Roosevelt to Start Dam Power

When President Roosevelt, 3000 miles away in Washington, presses a button on Sept. 11, generation of power will start a Boulder Dam. Water will pour from the outlet valves on the Nevada side of the mammoth barrier, shown here, and their flow will meet that from the Arizona side, causing a spectacular double cataract.

Planes Will Hunt For Redfern Wreck

BERKELEY, Cal.—Convinced that he can find the wreckage of the monoplane of Paul Redfern, who disappeared in a non-stop flight from Brunswick, Ga., to Rio de Janeiro, Aug. 26, 1927, Lee R. Dennison, 51-year-old South American mining man, has announced that within the next 90 days he will start an expedition of two planes and a crew to attain this objective.

Convinced Flier Is Dead

Dennison's conviction that Redfern is dead but that the wreckage of his monoplane can still be found is based on a rumor brought him by an Indian courier of Venezuela that he knew the precise spot where the wreckage lies.

Tells of First Clue

Dennison's first clue as to the possible whereabouts of the wreckage of Redfern's plane came following a perilous 36-day trip by canoe from his mining headquarters of Paviche, near the headwaters of the Caroni River, on an exploratory voyage into the primeval Grand Savannah country.

Dennison explains that with two bearers he was at Carrao Falls, in the heart of the Great Savannah country, when he was bitten by a deadly viper. While he was recovering, as was one of his bearers, another Indian came to them with the story that he had seen that tattered wreckage of Redfern's plane, hanging from a tree.

Race Is Staged to Gin First Bale at Ranger Thursday

A neck-and-neck race to be the first to have a bale of cotton ginned in Ranger ended Thursday with J. D. White, Route 2, as winner by a nose—or rather by a radiator cap—with O. M. Cummings, also of Route 2, coming in such a close second that he had to stand by and wait for White's bale to be ginned.

Both farmers live in the same neighborhood, about three and a half miles from Ranger on the Breckenridge road, and both were picking what they hoped would be the first bale at the same time.

World's Greatest Housekeeper Does Not Keep House

CHICAGO—The Pullman Company, operators of sleeping cars on the railroads of America, annually "sleep on the average of one-fifth of the population of the United States, it was revealed today in a letter received by Harry G. Taylor, Chairman of the Western Association of Railway Executives.

Mr. Taylor was formerly a weekly newspaper editor publishing for ten years the Nonpareil at Central City, Nebraska.

And with this huge overnight sleeping population to care for the company has become one of the greatest housekeepers in the world, despite the fact that it does not keep house!

The company has nearly four million towels on hand at all times. There are over two million sheets, one and three-quarter million pillow cases, five hundred thousand blankets, a similar number of pillows, 250,000 mattresses, and the porter who tends these things has over one-hundred fifty thousand white jackets on hand for his own dress.

In all, the linen stock kept on hand by the "world's largest housekeeper" totals close to nine million pieces!

After digesting this figure of nine million pieces of linen always on hand, add to that the figure 2,000,000, which is the annual number of replacements made to keep this huge stock intact.

This stock must be so distributed that each of the five thousand odd Pullman cars in service has the quantity it requires. And as the five thousand cars travel some 3,000,000 miles a day, allowances must be made for picking up this linen stock on the fly from over 100 railway supply depots located throughout the country.

Each car carries 400 towels in its lockers, 250 sheets, 200 pillow slips, 56 blankets and eight porter's coats. Simple multiplication will show the size of the washings.

The same operation will show why the Pullman Company is be-

OLIVE BRANCHES

lieved to be the world's largest housekeeper, and with reduced rail-Pullman travel costs in effect since the first of June, creating increased rail traffic throughout the country, the job becomes greater every day.

1,547 Carloads of Food Shipped to Drought States

WASHINGTON.—The Department of Agriculture Drought Committee announced today that the Agricultural Adjustment Administration has shipped or ordered shipped 1,547 carloads of food and feed for relief distribution in 19 drought-stricken States since early June.

In most instances, the commodities were obtained from growers and distributors by the Commodities Purchase Section of the AAA. Distribution is being made to State relief agencies by the Federal Surplus Commodities Corporation.

Of the shipments, 1,171 carloads, or 54,645,000 pounds, are foodstuffs for human consumption, and 376 carloads, or 15,040,000 pounds, consist of mill feed for livestock. The mill feed is a by-product from the milling of flour for relief use from wheat purchased by the Government in the Pacific Northwest States.

Considerable quantities of the foodstuffs would have been shipped to the drought States under the regular distribution program of the Federal Surplus Commodities which provides for shipments of supplies for relief use in all States. Additional shipments of food and feed, however, have been made available to States where drought conditions are most severe. Large quantities will be distributed to needy farm families.

The 19 drought States to which these food and feed shipments have been made are Arkansas, Colorado, Georgia, Iowa, Kansas, Kentucky, Minnesota, Missouri, Montana, Nebraska, North Carolina, North Dakota, Oklahoma, South Carolina, South Dakota, Tennessee, Texas, Virginia, and Wyoming. Shipments to three additional States now in the official territory — Illinois, West Virginia, and Wisconsin — have not been increased because of drought, as emergency drought areas in these States were first designated only within the past 10 days.

The kinds and quantities of commodities shipped to the different States depend largely upon the number of families eligible for relief and the supplies of particular commodities already on hand within the States.

The following kinds and quantities of products have been made available to the States as a group: Flour, 32,905,800 pounds; dry skim milk, 440,550 pounds; dried peas, 1,320,000 pounds; prunes, 1,320,000 pounds; dried beans, 620,000 pounds; canned beef, 4,200,000 pounds; fresh peas, 2,360,000 pounds; fresh pears, 7,757,500 pounds; dried prunes, 900,000 pounds; fresh vegetables, 432,000 pounds; dried peaches, 2,390,000 pounds; mill feed, 15,040,000 pounds.

DESDEMONA

Robert Abel attended the Fort Worth and Dallas Centennials. Dr. J. M. Wright of DeLeon was here Thursday afternoon on business. Miss Edith Creighton and her mother, of Strawn, were guests of Mrs. George Patterson on Tuesday of last week. They were sorry to find Mrs. Patterson unable to be up on account of an injured knee, as the result of catching her foot in a wire when going through a fence near the home of Mrs. Julia Jones. Miss Creighton has been our successful primary teacher for the past two years, and has come and boarded at the home of Mrs. Patterson. She will return to the opening of school. On Sunday Mr. and Mrs. H. H. Williams entertained a number of guests with a chicken dinner. Among those present were Mr. and Mrs. T. L. Long of Plainview, parents of Mrs. Williams; J. C. Long and Mrs. Donald Brown of Plainview, a brother and niece of Mrs.

Williams; Jake and Zeph Christian and families of School Hill. Mr. and Mrs. Charles Skipping were in Gorman Saturday. Mrs. W. H. Powers and son, Jack, spent Sunday in Rising Star. Earl Abernathy was a business visitor in Eastland Monday. Born—On Sunday, Aug. 23, 1936, to Mr. and Mrs. John Hilliard, a baby boy. We are glad to report that Mrs. Odwin White is recovering nicely from a serious operation. She was brought home from the hospital Monday. Ed Putty and family of Lubbock visited Mrs. S. E. Snodgrass and her daughter and son-in-law, Mr. and Mrs. J. E. Heater on Sunday. They were on their way to the Centennial. Rev. Mrs. Earl Alexander left Thursday for Lindsey, Oklahoma, to visit her mother. On Monday afternoon, Aug. 24, members of the Methodist Missionary Society and a number of other friends met at the Canyon in the C. H. Genoway pasture, where they had a picnic and a surprise birthday party for Mrs. S. E. Snodgrass, one of the most faithful mem-

bers of the society and a pioneer settler of Desdemona. The younger ones of the group enjoyed climbing the high bluff of the canyon and riding the "trolley." The "Happy Birthday" song was sung and the shower of handkerchiefs and other gifts were presented to Mrs. Snodgrass. Those present were: Meses. Charles Lee, C. O. Bragg, W. H. Whitworth, Preston Sparks, Tom Nabers, Ed Parks, Travis Hilliard, W. C. Bedford, C. H. Genoway, Whit Richards, S. E. Snodgrass, J. E. Heater and little Charles Bragg, and Misses: Mollie O'Rear, Emma Genoway, Agatha Genoway, Valla Whitworth, Billie Richards and Ruth Crenshaw. Mrs. G. S. Bruce left on Tuesday of last week for a visit with her daughters at Gladewater and Beaumont, and to the Centennial. Mr. and Mrs. Charlie Emdee left several days ago for their home at Kilgore after a visit here with his mother, Mrs. Mollie Emdee, and with their many friends who were delighted to see them again. The sympathy of the community is being extended to Rev. E. M. Daily on account of the death of his brother, who lived near Hillsboro.

Cool Interlude For Stars Of Hot Weather Program

Hot weather has no terror for Clara, Lu 'n' Em and Ted Fio Rito, stars of the "Frigidaire Frolic" who are telling housewives of the desirabilities of safe food protection. A cold gauge, an instrument registering the safe and danger zones of home refrigeration, told the quartet the Frigidaire was "PLENTY COLD" and the desserts okeh for consumption so they pitched in. Nearly 20,000 Frigidaire dealers and salesmen here and in other communities throughout the nation are distributing free cold gauges to users of all types of refrigeration in order to determine the degree of safety each provides.

License Bureau For Auto Drivers Functions Nicely

AUSTIN — The Drivers' License Bureau, newest branch of the State Department of Public Safety, is functioning smoothly, Chief L. G. Phares of the highway patrol announced here. Since operations were begun on Feb. 14, the bureau has filed approximately three million drivers and chauffeurs licenses. Two offices are kept. County clerks who issue the licenses make three copies. One is given to the driver, and two are sent to the bureau to be filed by county and by number. Of greater service, and a boon to the men who must supervise highway traffic in a state as large as Texas, is the accident map and file kept by the bureau. Chief Phares said. On this map is indicated the exact spot on a Texas highway where an accident has occurred. The color of the dots locating the accident indicates whether it was fatal or non-fatal. The map serves two purposes, Chief Phares said. It indicates the trouble or danger spots on the highways, and allows shifting of men from one danger spot to others. If there are too many red dots—the color employed to indicate death—on a certain road, more patrolmen can be ordered to that area to supervise traffic. In conjunction with the map is a cross filing system of accident reports. In these cabinets is the name of every person who has participated in an accident reported to the bureau—and more than 800 are being reported each month. Each report is also classified as to county. To eliminate guesswork, each accident report as to county is marked with the exact time at which it occurred. This, Chief Phares explained, determines the hours certain highways are danger spots. Action is then taken to

Crossword puzzle grid with numbers 1-40 and a small portrait of a man in the bottom right corner.

In this column, answers will be given to inquiries as to Texas history and other matters pertaining to the State and its people. As evidence of good faith inquirers must give their names and addresses, but only their initials will be printed.

Q. How did Blanco county get its name? E. B., Dripping Springs.
A. From the Blanco river, so named by the Aguayo Expedition of 1721, because of the chalky country through which the river flowed, giving it a white color, the name meaning 'white.'

Q. I notice San Angelo mentioned as the greatest wool center in the United States. What amount is sold there annually? R. M., Paducah.
A. The estimated amount for this year is 20,000,000 pounds, based on 15,000,000 already sold and 5,000,000 in storage here now.

Q. Where was the last Comanche war dance staged in Texas? G. G., Comanche.
A. About 40 miles west of Austin at or near the intersection of present highways 20 and 66.

Q. Where and when will the National Dairy Show be held this year? F. H., Gause.
A. At the Texas Centennial, Dallas, Oct. 10-18.

Q. Where did the Republic of Texas establish its first custom house and who was the collector? S. A., Detroit.
A. At Galveston, in 1836, with

Smithy Laments the Lack of Romance in Trade Today

FORT WORTH — Prices are better, but blacksmithing today is not the romantic trade which Longfellow described in his poem, G. W. Moseley believes.

"We get most of our trade from the mule barns," he said. "During the mule-trading season from September to April, we shoe an average of 25 mules a day. A dollar used to be the price for shoeing, but now we get \$2... with the price of factory shoes up 50 per cent."

"Some business comes from dairy horses, ice wagon teams, saddle animals—and a few from the Centennial rodeo right now." Moseley has followed his trade in Fort Worth for a quarter-century, seeing this town grow from a blacksmith's paradise to a mechanized "cowntown" where horses are comparatively rare.

Gail Borden, pioneer newspaper man and condensed milk inventor, as collector.

A CENTURY OF TEXAS CATTLE BRANDS

All Texans will be interested in the origin and significance of early cattle brands of famous ranches as reproduced and catalogued in this new book of 84 pages. Arranged by counties. Introductory articles on Texas History by Peter Molyneux; sketch of Cattle Industry and the Story of Cattle Brands by Frank Reeves; and foreword by Amos Carter, owner of Fort Worth Star-Telegram; all of special interest to every cattleman.

Mailed postpaid for 50 cents. Address all orders to Will H. Mayes, 2610 Salado Street, Austin, Texas.

Form with fields for Name and Address, and a note: 'I enclose 50 cents in coin, securely wrapped, for a copy of "A Century of Texas Cattle Brands."'

Ranger Country Club To Be Scene of Gala Dance Affair This Evening

This evening at 9:30 o'clock ushers into the limelight of social doings an affair looked forward to with much enthusiasm for several days by many of the younger set as well as others who enjoy a good dance and delightful evening spent in visiting with friends, renewing friendships and the opportunity of saying an revoir to those who soon are to depart for school.

This, perhaps, is the first real get-together of the society group for many months, and the program of dance has been planned under the capable supervision of two popular young men of Ranger, Bob Earnest and George Paulowsky. In making their plans for the gala occasion, much time was devoted to the selection of musicians. Their decision was a popular one, "The Vacationers," who have won an outstanding place in social circles. The group of musicians come from our neighboring city of Eastland and have been heard for dance engagements at Mineral Wells, Fort Worth and other cities.

Dancing has been slated for 9:30 o'clock, allowing time for informal get-togethers of various groups before motoring to the club, where special decorations are a smart feature.

Guests this evening will be greeted by the co-sponsors, Messrs. Earnest and Paulowsky, who extend a cordial invitation to those interested in sharing a delightful evening and dancing by splendid music until the early hour of 1:30.

Baby Girl is Christened Margaret Sue

Mr. and Mrs. Bill Angus announce the arrival of a 7-pound baby girl Thursday, Aug. 27, at the City-County hospital. The young daughter has been christened Margaret Sue. Mother and baby are resting quite comfortably.

Comings and Goings

Mrs. Margaret Terry of Winfield, Okla., is visiting in the home of her daughter, Mrs. W. M. Brown.

Miss Hallie Simmons is home after a visit to Odessa, where she visited in the home of Mr. and Mrs. Charles Littlejohn and daughter, Eva, formerly of Ranger.

Rev. and Mrs. T. E. Bowman left Thursday afternoon for several days to cities in New Mexico.

Mr. and Mrs. John Hudson and daughter, Peggy, have returned to their home, Desdemona Blvd., after visits to Fort Worth, Dallas and Big Spring. Their visits have covered the past two months and since Mrs. Hudson's return she has again opened her classes in knitting.

Mrs. H. T. Schooley has as guests Misses Irene Sprayberry and Lauster McDonald, of Rising Star.

Miss Agnes Brown, former associate of the Home Beauty Shop, is now employed at the City Beauty Shoppe, North Austin St., where she is happy to extend the same service to her patrons.

S. L. Bourland, head of the meat department at the local Piggly Wiggly store, accompanied by H. B. Meek of the same department of the Eastland Piggly-Wiggly, spent a part of this week visiting at Dallas attending the merchandising school of meat instruction conducted at the Baker hotel.

Today brought to a close the visit of Charles Gholson, who returned to his business interests at Houston, after visiting his mother, Mrs. John M. Gholson, at the family home, 405 Hodges St.

E. A. Brooks, of Mineral Wells, Internal Revenue representative, was a business visitor in Ranger Thursday.

The mother of Jimmie Bennett returned to her home at Los Angeles, Calif., this week, following a visit with her son, Desdemona Blvd., which covered a larger part

Newly Weds Honored With Surprise Courtsey

Mr. and Mrs. Callan Martin, newlyweds who are now at home at Joseph Apts., were extended a delightful courtsey during the week when friends paid them an impromptu visit, presenting them with an array of handsome wedding gifts.

Both bride and bridegroom are popular members of the social set of Ranger, and Mrs. Martin is the former Miss Marjorie Phillips, attractive daughter of the Harry Phillips, Gholson hotel.

As the evening reached its climax, a refreshment course of sandwiches, potato chips, olives, cake and limeade was served to the guests of honor, Mr. and Mrs. Martin, and Misses Esther Holyfield, Anita McHarg, Bernice Reuser, Jenny Lee Rice, Louie January, of Olden, Ronie Totten of Electra, Sammy Ruth Matthews, and Messrs. Price Crawley, Toots Booth, Tom Lauderdale, Bobby Powell, George Paulowsky, Bob Earnest, Norman Dennis, Kenneth Merritt, Keith McLaughlin, and Johnny Walker.

Miss Velma Brown Hostess to Fidelis Class

Miss Velma Brown opened her home to members of the Fidelis class of Central Baptist church on Thursday evening, at which time the hour consisted of a business discussion followed with a pleasant social.

As the evening reached its close the hostess served chilled slices of watermelon to Misses Lillian Meredith, Hazel Edwards, Juanita Smith, Evelyn Long, Effie Mae Williams, Ora Mae McGee, and Mrs. Phillips Rodgers, teacher and her two daughters.

Places Laid at Luncheon Board for 35 Members

Thirty-five members of the Martha Dorcas class of the Methodist church, and guests, Mrs. Meredith and son of Denton, and Mrs. Minnie Thomas of Columbia, Ohio, enjoyed a noon luncheon held at the church Thursday, with the class members in charge.

Mrs. J. A. Johnson opened the business session held in the afternoon and invocation was given by the Rev. T. E. Bowman. After the singing of a hymn, the Sunshine Sisters were revealed. The meeting proved the most pleasant gathering and largest attended of many to have been held in some time.

Plans perfected during the business period will be carried out during ensuing months of work.
