## Big Discount on Wagons and Buggies

\$112.50 Banner Trap Buggy for \$ 89.50 $\$ 130.00$ Moon Bros. Trap Buggy for $\$ 103.50$ $\$ 170.00$ Weber Gear Brake Wagon, complete $\$ 135.50$ \$187.50 Weber Gear Brake Wagon, complete $\$ 149.50$ $\$ 190.00$ Weber Gear Brake Wagon, complete $\$ 151.50$

These goods have been stored in Schmidt's warehouse on the railroad tracks. This warehouse has now been rented to Ben T. Wilson and WE MUST MOVE. This big reduction is made to SELL the goods stored there and will positively be withdrawn when they are gone. Come quick,-don't wait, if you want one of these buggies or waggons. $\$ 1.00$ will do more on the price now than $\$ 1.25$ will do after this small lot is sold.
Profits at above prices have been ignored. Mr. Wilson wants his warehouse and we must move the goods. There is no doubt but that we will easily do so at these big reductions.

The occasion was one of H. Fi. \& W. T. railroad officials under the direction of Superintendent H. M. Mayo of the Safety First Deand Assistant Superintend <br> Kuykendall. <br> It is the custom of these officials to hold monthly meetings of representatives of each division or group of their employees for the purpose of studying methods of reducing the number of accidents, on the road. H . M. Mayo is a genius when it comes to presenting to his men the various ways and means of lessening accidents. Mr. Kuykendall mades an able second in that he gives straight, specific instructions to his men to carry out Mr. Mayo's suggestions. <br> The men attending this meeting seemed more like a family than a group of employees. Among those that made addresses at the banquet were H. M. Mayo, A. L. Kuykendall, H. L. McKnight, J. M. Marshall, Mayor Middlebrook, Robert Lindsey, I. L. Sturdevant and W. F. Rentsell, Road Foreman Engine Service, who was toastmaster. <br> Those present were H. L. McKnight, D. A. Washburn, Agent; V. E. Middlebrook, S. L. Usrey, Séction Foreman; L. N. Lyles, C. F. Marshall, Claude Watson, W. F. Rentsell, Road Foreman of Engincers H. E. \& W. T. and T. \& N. O., Houston. <br> The menu served by the host, Willie Buchanan, proprietor of the Redland Hotel, was one of the best ever served in Nacogdoches. "Willie" was the | happy recipient of many sincere compliments on the dinner. He showed himself a real hotel keeper of the "big league" sort. <br> The Nacogctoches Chamber of Commerce is making quite a success of the syrup shipping campaign it inaugurated some time ago for the distribution of the home grown syrup, according to all indications. Men from all parts of the United States are writing here for information on the syrup grown in Nacogdoches county. This looks good. The amount of syrup sold from this county this year may rot amount to much, but the publicity, gained will be of great value. Hence 1921-22 promises to be better ycars for the distribution of the syrup. <br> The Thompson-Rambaugh Drilling Company, which is planning to drill near Etoile, is unloading a rig in that section now. Mr. F. N. Thompson, field foreman for the company, said Thursday that the drilling would commence next week. This company owns about 4,000 acres of leases in the Etoile vicinity. <br> W. E. Thomason says that the next session of the state legislature will be one of interest, several important bills being on the roll for the attention of the members. One of the bills is the redistricting bill, this being important, Mr. Thomeson says. He is planning to get to Austin the next session and be there several days before the opening of the legislature, so that he will be on the "ground floor" of everything. <br> Most of the, business men of the city, are confident that the shortness of money will be alleviated within the next two months. When this takes place, there are going to be some things "a-doin" around the old city. As soon as money gets into circulation again, a systematic cil well drilling campaign will be started in Nacogdoches county. There are some men here that are determined to see their leases developed, and they are going to develop them. <br> PADUCAH BANK SUSPENDS <br> Fort Worth, Texas, Dec. 10.-The Farmers \& Merchants Bank of Paducah posted a notice on its door this morning that it had suspended on account of general conditions. | THREE MEN LYNCHED <br> Santa Rosa, Cal., Dec. 10 -George Boyd, Terence Fitts and Charles Vslento, accused of murdering Sheritt Petray and Detectives Jackson and Dorman Sunday afternoon last, were taken from the jail here early this morning and hanged.
