR DAY PROCLAMATION.

Governor Designates Sept. 3 as Day of Observance.

Austin, Texas, Aug. 23.—The governor yesterday afternoon issued his Labor Day proclamation, designating Monday, September 3, as the day. The text of the proclamation follows:

"Labor conquers everything." Our splendid civilization attests its power. Ordained of God, it has been the vital principle of the world's progress. In every age and in every department of human industry it has determined the worth of individuals and nations. Labor, which "wide as the earth, has its summit in heaven," has been, is and ever will be the genius of development. Accordingly, the state of Texas has appropriately set aside by statute an annual holiday in recognition of and as a tribute to its dignity.

Therefore, I, S. W. T. Lanham, governor of Texas, do hereby request the people of the state to observe Monday, the third day of September, A. D., 1906, as Labor Day in such manner as their judgment may dictate; to the end that the terms of the law may be properly complied with, and that all who toil may enjoy a day of rest and recreation in such appropriate ceremonies and diversions as may suit their pleasure.

In testimony whereof I have hereunto signed my name and caused the seal of the state to be hereon impressed at the city of Austin, this the 22nd day of August, A. D., 1906.

S. W. T. Lanham, Governor of Texas.

By the governor, O. K. Shannon, Secretary of State.

You can see the poison Pine-ules clear out of the kidneys and bladder. A single dose at bedtime will show you more poison upon rising the next morning than can be expelled from the system in any other way. Pine-ules dissolve the impurities, lubricate the kidneys, cleanse the bladder, relieve pain and do away with back-ache speedily, pleasantly, permanently. Sold by Stripling Haselwood. dw

### Cotton in Bad Shape.

A. H. Wilson of Chireno was a caller at The Sentinel office yesterday afternoon, and he tells about the hardest prospects for a cotton crop that has reached this office this year. He says that the weevils have done a great deal of damage, and that there is not a cotton bloom in his entire field. The bolls that were nearly matured a few weeks ago are rotting on the stalk on account of the wet weather. In some of the bolls the seed is sprouting and the lint is no good when it reaches the sprouting point. He estimates that there will not be any more cotton than last year.

For bloating, belching, sour stomach, bad breath, malassimilation of food, and all symptoms of indigestion, Ring's Dyspepsia Tablets are a prompt and efficient corrective. Stripling, Haselwood & Co. dw

### A Remarkable Mother.

Mrs. Rachael Hughes of Henry county, Iowa, recently celebrated her ninety-sixth birthday with fourteen of her fifteen children present to do honor Her son, Edward Hughes of Seneca, Kan., a man 80 years of age, is the eldest "child," while the youngest, Clark Hughes of Emporia, Kan., is 50 years old. All but one of the children are married, and Mrs. Hughes has fifty one living grandchildren and eighteen great-grand-children. It has been stated recently that the degree of longevity has increased very much in our country in the past seventy-five or eighty years. It is certainly very great in some localities when a mother has a son 80 years old at her birthday party.—Mother's Magazine.

A hundred years ago the best physician would give you a medicine for your heart without stopping to consider what effect it might have on the liver. Even to this good day cough and cold medicines invariably bind the bowels. This is wrong. Bee's Laxative Cough Syrup with Honey and Tar acts on the bowels—drives out the cold, clears the head, relieves all coughs, cleanses and strengthens the mucous membranes of throat, chest, lungs and bronchia tubes. Sold by Stripling, Haselwood & Co. dw

Prof. M. A. Spinks of Smyrna was in the city this morning, and while here paid The Sentinel office a pleasant visit. He has just closed a very successful term of the school at that place and was in the city for the purpose of taking a trip to the western part of the state for the benefit of his health.

### Why Fret and Worry

when your child has a severe cold. You need not fear pneumonia or other pulmonary diseases. Keep supplied with Ballard's Horehound Syrup—a positive cure for Colds, Coughs, Whooping Cough and Bronchitis.

Mrs. Hall, of Sioux Falls, S. D. writes: "I have used your wonderful Ballard's Horehound Syrup, on my children for five years. Its results have been wonderful." Sold by Perkins, Kleas & Mast. w

J. W. Lowery of Smyrna was in the city today on a business trip and while here paid this office a pleasant visit.

Mr. Lowery stated that the cotton in his part of the county would not do as well this year as last. The heavy rains of the summer has caused the plant to shed quite freely, and following the rains came the boll weevil. He says that the weevil is worse in some parts of his crop now than it was at the same time last year, and had it not been for the fact that the plant is considerable earlier than last year the crop would not be half what it was the past season.

When applied and covered with a hot cloth Pinesalves act like a poultice. Best for burns, bruises, boils, eczema, skin diseases, etc. Stripling, Haselwood & Co. dw

# Women's Pains

"It was a total wreck," writes Mrs. Beulah Rowley, of Champoeg, Oregon, "from pains I had suffered, for 4 years, every month. Sometimes I would be unconscious for 12 hours at a stretch. I did not know that anything could stop the pain entirely, but Wine of Cardui did. I advise all women suffering with painful periods to use Cardui and be relieved."

It does this by regulating the functions and toning up all the internal female organs to health. It is a pure, specific, reliable, female remedy, with a record of 70 years of success. It has benefited a million others. Why not you? Try it.

**FREE ADVICE**  
Write us a letter describing all your symptoms, and we will send you Free Advice in plain sealed envelope. Address: Ladies' Advisory Department, The Cardui Medicine Co., Chicago, Ill.

Sold by Every Druggist in \$1.00 Bottles.

## WINE OF CARDUI

"Nails"  
"Nails are a mighty good thing—particularly finger nails—but I don't believe they were intended solely for scratching—though I used mine largely for that purpose for several years I was sorely affected and had it to do. One application of Hunt's Cure, however, relieved my itch and less than a box cured me entirely." J. M. Ward, Index, Texas. w

Another New Brick.  
Workmen began digging the foundation this morning for another new brick on Progress avenue. The building will be 60x80 and when completed will be occupied by Cason, Monk & Co.

Capt. I. L. Sturdevant let the contract to Contractor Flesham several days ago.

One Bottle or Less.  
Malaria is easy to contract in some localities, and hard to get rid of—that is, if the proper remedy is not used. Cheatham's Chill Tonic frees any one from it promptly and thoroughly. It is guaranteed to cure any kind of Chills. One bottle or less will do it. w

Planer For Sale.  
A good, almost new planing plant for sale. Two good machines and plenty of saws. Five are six mills to dress for. Dressing will last indefinitely. Address Morrison & McLendon. wtf Trawick, Texas.

For Sale.  
Poland China pigs, fancy bred, pedigree furnished. Also some graded pigs Berkshire and Poland China, fine individuals. R. S. Jordan at Mercantile Company.

For Sale—3 yoke cattle with yokes, bows, chains and wagon. Cattle in fine shape and can be seen at our mill at Durham on Cotton Belt 22 miles north of Lukin. Chronister Lumber Co.

### Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach. Mr. E. S. Hall, of Ravenwood, W. Va., says: "I was troubled with sour stomach for twenty years. Kodol cured me, and we are now using it in milk for baby."  
Kodol Digests What You Eat.  
Bottles only \$1.00 Size holding 2 1/2 ounces the trial size, which sells for 50 cents.  
Prepared by E. C. DeWITT & CO., CHICAGO, ILL.  
Sold by Perkins, Kleas & Mast.

Put The Old Man Through.  
A dispatch to the Chicago Record-Herald under the date of Cedar Falls, Ia., follows: "Frank Stewart of this city was this evening made a Knight of Pythias under remarkable circumstances. The three ranks were conferred upon him by a team composed of his eleven sons, the event taking place at the castle hall of Red Cedar lodge No. 83. Some of the grand lodge officers of the state attended and a number of Knights of Pythias from outside lodges were present. Among the sons of Mr. Stewart who took part in the conferring of the Ranks were W. B. Stewart and A. R. Stewart of Sparta-cus lodge, Chicago. The work was the termination of a family reunion that has lasted for a week, and the boys took this occasion of making their father a member of the organization."

CUBA is having a little family row and the result may be that that country will seek annexation.

THE Nacogdoches farmers who planted tobacco this year are highly pleased with the result and the next season promises to show a greater acreage than ever before.

NACOGDOCHES county is out of debt, and the taxable values of the county this year amount to \$5,780,890. Something like a quarter of a million increase over last year. That's not so very bad for the old county.

ONE farmer had in two acres of tobacco here this year, and after paying all expenses it netted \$60 per acre, and from the two acres he received \$120 to the good. The same farmer has in ten acres of cotton, and he says that he will not net that much off of his cotton crop.

THE tobacco packing house in this city is a very busy place these days and Superintendent Olson is proud of the results so far. The next season will see another packing house in this city and there will be buyers here for the famous Nacogdoches leaf, the same as buyers come to east Texas after peaches.

THE cotton yards have received more cotton to date than on the same date last year. The crop in all probability will be short, yet good cotton men say that there will be marketed a better crop than that of the past season. In some parts of the state cotton is better this year than since 1903, and there is great demand for cotton pickers. The crop in this county if it is short as reported, there will be no cotton to pick after October.

THE editor of the Henderson Times thinks he has solved the problem of always electing a legislature composed of statesmen, and at the same time a "safe and sane" way of electing a governor. Bro. Milner is allright most of the time, but The Sentinel believes he has had an overdose of convention and was forced to go to work before having fully recovered, and as a result "ground out his latest from the think mill" while in this condition.

ONE cotton planter who had experimented with a small patch of tobacco this year remarked to the editor that it was "skiddoo" cotton now since he had learned the art of taking care of a growing crop of tobacco. He said that all he wanted now was another year under the expert tobacco grower and he would be independent. That's "sorter sassy talk" coming from an old-time cotton grower, but then he has had his eyes opened this year and will try his luck growing fine cigar tobacco.

## A GOOD FUTURE.

The recent tobacco crop just harvested has convinced the farmers who tried the experiment here this year, that it is a good thing to plant a few acres as a diversifier. In fact the farmers are so well pleased that there is now talk of organizing a Nacogdoches County Tobacco Growers' Association. The location here of the small packing house this year gave encouragement to the farmers and they went into the work this year with better heart than in former years. The crop this season promises, when cured, to be better than any former crop.

The Sentinel is more than pleased to hear of the large yield and high grade of the leaf. There is a future now before the tobacco industry of this county, and there are enough farmers who are interested in the growing of the weed to make the yield of sufficient size to warrant the leaf buyers to send men here during the harvest season. The Sentinel is informed that there will be not less than one hundred acres planted in tobacco next season. If this number of acres is planted there will reasonably be harvested between 80,000 and 100,000 pounds. If this much is grown next season it will be only a matter of a few years before there will be several packing houses here and manufacturing houses for tobacco in its different forms.

No other place in the United States has been able to produce the same quality of tobacco as the red fields around Nacogdoches. The farmers in this section will see the day when their old red land farms will rent for more money per acre than the land is reasonably worth on the market today. The trusts may be fighting the Nacogdoches field but this is done because they desire to get rid of their holdings in other places where very fair tobacco has been grown before the discovery of the Nacogdoches tobacco. There is a good thing in the tobacco business here for the farmers if they will take the time to investigate the business. In Ohio farmers are raising tobacco on land worth \$100 per acre and net something like \$18 per acre; in Nacogdoches this year one farmer reports that he has netted \$60 per acre on every acre planted. That's going some as a money making proposition.

## A Man Versus a Trust.

Possibly it is only a fiction that one man, single handed, can fight a trust, and come out of the fight on top. In "B. Jones, Butcher," Samuel H. Adam's story for the September McClure's, one man fought a trust; he had plenty of courage, and the backing of an honest community behind him; and he won his fight. The story probably wasn't based strictly upon fact; but it none the less contains some valuable suggestions for the public to think about. Behind the light vein of satire in which it is told there are two or three hard truths which will go home to stay with the average American citizen.

## POSTAL SAVINGS BANKS.

Within recent years the people of the United States have been treated to some remarkable instances of "bank failures," a phrase which most inadequately describes the process of looting by means of forgery, fictitious indorsement and straight theft.

Every bank failure is invariably followed by suggestions as to other methods of keeping the savings of small depositors, but none seem to offer such absolute security as postal savings banks.

There really is no excuse for the failure of any bank that is managed with even a moderate degree of care and honesty, but there will always be unfaithful presidents, cashiers, tellers and other officials and employees, and losses are certain, so whatever plan promises safety to small depositors is worthy of attention.

Many people of small means, and even poor people who earn small wages, endeavor to save by depositing a few dollars, and often smaller sums, and every failure of a bank like that in Chicago discourages such depositors and does incalculable injury to honest, safe banks.

Every such failure will strengthen the sentiment in favor of postal savings banks, which have proved very popular in England and have greatly encouraged saving by the people of moderate means.

The press reports tell us that 32,000 depositors are in danger of losing their savings by the Chicago bank failure, and doubtless the most of them would be very ready now to deposit their savings in a government postal savings bank.

There are in such banks in England \$760,000,000, and they are steadily increasing. It is preferable, of course, as a matter of benefit to the business of the country to have all the banking business done by private enterprise, but there has always been and will always be many people who will not trust banks, but many of whom would trust the government.

It is better for such people to use the postal savings bank than to use no place of deposit where they can get interest, but bury and hide their savings, as many do.

The postal savings banks could be operated as well in the United States as in England and deposits would be enormous.

Postal savings banks would be directly in the interests of the poor people, and would involve no protective tariff or subsidy or any violation of the rights of the many for the benefit of the few, as does the tariff.

The question of postal savings banks will be to the front very soon, and a few more bank steals like that in Chicago will send it in that direction with great rapidity.

It is a distinct step in the direction of that which is best for the whole body, social and commercial, and Americans can not ignore it, even if not prepared to adopt the policy at once.—Houston Chronicle.

## WE ARE WAITING FOR HIM.

With the thermometer trying to knock the spots off of the 90 mark on the register, and a gasoline engine balking just as the press hour arrived, the following message was received from a friend of The Sentinel who is sojourning in Colorado:

"Pikes Peak, Colo., August 24, 1906.—Nacogdoches Sentinel.—Up to our knees in snow; sympathize with you, K. P. Branch."

All work was suspended for a few minutes and a chapel meeting was held to determine as to the best punishment to be meted out to friend or foe who would inflict upon the boys in the shop such a joke. It was decided that the best thing to do with Kline when he returns, would be to make him start the engine the next time it takes a balking spell, and he will never send another telegram like the above to the newspaper man in "the good old summer time" when the engine is out of fix.

## Lone Pine Sticks.

Mahl, August 26.—The health of this community is still reported to be good, and the fall chills that were recently reported have scattered and the community is free from all ailments. This is a happy condition of affairs and the people in this part of the county should feel thankful that they have the privilege of living in such a healthy community.

Mr. Wilson leaves Saturday for Huntington, and Dick Salmon will take his place at the timber camp.

The Whiteman-Decker road will be completed from Caro to Mt. Enterprise within the next two weeks.

There is some complaint here on account of the fact that The Sentinel does not arrive here until Monday. The people in this neighborhood think there is no paper published like The Sentinel and when it fails to arrive on schedule time there is great disappointment.

## Bachelor Button.

## Jack Lewis Dead.

News was reported here this morning that Jack Lewis died several days ago at the home of his sister's, Mrs. Sallie Baker who lives a few miles from town. His present home was in Grape land. Death was caused from consumption which overtook him while visiting his sister.

Jack was born and raised in this county and he has friends and acquaintances throughout the county that will be grieved to hear of his death for he was a boy of intelligence and merit that assured him to be a substantial friend and he possessed an honor that made his presence always desired and appreciated. He was an unmarried man of perhaps 34 or 35 years old, having never married on account of ill health.

Wanted:—School, having new, attractive proposition, wishes energetic man or woman to visit towns in Texas. Good salary and expenses paid weekly. Some knowledge of music preferred, but not essential. Joseph Moore, Plymouth Place, Chicago.

## A JOLLY WITH THE GANG.

Both political parties in Kansas have been asked to incorporate in their platforms a plank demanding that shirts shall be an inch longer in order to use up the surplus cotton crop, and it is rumored that those interested in the cloth trade are about to demand that trousers shall in the future button round the neck—Punch.

By all means if the trousers are made to button around the neck, why not add turn down collars, that would add to the consumption of the surplus cotton crop.

We live and learn. Notwithstanding the fact that we have lived in a land of prosperity all our life, and we have also worn eye glasses for several months, yet we learned only a few days ago that a ten-dollar bill, or any size bill, for that matter, is better than chamois shin for polishing glasses. You ought to try it and observe what a beautiful polish it imparts. This is published largely for the benefit of my fellow laborers, the editors. They are a hard-worked class and frequently attempt to polish their eye-glasses with various and sundry articles not adapted thereto when they have on their person the very best polisher to be found. Use a bank note, boys, it's the best. We have tried it.—Whitewright Sun.

Boodle must have been plentiful in Grayson county during the campaign if the newspaper men have ten dollar bills to clean glasses with.

## A Fine Crop.

D. H. Muckleroy was in the city yesterday from his farm in the Trinity community, and he was one of the farmers who planted tobacco this year. The reporter held him up on the street for a short interview. When the reporter asked what were the results this year with the tobacco crop, Mr. Muckleroy said:

"Well, I only had two acres, but now I wish I had planted ten. From the two acres planted I realized \$120 after I had paid all the expenses attached to the making and harvesting of the crop. I have in ten acres of cotton, and I will not make that much off of the entire cotton crop. I have received the money for tobacco and the same has been invested. The cotton crop is yet to be gathered and I may not gather enough from the crop to much more than pay for the cost of cultivation. The cotton business for a while will have to be abandoned by the farmers and they will have to turn their attention to other crops and I for one will try the tobacco proposition. I was very successful this year, and next year I will plant no cotton, but will put in as much tobacco as I can handle profitably. The tobacco industry should be encouraged by farmers, and they will abandon cotton as a money crop and take up something else."

Wanted:—Gentleman or lady with good references, to travel by rail or with a rig, for a firm of \$250,000.00 capital. Salary \$1,072.00 per year and expenses; salary paid weekly and expenses advanced. Address, with stamp, Jos. A. Alexander, Nacogdoches, Tex.

## IS FOR REFORM SPELLING

Ordered That All Public Matter Be so Printed.

Oyster Bay, Aug. 24.—President Roosevelt today announced that he has adopted the Carnegie reformed spelling and he has instructed the public printer of all official documents from the White House, including the president's message, to be so printed, on recommendations of the spelling reform committee, headed by Brander Matthews of Columbia University.

The committee has published a list of 100 words in which the spelling is reformed. This list contains such words as "thru" and "tho" as spelling for "through" and "though." The president's official sanction of this reform movement is regarded as the most effective and speediest method of inaugurating the new system of spelling throughout the country. Not only will the printed documents emulating from the president utilize the reform spelling, but his correspondence also will be spelled in the new style.

Secretary Loeb sent for the list of 100 words which had been reformed and on arrival immediately ordered all correspondence of the president and executive force of the White House spelled in accordance therewith, and as the spelling reform committee shall adopt new reforms they will be added to the president's list and also to that of the public printer.

While the order to the printer today does not contemplate immediate reform in the spelling of official documents from the executive departments in Washington it is regarded more than likely that the respective heads of departments will fall in line with the president's ideas and have official documents printed in the new spelling.

To The Ladies of the Baptist Churches in Nacogdoches Association. My Dear Sisters:

Our Association will meet in annual session at Appleby on Saturday before the 4th Sunday in September, 1906.

As it is very desirable to have a more thorough organization of the ladies in connection with our general work and to lend encouragement to them in their local church work as members of their aid societies you will please insist that two or three ladies of your church attend the association at Appleby for the purpose of more thorough organization through a special mass meeting of the sisters to be held at one of the churches on Saturday afternoon at 3 o'clock. A program will be arranged and all who honor the occasion with their presence are promised a pleasant and profitable time.

By complying with above request you will doubtless prove helpers to the Master's cause.

Very kindly yours,  
A. J. Miller.

Pastor First Baptist church,  
Nacogdoches, Texas. 2w

Misses Vera and Clyde Stalling of Melrose were here yesterday shopping.

## MEN WHO SUFFER WITH

DR. J. H. TERRILL

ARE QUICKLY CURED BY DR. TERRILL.

Dr. Terrill's aim has always been to give men the best treatment at moderate cost and this alone is the keynote of his remarkable success. The diseases mentioned above are safely and quickly cured by Dr. Terrill in one-half the time usually required by other forms of treatment and he gives to every patient a written, legal guarantee of positive and permanent results. An honest investigation among the leading Banks, Commercial Agencies and Business men of Dallas will convince any sensible man that Dr. Terrill's honesty and integrity are beyond reproach and that he is absolutely reliable in every respect. Investigate for yourself. If you cannot call upon Dr. Terrill in person, write him TODAY in regard to your trouble. He will give you his expert advice and opinion of your case free of charge and he will send you, absolutely free, his latest and best book No. 34 on the Diseases of Men in a plain, sealed envelope if you mention this paper and enclose six cents for postage. Do not fail to ask for this book.

### SPECIAL NOTICE.

All men coming to Dallas for treatment owe it to themselves to inquire of the Banks, Commercial Agencies and Business Men as to who is the BEST and MOST RELIABLE Specialist in the city treating the diseases peculiar to men. If you do this it will save you time and money. Consultation and a Thorough X-Ray Examination Free

J. H. TERRILL, M. D., President

Terrill Medical & Surgical Institute,  
288 Main Street DALLAS, TEXAS

Varicose, Stricture, Contagious Blood Poison, Lost Manhood, Seminal Emissions, Nervo-Vital Debility, Epilepsy, Hydrocele, Catarrh, Piles and all Chronic Diseases of the Stomach, Kidneys, Bladder and Prostate Gland

## CASON, MONK & COMPANY.

Incorporated With a Capital Stock of \$75,000 to Start With.

One of the most important events in the mercantile history of this old and historical city, is the incorporation of the firm of Cason, Monk & Co. with a capital stock of \$75,000. It is the purpose of this corporation to conduct a wholesale and retail hardware, and mill supply house.

The reporter of The Sentinel called on the new firm this morning and the following is the reporter's investigation of the firm and business:

The new firm of Cason, Monk and Co. with capital stock \$75,000.00 will be composed of the following stockholders: D. K. Cason, John Schmidt, R. C. Monk, J. E. Gaston and W. L. Gaston.

The new organization will take over the entire stock of goods now belonging to D. K. Cason and also the hardware and grocery departments of Mayer & Schmidt.

Mr. D. K. Cason the president and general manager of the new firm has resided in Nacogdoches for the past sixteen years. He engaged in business here in 1893 the name of the firm then being Cason, Richardson & Co., later Cason & Richardson and in January, 1905, Mr. Cason succeeded Cason & Richardson in all their lines. From the beginning to the present (a period of thirteen years) his business has grown steadily and at the present he enjoys the distinction of having one of the best hardware stores in the state and there is no question but that it is all due to constant, well directed effort, coupled with a desire and a determination to treat all men right in his dealings with them. We might say just here that one good reason for his success is that it has always been his idea to have only the best goods on the market. To have such a man at the head of a business of this kind, as Mr. Cason, means success and we predict same.

Mr. John Schmidt the vice president is too well known by the people in this section for the reporter to say any thing that would be new to them. He is considered one of the best business men in this section of the state, as evidenced by the success of his business, not only here in Nacogdoches but also in Tyler and Dallas. It was in 1878 that he and his partner began business with only a hand full of goods here in Nacogdoches. Not only has he made a success of his own business, but he is a director in many other enterprises, being president of the matchless business, the Nacogdoches Grocery Co. and for the new hardware business it means great strength.

R. C. Monk the secretary and treasurer came to Nacogdoches nearly seventeen years ago, having accepted a position with Mayer & Schmidt in whose employ he has continued without intermission to the present and it will be his purpose to put forth his best efforts to help make the business an ideal one.

Mr. J. E. Gaston a young

man of sterling worth, reared in the country near here, has worked his way up and will be one of the directors in the firm. Being full of ambition with a desire to push upward he accepted a position ten years ago under Mr. Cason and by constant work has made for himself the reputation of being a first class hardware man.

Mr. W. Lee Gaston a brother of Mr. J. E. Gaston likewise enjoyed the privilege of being reared on the farm. He came to town a few years ago and began work in the hardware store of Cason, Richardson & Co. which position he held creditably up to a year and a half ago he began work in the hardware department of Mayer & Schmidt in which position he has given perfect satisfaction. He will also be a director in the new enterprise.

To give some idea of the magnitude of this business we note that they will work seventeen men, will occupy buildings with a floor of 40,442 square feet.

The main buildings on Main street formerly occupied by Seal and Donegan and the Sturdevant property adjoining have been built up with an extra story and the entire structures have been remodeled and the wall between the Seale & Donegan building and the Sturdevant building has large arches cut in it which connect the two. The west room 35x100 feet will be used for the display of hardware, stoves, enameled ware, cookery, glassware, etc, etc.

The east or Sturdevant room will be fitted up to carry a complete line of machinery, mill supplies, belting harness, etc, etc. In the rear of the two rooms will be a large and convenient office 20x28 feet. This will contain the bookkeepers desk, the stenographer's desk, telephone booths, and the desks of the president and secretary and treasurer. The last two being so situated that they can give the business on the floor a watchful eye while attending to their office duties. There will be put in operation a large modern elevator with sufficient capacity to carry up to the second floor all buggies and other goods. The second floor will be 70x100 feet and will be used for buggies, surries and undertakers goods, all of which have been specialties of Mr. Cason. Directly behind and just across Progress Avenue there will be three larger brick warehouses. These will be used to take care of the immense stocks of log and farm wagons, farm implements, engines, boilers, saw mills, piping, mill supplies generally, wire and nails, hog fence, sash, doors and blinds and many other items that space at the present will not allow us to enumerate. It is the intention of the promoters of this enterprise not only to have the best retail hardware store in this part of the state but also to do quite a nice wholesale business as they will travel men regularly who will work the trade and go after the business which of right belongs to Nacogdoches in this line. Taking into con-

## Union Cotton Yard

The Farmers' Union Cotton Yard will do business at the old stand known as the Alliance Yard the present season.

A. J. MURPHEY, Weigher.  
Nacogdoches, Texas.

consideration all of the facts as set forth above one can not arrive at any other conclusion than a business crowned with success.

Prof. Tyler, of Amherst college, said recently: "A man can live comfortably without brains; no man ever existed without a digestive system. The dyspeptic has neither faith, hope or charity." Day by day people realize the importance of caring for their digestion; realize the need of the use of a little corrective after overeating. A corrective like Kodol For Dyspepsia. It digests what you eat. Sold by Perkins, Kleas & Mast.

J. F. Vondersmith and family arrived yesterday from Jacksonville to reside here in the future. Mr. Vondersmith was recently elected manager of the Oil mill and he came to take charge. Mr. Vondersmith and his family need no introduction to the people of this city as this was their home for some years until a few years ago and their friends speak a hearty welcome in their favor both from a business influence on Mr. Vondersmith's part and socially on the part of the entire family.

### Old Age, Feebleness, Infirmity

Nothing is so good as Brown's Iron Bitters for aged people. It renews the strength and energies. Mrs. Mary A. Edwards, Yoakum, Tex., writes: "I have been wonderfully benefited by Brown's Iron Bitters, it seems to give me new life. I told my doctor it had prolonged my life, being now eighty-three years of age." Sold by Stripling, Haselwood & Co.

### Church Notice.

I will assist Rev. Jno. N. Wilson in a meeting at the Hayward mill front to begin Saturday night before the first Sunday in September.

We have a tent which will give ample accommodation to all who come. Every body invited. A. B. Harrell.

In this state it is not necessary to serve a five days notice for eviction of a cold. Use the original laxative cough syrup, Kennedy's Laxative Honey and Tar. No opiates. Sold by Perkins, Kleas & Mast.

## Cedar Cotton Yard

I have opened my cotton yard this year in the old cedar yard on Main street. The lot is high and dry, and my scales have been tested and accurately set.

A share of your patronage is respectfully solicited.

A. J. LOCK, Weigher.

### Unnecessary Expense.

Acute attacks of colic and diarrhoea come on without warning and prompt relief must be obtained. There is no necessity of incurring the expense of a physician's service in such cases if Chamberlain's Colic, Cholera Diarrhoea Remedy is at hand. A dose of this remedy will relieve the patient before a doctor could arrive. It has never been known to fail, even in the most severe and dangerous cases and no family should be without it. For sale by Perkins, Kleas & Mast.

### Mt. Moriah News.

Mt. Moriah, August 27.—The little baby of Mr. and Mrs. Mack Stoker has been quite sick for several days, but today is reported a great deal better.

Mr. J. M. Seale of Nacogdoches was here one day last week on a business trip.

A successful term of the school at this place was closed this week. Prof. Z. C. Vaught has given entire satisfaction and it is to be hoped that the trustees can secure his services for another term.

Rev. J. C. Fondren has just closed a good meeting here.

The congregation showed their appreciation of the efforts of the good brother and presented him with a purse of \$40. Brother Fondren leaves here and goes to Tyler county where he will conduct a series of meetings.

The young people met at the home of Mr. Tom Mill's Sunday night. Prof. Warner Bentley was present and took part in the singing. It was a most pleasant meeting and the young people highly enjoyed the occasion.

### Black Eyes.

Stomach Troubles and Constipation. No one can reasonably hope for good digestion when the bowels are constipated. Mr. Chas. Baldwin, of Edwardsville, Ill., says: "I suffered from chronic constipation and stomach troubles for several years, but, thanks to Chamberlain's Stomach and Liver Tablets, am almost cured." Why not get a package of these tablets and get well and stay well? Price 25 cents. Samples free. For sale by Perkins, Kleas & Mast.

## KELLIE GETS NOMINATION.

Hon. S. W. Blount of Nacogdoches Elected Chairman.

The following is a synopsis of the senatorial convention held in Beaumont last Saturday and is taken from the Beaumont Enterprise:

At the outset all indications pointed to a vigorous fight on the floor of the convention, and after several hours of sparring in which the strength of the candidates were tested in several votes, brought out ostensibly for other purposes, the name of Martin Dies was withdrawn from the race. As Judge Ingraham had withdrawn from the race several weeks ago, the withdrawal of Dies left but two candidates—Captain Kellie and E. B. Pickett, Jr. When the chair ruled that the delegations were not obligated to vote as a unit, the friends of Mr. Pickett saw that it was useless to carry their fight further, and his name as a candidate was withdrawn from the convention. Captain Kellie's name was then placed before the convention as the only remaining candidate for the office, and his selection for the place was made unanimous.

Chairman L. B. Scarborough, of Jasper, of the senatorial committee, called the convention to order a 10 o'clock. The names of Hon. V. E. Middlebrook and L. B. Scarborough were placed in nomination for the chairmanship of the temporary organization, but owing to the fact that Mr. Middlebrook was a delegate to the convention, his name was withdrawn. S. W. Blount, of Nacogdoches, was then nominated.

After the election of a temporary chairman, Mr. John Hancock of Newton, was elected secretary, and the convention got down to business.

A motion was made by R. A. Greer that a committee of be appointed on organization and credentials. This motion was amended to include the appointment by the chair of one delegate from each county in the district. The chair then appointed the following committee: San Augustine—E. W. Downs; Nacogdo-

ches—T. J. Williams; Liberty—C. F. Stevens; Hardin—Martin Dies; Tyler—J. T. Priest; Orange—S. W. Sholars, and Jefferson—R. A. Greer.

The convention was brought to an abrupt end by the appearance of Mr. W. E. Miller of Beaumont, who made a neat address withdrawing the name of Mr. Pickett. Mr. Miller said that it was a great injustice to Mr. Pickett that the Hardin county vote should go to Mr. Kellie when Mr. Pickett secured two votes to Mr. Kellie's one in that county.

Mr. Pickett then responded in a few well chosen words in which he thanked his friends for the interest they had manifested in his behalf, saying that it was best his name be withdrawn, as under the voting rules of the convention it was impossible for him to secure the nomination. He was roundly cheered by his friends in the convention hall. The nomination of Mr. Kellie was then made unanimous.

Beaumont citizens were thanked for their entertainment of the visiting delegations, after which the convention was adjourned by the chair.

There is nothing so pleasant as that bright, cheerful, at-peace-with-the-world feeling when you sit down to your breakfast. There is nothing so conducive to good work and good results. The healthy man with a healthy mind and body is fellow, a better workman, a better citizen than the man or woman who is handicapped by some disability, however slight. A slight disorder of the stomach will derange your body, your thoughts and your disposition. Get away from the morbidness and the blues. Keep your stomach in tune and both your brain and body will respond. Little indiscretions of overeating can be easily corrected and you will be surprised to see how much better man you are. Try a little Kodol For Dyspepsia after your meals. Sold by Perkins, Kleas & Mast.

#### THE COUNCIL MEETS.

#### The Proposition of The Houston East & West Texas Accepted.

The city council met in adjourned session Thursday afternoon to hear the proposition of the Houston, East & West Texas railway company, relative to the erection of the new freight depot. Mr. Garrison, and Mr. Dooley were present at the meeting and presented to the council the proposition of the road and also a blue print of the plans of the proposed depot.

The Mayor called the meeting to order at 5 o'clock with Aldermen Blount, Rulfs, Floyd, and Baker present. Secretary Beeson being absent from the city. The Mayor appointed Alderman Blount to keep a record of the proceedings in the absence of the secretary.

The meeting having been called to order, Mr. Garrison, addressed the chair and presented the following to the secretary which was read:  
To The City Council of Nacogdoches:

Comes now the Houston East and West Texas railway Company and files this its petition requesting of the City Council of the city of Nacogdoches to permit the said Houston, East and West Texas Railway Company to close Pillar street and take possession of same from a point—feet westwardly from the west end of the bridge across Banita bayou on said Pillar street, and extending westerly from said point with Pillar street to a distance of 100 feet eastwardly from the east margin of Bremond street as now located up on the ground. The said street which is hereby permitted to be closed by said Houston, East and West Texas Railway Company is the property upon which the yards, switches, main line and freight depot of the Houston, East and West Texas Railway Company is now situated in the city of Nacogdoches; said Company asked the right to close said street between said points and to take the same into its possession for its free and unrestricted use as switchyard, depot grounds, etc., and that said portion of said street be declared by said Council as forever abandoned as a street for general and public use, and that the same be transferred by the city of Nacogdoches to the said Houston, East and West Texas Railway Company.

In consideration of the foregoing, the said Railway Company acting by and through D. S. Gallagher, superintendent of transportation, and M. J. Dooley, local agent, and Blount & Garrison, attorneys for the said Railway Company, who are authorized by said Railway Company to act for said Company with full

power and authority in this matter.  
The said Houston, East and West Texas Railway Company agrees and obligates itself as follows:

1. That it will at once begin and carry to completion a freight depot building as shown by plans exhibited by said Dooley and said Gallagher to the Mayor and each of the board of Aldermen of said city; said depot building to front on Main street west of Banita bayou and extend southerly parallel with the roadbed of said Railway Company in the town of Nacogdoches across Pillar street to a point designated by said company south of the south margin of Pillar street.

2. That the Railroad company will open and grade its property on the eastern side of said depot, and on the western side of Banita bayou between said depot and said bayou, extending from Pillar street to Main street with necessary culverts at all intersections, a public thoroughfare for general and public use 65 feet in width which will be by the said Houston, East and West Texas Railway Company conveyed to the City of Nacogdoches for general and public use as a street or thoroughfare forever. The said west margin of said street to be about 20 or 25 feet east of the depot and platform to be built by the said Houston, East and West Texas Railway Company.

3. That it will remodel and re-construct the crossing now maintained on Main street over the track and switches of said Houston, East and West Texas Railway Company so that said crossing will be the full width of Main street, and that said company will hereafter maintain said crossing in a first-class condition. That it will also reconstruct and enlarge the crossing over its road at the compress on Weaver and Cox streets so that the said crossing will be the entire width of said streets, and improve and maintain the same in first-class condition with necessary bridges or culverts of the same width as said streets leading to the crossing on each side of roadbed.

4. That the said Railway Company will open through its property a street, beginning on the north margin of Pillar street where Bremond street intersects Pillar street, and extend the same in a north-easterly direction to Main street; said street to be of the same width of Bremond street, or sixty feet wide, and that the railroad company will do all the necessary grading to put said street in a first-class condition, together with sufficient culverts at all intersections, in that it will convey to the City of Nacogdoches for general and public use said ground over which said street is constructed to be used by the City of Nacogdoches for a general and public thoroughfare.

Houston, East and West Texas Railway Company.  
Blount & Garrison Attys.  
After the reading of the petition of the railroad company, the question was open for discussion, and the matter thoroughly discussed and the

## Buy Hair at Auction?

At any rate, you seem to be getting rid of it on auction-sale principles: "going, going, g-o-n-e!" Stop the auction with Ayer's Hair Vigor. It certainly checks falling hair; no mistake about this. It acts as a regular medicine; makes the scalp healthy. Then you must have healthy hair, for it's nature's way.

plans of the building investigated. At the close of the discussion, Alderman Baker introduced the following:

"Resolved, That the City Council of the City of Nacogdoches grant the petition of the Houston, East & West Texas Railway Company as read."

Alderman Blount,—"I second the motion."

The question was put and the vote was unanimous. No further business appearing the council adjourned.

#### "It Finds The Spot."

The Oil we struck is the Oil that has stuck while others have passed away, simply because it cures your Pains, Aches, Bruises, Sprains, Cuts and Burns quicker than any other known remedy. Hunt's Lightning Oil. It's fine for Chigger bites also.

The Woden school trustees have elected Prof. J. O. Cox principal of the school at that place. Prof. Cox is a good teacher and disciplinarian, and the school under his management will be rated with the best schools in the county.

Every form of distressing ailment known as Piles originates internally. The real cause of the trouble is inside. ManZan is put up in collapsible tubes with nozzle, so the medicine can be applied where it will do the most good, and do it quickly. If you are suffering with piles you owe yourself the duty of trying ManZan. Sold by Stripling, Haselwood & Co.

Rev. E. L. Blankenship and wife were here this morning. Rev. Blankenship was enroute to Garrison where he goes to hold a meeting. Mrs. Blankenship will visit her sister at Attoyac during that time.

#### Don't Grumble

when your joints ache and you suffer from Rheumatism. Buy a bottle of Ballard's Snow Liniment and get instant relief. A positive cure for Rheumatism, Burns, Cuts, Contracted Muscles, Sore Chest, etc., Mr. L. T. Bogy, a prominent merchant at Willow Point, Texas, says that he finds Ballard's Snow Liniment the best all round Liniment he ever used. Sold by Perkins, Kleas & Mast.

Mr. Morris, one of the leading merchants of Melrose is here today trading.

The cleansing, antiseptic and healing properties of Pine-salve make it superior to family salves. Stripling, Haselwood & Co.

#### CONFEDERATE PENSIONERS.

Old Soldiers Will Get \$14 for the Past Quarter.

Austin, Texas, Aug. 21.—Preparations are already being made in the comptroller's department for the next pension quarter, which begins October 1 next. For the past quarter the old soldiers received \$14 for the three months, but for the coming quarter there is some likelihood that this sum will be slightly increased, probably \$1 added, making the total \$15. This is due to the fact that quite a number of the pensioners during the last quarter have since died and the department is unable to find any one to claim their warrants.

There are, however, quite a number of new applications which will be added to the present number, which will make a total of possibly 7000. It is a peculiar fact that as fast as some of the Confederate pensioners die, there are new applications coming in to cover this deficiency.

It is said that there are quite a number of defects in the present pension law, and an effort will probably be made to the next legislature to amend the law.

#### Never Fails.

"There is one remedy, and only one I have ever found, to cure without fail such troubles in my family as eczema, ringworm and all others of an itching character. That remedy is Hunt's Cure. We always use it and it never fails."  
W. M. Christian, Ruthford, Tenn. 50c per box.

Mr. and Mrs. Tom Spencer are the proud parents of a handsome boy who arrived last Tuesday night.

#### Children in Pain.

never cry as do children who are suffering from hunger. Such is the cause of all baby's who cry and are treated for sickness, when they really are suffering from hunger. This is caused from their food not being assimilated but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once. Give it a trial. Sold by Perkins, Kleas & Mast.

#### Graveyard Working.

There will be a graveyard working at the Stone or Gear graveyard September 14. All who are interested will come and bring tools to do work.  
J. G. Stone, Chm. Committee.

Eat one of Ring's Dyspepsia Tablets after each meal and you will not suffer with indigestion. Stripling, Haselwood & Co.

JUDICIAL CONVENTION.

The Convention Met This Afternoon and Nominated Beeman Strong.

From Saturday's Daily: The judicial convention of the second judicial district met this afternoon and nominated Hon. Beeman Strong of this city as the democratic nominee for district attorney. Mr. Strong having no opposition for the office for which he was a candidate the convention was not as largely attended as if there had been several aspirants for the place.

Nacogdoches county is proud of the nomination of Mr. Strong as the candidate for district attorney, which is equivalent to an election, and The Sentinel believes that he will make good in every county in this district and that when he shall have served the district one term that all the people will say that he is the best what is.

Galveston's Sea Wall

makes life now as safe in that city as on the higher uplands. E. W. Goodloe, who resides on Dutton street in Waco, Tex., needs no sea wall for safety. He writes "I have used Dr. King's New Discovery for Consumption the past five years and it keeps me well and safe. Before that time I had a cough which for years had been growing worse. Now it's gone." Cures chronic Coughs, La Grippe, Croup, Whoopingcough and prevents pneumonia. Pleasant to take. Every bottle guaranteed at Stripling, Haselwood & Co., drug store. Price 50c and \$1.00. Trial bottle free. dw

The Little Doctor

SAYS "Don't Physic!" Use Ramon's Liver Pills and Tonic Pellets for all liver troubles. Safe, sure, permanent cures and complete treatment for 25c. Easy, natural and certain—money back if they fail. Sold by all druggists.

In Self Defense

Major Hamm, editor and manager of the Constitutionalist, Eminence Ky., when he was fiercely attacked, four years ago, by Piles, he bought a box of Bucklen's Arnica Salve, of which he says: "It cured me in ten days and no trouble since." Quickest healer of Burns, Sores, Cuts and Wounds 25c at Stripling, Haselwood & Co's drug store. dw

Customers always get the worth of their money when they buy John R. Dickey's Old Reliable Eye Water, or anything else at Stripling, Haselwood & Co's drug store.

HON. S. B. COOPER NOMINATED

The Second Congressional Convention Does Quick Work.

From Saturday's Daily: In response to a cordial invitation, and in compliance with the Terrell election law the democratic convention of the second congressional district convened in this city this morning at 9:30 o'clock.

The convention was called to order by Hon. J. C. Harris and Hon. Martin Feagin of Lulkin was elected temporary chairman, and Riley Burke of Rusk temporary secretary.

Mr. Feagin took the chair, and upon motion appointed a committee upon credentials, permanent organization, and basis of representation, as follows:

- Shelby county—J. W. Shotwell.
- Sabine county—A. D. Hamilton.
- Hardin county—J. E. West.
- Angelina county—W. H. Everitt.
- Tyler and Jefferson—S. B. Cooper, Jr.
- Jasper county—W. H. Aldridge.
- Nacogdoches county—J. C. Harris.
- San Augustine county—No delegate.
- Cherokee county—Riley Burke.
- Panola county—Judge T. P. Hull.
- Harrison county—No delegate.
- Orange county—A. L. Ford.
- Newton county—S. T. Took.

The committee appointed as above was instructed to act in the capacity of the several committee, i. e. credentials, permanent organization, and basis of representation. The committee then retired and a recess was taken until the committee was ready to report. After having been in session about thirty minutes the committee returned and announced ready to report. Hon. J. C. Harris, chairman for the committee made a report of the committee's labors.

The report on representation reported the counties comprising the second congressional district, entitled to the following representation:

Snelby	5
Nacogdoches	5
Jasper	2
Angelina	3
Tyler	2
Hardin	3
Cherokee	5
Jefferson	5
Newton	2
San Augustine	1
Sabine	2
Harrison	2
Panola	4
Orange	2
Total	43

The committee also reported that Congressman M. L. Brooks had received 10274 popular votes and that Hon. S. B. Cooper had received 11,489 of the popular votes, giving Hon. S. B. Cooper a majority of 1215 of the popular votes; also that Congressman Brooks had received 20 and a fraction of the convention votes, Hon. S. B. Cooper 22 and a fraction.

The committee also recommended that the present temporary officers, be made the permanent officers of the party for the ensuing two years. The committee also intro-

duced a resolution indorsing the course of Hon. S. B. Cooper while a member of congress for this district.

The committee also introduced a resolution asking the nominee of this convention to use his every effort in the matter of the Sabine lake channel and to ask that an appropriation be made to secure a depth of 25 feet from the mouth of the Sabine and Neches rivers to a connection with the Port Arthur canal.

Upon the motion to adopt the report of the committee, the vote was taken by counties and the delegates cast the vote of the county for the adoption of the report of the committee. As Harrison county and San Augustine county had no delegates in attendance—Hon J. C. Harris moved that the secretary of the convention be instructed to cast the prorated vote from these counties respectively. The vote on this motion was held by counties, and was declared to be unanimously adopted.

The matter of declaring Hon. S. B. Cooper the nominee of the convention was taken by counties, and the vote, being unanimous, he was declared by the chairman to be the regular nominee of the democratic party for congress from this the second congressional district.

The chairman then appointed the following as a committee to officially inform Hon. S. B. Cooper that he was the nominee of the party: Judge M. J. Whiteman of Cherokee, W. H. Aldridge of Jasper, J. W. Shotwell of Shelby, C. A. Burke of Angelina, Hon. J. C. Harris of Nacogdoches, and Judge T. P. Hull of Panola.

The committee retired and in a few minutes returned with Mr. Cooper and as they came into the hall Mr. Cooper was given a great ovation. He was presented to the chairman, who in a few well chosen words introduced Mr. Cooper as the next congressman from this the second congressional district. Mr. Cooper then addressed the convention.

He referred to the fact that fourteen years ago that it was in this city that he was made the nominee of the party for congress after the convention had been in session for ten days; that he had served the people for a period of twelve years, and that his record was before the people as to how well he had performed the duties incumbent upon him; that two years ago he was defeated and now was again chosen to represent the people again. He referred to the great questions now before the people and admonished them not to be too negligent in the duty they owed to their party; that the republican party was fostering the trusts and combinations and that within the next ten years that if there were no restrictions placed upon combinations that the trusts would have absolute control of the law making bodies of this nation. He favored laws encouraging the investment of capital, but was opposed to the buying of laws by corporate power, that if this practice was not stopped

TUMORS CONQUERED

SERIOUS OPERATIONS AVOIDED.

Unqualified Success of Lydia E. Pinkham's Vegetable Compound in the Case of Mrs. Fannie D. Fox.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy, Tumor. The growth of a tumor is so sly that frequently its presence is not suspected until it is far advanced.

Mrs. Fannie D. Fox

So-called "wandering pains" may come from its early stages, or the presence of danger may be made manifest by profuse monthly periods, accompanied by unusual pain, from the abdomen through the groin and thighs. If you have mysterious pains, if there are indications of inflammation or displacement, secure a bottle of Lydia E. Pinkham's Vegetable Compound right away and begin its use.

Mrs. Pinkham, of Lynn, Mass., will give you her advice if you will write her about yourself. She is the daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge.

Dear Mrs. Pinkham— "I take the liberty to congratulate you on the success I have had with your wonderful medicine. Eighteen months ago my periods stopped. Shortly after I felt so badly that I submitted to a thorough examination by a physician and was told that I had a tumor and would have to undergo an operation. "Soon after I read one of your advertisements and decided to give Lydia E. Pinkham's Vegetable Compound a trial. After taking five bottles as directed the tumor is entirely gone. I have been examined by a physician and he says I have no signs of a tumor now. It has also brought my periods around once more, and I am entirely well."—Fannie D. Fox, 7 Chestnut Street, Bradford, Pa.

that the trusts would control the people and the laws. He again thanked the people for the honor conferred and assured the delegates and visitors to the convention that he would strive with a higher resolve to hand the commission back to the people untamished.

He was frequently applauded and while the address was short yet it was a masterly effort, and made for the ex-congressman many friends politically who were his foes a few months ago.

The convention then adjourned sine die.

The End of the world, of troubles that robb'd E. H. Wolfe, of Bear Grove, Ia., of all usefulness, came when he began taking Electric Bitters. He writes: "Two years ago Kidney trouble caused me great suffering, which I never would have survived had I not taken Electric Bitters. They also cured me of General Debility." Sure cure for all Stomach, Liver and Kidney complaints, Blood diseases, Headache, Dizziness and Weakness bodily decline.

Price 50c Guaranteed by Stripling, Haselwood & Co's drug store. dw

Beeman Strong left yesterday afternoon for San Augustine to represent the state as district attorney. W. M. Imboden, district attorney, being confined to his room on account of sickness.

**3 DAY'S MALARIA CURE**

Instantly destroys all fever germs inoculated by mosquitoes—the cause of Malaria, Ague, and Chills and Fever. One dose stops aching bones and hot and chilly sensations. A tonic; gives an appetite; renews vitality. A positive, quick and harmless cure. Testimonials around the bottle. 75 cents. Francis J. Ott, Sacramento, Cal.

Perkins, Kleas & Mast

THE KING OF BLOOD PURIFIERS

No other remedy has given such perfect satisfaction as a blood purifier and tonic or is so reliable in the cure of blood diseases of every character as S. S. S. It is known as "The King of Blood Purifiers," and the secret of its success and its right to this title is because "IT CURES DISEASE." It is an honest medicine, made entirely of purifying, healing roots, herbs and barks, which are acknowledged to be specifics for diseases arising from an impure or poisoned condition of the blood and possessing tonic properties that act gently and admirably in the up-building of a run-down, weakened or disordered condition of the system.

One of the greatest points in favor of S. S. S. is that it is the only blood remedy on the market which does not contain a mineral ingredient of some kind to derange or damage the system. It is the one medicine that can be taken with absolute safety by the youngest child or the oldest member of the family, and persons who have allowed their systems to get in such condition that most medicines are repulsive to the stomach will find that S. S. S., while thorough, is gentle and pleasant in its action, and has none of the nauseating effects of the different mineral mixtures and concoctions offered as blood purifiers.

As every part of the body is dependent on the blood for nourishment and strength, it is necessary that this vital fluid be kept free from germs and poisons. So long as it remains uncontaminated we are fortified against disease, and health is assured; but any impurity, humor or poison acts injuriously on the system and affects the general health. Pustular eruptions, pimples, rashes and the different skin affections show that the blood is in a feverish and diseased condition as a result of too much acid or the presence of some irritating humor. Sores and Ulcers are the result of morbid, unhealthy matter in the blood, and Rheumatism, Catarrh, Scrofula, Contagious Blood Poison etc., are all deep-seated blood disorders that continue to grow worse as long as the poison remains.

But all blood diseases are not acquired; some persons are born with an hereditary taint in the blood and we see this great affliction manifested in many ways. The skin has a waxy, pallid appearance, the eyes are often weak, glands of the neck enlarged, and as the taint has been in the blood since birth the entire health is usually affected.

In all blood troubles S. S. S. has proved itself a perfect remedy and has well earned the title of "KING OF BLOOD PURIFIERS." It goes down into the circulation and removes all poisons, humors, waste or foreign matter, and makes this stream of life pure and health-sustaining. Nothing reaches inherited blood troubles like S. S. S.; it removes every particle of the taint, purifies and strengthens the weak, deteriorated blood, and supplies it with the healthful properties it needs and establishes the foundation for good health. As a tonic this great medicine has no equal, and it will be found especially bracing to weak, anaemic persons.

**S.S.S. PURELY VEGETABLE**

Rheumatism, Catarrh, Sores and Ulcers, Skin Diseases, Scrofula, Contagious Blood Poison and all other blood troubles are cured permanently by S. S. S., and so thorough is the cleansing of the blood that no trace of the disease is left to break out in future years or to be transmitted to offspring. If you are in need of a blood purifier get "THE KING" of them all, S. S. S.—and good results are assured. Book on the blood and any medical advice desired furnished without charge to all who write.

Gentlemen—S. S. S. is used as a family medicine in our home. I myself have taken and always found it what it is claimed to be. It thoroughly cleanses the system of impurities, increases the appetite, improves the digestion, and builds up the general health. I have given it to my children with fine results. It promptly restores the appetite and clears the skin of all eruptions. It is a very fine blood tonic and has my hearty endorsement. 124 S. 9th St., Lebanon, Pa. P. H. THOMPSON.

For County Commissioner Prec. No. 2, W. S. SATTERWHITE.

### AN EXPERT OBSERVER ON THE MANUFACTURE OF CHEWING TOBACCO.

An expert observer on the manufacture of chewing tobacco claims that it is the planter's process of flue-curing, producing and developing the stimulating flavor and bouquet of the tobacco grown on certain lands in the Piedmont tobacco belt, which populates the chewing tobacco habit.

R. J. Reynolds Tobacco Company's factories are located in the famous Piedmont flue-cured tobacco belt, the finest chewing tobacco region known to the world. This kind of tobacco requires less sweetening to please chews than any other tobacco grown. The Company's location enables it to secure the choicest selections of this flue-cured leaf, which are manufactured under the personal supervision of men who have made the selecting and blending of this particular kind of tobacco for chewing purposes their life study.

The Reynolds' plants for the manufacture of Schnapps and other of its brands of chewing tobacco, are operated largely by machinery, in the most hygienic manner, and reveal a system of cleanliness that would do credit to a model household. The old adage of "too many cooks" holds good in tobacco manufacturing. The Company has reduced the handling of tobacco to a minimum. Automatic conveyors take the leaf to the brushing machines (specially invented for the Reynolds Company), where, by an ingenious process, every leaf is brushed and cleaned. After this brushing and cleaning, the tobacco drops into another conveyor and is carried to the sweetening machines, where the sweetening is applied automatically, thereby insuring a uniformity and cleanliness impossible by the ordinary method; and thus, with the idea of cleanliness always paramount, the tobacco is conveyed automatically from one machine to another, throughout nearly the entire process of manufacture.

The pleasant and appetizing aroma of the tobacco leaf used, and the cleanly method of manufacturing have caused visitors to the Company's factories to experience their first desire to chew tobacco.

Rev. J. C. Fondren left yesterday afternoon for Colmesneil where he is conducting a revival meeting.

Don't drag along with a dull, billious, heavy feeling. You need a pill. Use DeWitt's Little Early Risers, the famous little pills. Do not sicken or gripe, but results are sure. Sold by Perkins, Kleas & Mast.

### APPLEBY NEWS

#### Interesting Communication From a Good Community.

Appleby, Aug. 28.—This community since last writing, is coming to the front in the way of a move and boom.

About six or eight of our best citizens are talking of the far west and some of the number are making preparations to move in the near future. We hope the ones that do move will not be materially injured in the transaction but much the wiser when they return to old Nacogdoches county.

Cotton is coming in and lumber is on the move. The only thing being in the way of the cotton business is that it is shorter than in many years before. The only thing in the way of the lumber business is the labor and shortage of cars (some member of the Legislature please remedy this matter. Two dollars per day where cars are set over forty-eight hours and not loaded, and nothing when the user has to wait for said car from ten to thirty days) which is very often the case.

Some little sickness in the community, not generally fatal. Mr. H. H. Greer had the sad misfortune of losing his little baby on the 27th inst it was only sick for a few days. The writer and all the community joins Mr. Greer and all the family in their bereavment in the loss of this little one, which was called from their home so early in life.

Mr. Lennox Stockmon happened to the misfortune of being accidentally shot yesterday evening while in the act of removing a pistol from under a bed. The physicians say the wound, while being very painful, is not of a serious nature.

A word of truth in a few words: "Nearly all other cough cures are constipating, especially those containing opiates. Kennedy's Laxative Honey and Tar moves the bowels. Contains no opiates." You can get it at Perkins, Kleas & Mast's.

### Oak Ridge Notes.

Now the protracted meetings are nearly over, and the summer almost gone, with a sigh of regretful satisfaction, we settle down to the tasks before us, the gathering of the harvest and the preparation for winter with some, and school duties with others; hence we say regretful satisfaction.

Regret that pleasures of summertime must come to an end, and summer roses must fade; regret that the parting hour draws near, regret that we have not done all we could to make life pleasant; and yet a peaceful satisfaction that it has been as well with us as it has; and this season has not been altogether a blank to some of us. It makes us very happy to see so many young people have found that wisdom's ways are ways of pleasantness, and all paths are peace.

Miss Lola Brown of Martinsville, has been the guest of Mrs. Stokes for the past week. She returned home Saturday accompanied by Miss Coma Stokes.

Vera Menelee of Chireno has been visiting her relatives in this community, and making her home with Robt. Scott's family. A reunion of young folks was given at V. E. Simpson's in her honor, Normal Hall also being another honoree. Normal lives near Rose Lake. This neighborhood being the home of his early childhood, always receives him gladly, as he is a favorite with every one.

Miss Myrtle Pullen of Jacksonville, was a welcome guest at V. E. Simpson's. She has recently graduated, at the age of "sweet sixteen," at A. C. L. and will enter the Southwestern University at Georgetown next month.

W. D. Lambert of Chireno passed through Saturday, en route to St. Louis, where he goes to lay in a stock of goods. Link Moss, who accompanied him to town stopped over to visit friends and relatives at Oak Ridge.

Our country roads are being improved to some extent in every direction, especially, the north road leading out by Mr. Jim Burrows' deserves notice.

Mrs. J. E. Sander's school closed Friday, and she will, in a few days bid us adieu and return to her home at Attoyac.

Bro. Carnes baptized five new members of the Congregationalist church, at the Cariso creek last Sunday afternoon.

T. B. and Hunter Harde-man, returned Saturday night from New York where they spent some time in the markets purchasing dry goods and clothing to supply the fall market here.

**Deafness Cannot be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

J. CHENEY & CO., Toledo, O.  
Sold by all Druggists, 75c.  
Take Hall's Family Pills for constipation.

The Largest House in the Southwest Selling Exclusively to the Consumer

P. C. RICHARDSON, Local Agent, Nacogdoches, Texas

From McMillan.  
To the Citizens of Precinct No. 1:

Owing to the fact that my term of office expires in November next, and as I am a poor man and have a wife and two small children to support, and the further fact that your county farm was in need of a good competent manager, and that the county commissioners court have seen proper to appoint me as the manager of said farm, I have been obliged to abandon active service as your constable.

In so doing I want to thank the people of the precinct for the many favors they have shown me. As the duties of the office require the constant attention of a good and active man, and taking into consideration the fact that a majority of the voters of the precinct have seen proper to select Mr. G. W. Stone as my successor, I thought it my duty (as I had to select some one) to appoint him my deputy. This I have done and have given him full charge of the office and all the work pertaining thereto. Assuring him as I do you that at all times I shall take great pleasure in assisting Mr. Stone in any way that I can.

Trusting that this action on my part will be entirely satisfactory to the people at large, and that I may be better able to give better service as your superintendent than constable, I beg to remain,  
Your humble servant,  
W. E. McMillan.

Why does the sun burn?  
Why does a mosquito sting?  
Why do we feel unhappy in the Good Old Summer Time?  
Answer: we don't. We use DeWitt's Witch Hazel Salve, and these little ills don't bother us. Learn to look for the name on the box to get the genuine. Sold by Perkins, Kleas & Mast.

What Shall I Take?

In question ask by those who are not feeling well, have no appetite, are out of sorts, have no energy and are all tired out. Many medicines are recommended, doctors consulted, money spent in search of health, yet all can be avoided.

Wise people commence at once taking Browns' Iron Bitters and are speedily themselves again. The prescription the doctor gives you will surely have Iron as the basis and the best and cheapest way to take iron is in this old reliable remedy. Sold by Stripling, Haselwood & Co.

Led Meadors of Appleby was in town today.

### Music Education

Music teaches most equitably the art of development.—D'Israeli.  
**Literary Expression**  
Thoughts live.

Free the channels of life and thought.  
Term begins Sept. 3rd.  
VIOLA ELLIOT BLACK.

"Make Hay While the Sun Shines."

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers which are so liable to follow. So it should be with every household. Dysentery, diarrhoea and cholera morbus may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea Remedy, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal. For sale by Perkins, Kleas & Mast. dw

## SHINGLES

We have started our shingle mill 4 miles east of Nacogdoches on the Melrose road and have Sawn Heart and Sap Shingles. Will deliver to any part of town.  
S. P. SMITH & SON
